## Jap Survivor Of Atom Bomb Winner Of Boston Marathon

BOSTON, April 19 (AP) — A solid 19-year-old Japanese schoolboy, Shigeki Tanaka, from atomic-bombed Hiroshima, strictly followed his own time schedule today to become the sixth consecutive foreigner to win the famous Boston A.A. Marathon.

In so doing, however, he missed the 26 miles-385 yards course record by two minutes, six seconds. Tanaka broke the tape in 2:27:45, about two thirds of a mile ahead of John Lafferty, the sponsoring B.A.A.'s favorite.

After almost ignoring the terrific pace his 25-year-old countryman, Shunji Koyanagi, set from the first through the 22nd mile, Tanaka negotiated the range of four hills so easily that he appeared certain to erase the 2:25:39 mark Korean Sun Bok Suh set here in 1947.

But instead of extending himself over the last two miles of easy going, Tanaka religiously followed his pre-race plans, which called for only a comfortable finish drive. "I knew I would win if I stuck to my own schedule," the victor explained through an interpreter. "I didn't plan a record-breaking race. I ran only to win."

Greece's Athanasios Ragzos finished third in the field of 154 starters in 2:35:27. He was 26 seconds ahead of Lou White, the durable New York Negro who fairly flew over the last third of the punishing course. First Canadian in the field was Gerard Cote of St. Hyacinthe, Que., who came in seventh. The cigar-smoking Cote gained the last of his four victories

in 1948. Koyanagi, forced to slow down when he hit the last and steepest hill struggled home in fifth place, and the other Japanese entries, Yoshihiko Uchikawa, and Hiroshi Haigo, were eighth and ninth respectively.

Other outstanding competitors in this third fastest race in 56 years were Johnny Kelley of West Acton, Mass., sixth; and Jesse Van Zant of Boston, 10th.

Kelley, the last native-born victor, led the plodders twice—in 1946 and a decade before.

The other only former winner, 63-year-old Clarence Demar, who won the first of his seven B.A.A. "grinds" back in 1911, wound up in 66th place while covering every inch of the course for the 31st time.

Besides Cote, seven other Canadians took part in the race but they all finished far behind. Paul Ojane of Toronto was 46th; James H. Sherwood, Hantsport, N.S., 64th; David Freeman, Montreal, 77th; Roland Bouffard, Montreal, 78th; and W. G. Spence, Montreal, 79th.

## Cambridge Crew In Another U.S. Win

CAMBRIDGE, Mass., April 19 (AP)—Cambridge University of England won the Patriot's Day regatta from Harvard today by 1-2 lengths to make a clean sweep of the first intercollegiate crew competition on this side of the Atlantic.

Boston University and Massachusetts Institute of Technology finished far back. The race drew 25,000 to the banks of the Charles River.

Cambridge got off to its customary lightning start and opened up a lead of 1-2 lengths by the half-mile mark. At times the margin was increased to two lengths. Harvard finished with a desperate 40-stroke pace but Cambridge matched it and swept over the finished of the 1-3/4 mile course in 9:48.

The race was delayed an hour

by high winds but was finally rowed under almost perfect conditions.

This is the day—celebrated lustily in Boston—that is the anniversary of Paul Revere's famous ride to warn the countryside that Britons were coming by sea, and come by sea Britain did again. Harvard started at a brilliant 41 beat, with Cambridge off at 39 1-2. Harvard soon dropped to 31 but Cambridge lowered its stroke in less of a hurry, and apparently that was the race right there.

At the mile mark Cambridge kicked up the pace up to 34 and then to 35.

It was a case of smaller, perfect-looking men beating giants. Cambridge averaged 173 pounds and one-half inch over six feet. Harvard averaged 183 pounds and six feet three inches.

## Maple Leafs Edge Habs 3-2 In Overtime

MONTREAL, April 19 (CP)—Toronto Maple Leafs defeated Montreal Canadiens 3-2 tonight in a bruising overtime Stanley Cup hockey battle, winning on Harry Watson's goal in 15:15 of the first overtime period.

It was the third win for Leafs against one for Canadiens in the best-of-seven series, all four games going into overtime for a record in Stanley Cup play.

It was a terrific struggle, played at a dazzling clip before 14,452 fans.

Leafs twice went into the lead in regulation time and twice Canadiens came back to tie up the game.

With a 3-1 lead in ties Leafs return home overwhelming favorites to take the series. The fifth game will be played in Toronto Saturday.

Watson's goal came after Billy Reay had missed a great chance for Canadiens, coming in alone on Richard's pass, only to have goalie Al Rollins make a brilliant save.

Down in the Montreal end Max Bentley trapped a pass by Bernie Geoffroy of Canadiens. Watson was just coming on the ice and Bentley got the puck over to him. Watson pushed the puck ahead, went around Doug Harvey and blasted the shot past Gerry McNeil in the Montreal net.

## Lamoureux To Remain Coach

Leo Lamoureux, the man who piloted the P. E. Islanders hockey team to the Maritime Major "Big Four" Hockey League championship this season, was officially appointed the manager and coach of the team for the 1951-52 season.

Leo signed the official documents during a meeting with the P. E. Islanders Club executive here yesterday.

Accepting the position, Coach Lamoureux, when asked last night how he felt about coming back next year said: "I am satisfied and very happy about it."

Leo also said that he had spoken to each member of the team yesterday "and all were eager to come back and play for Charlottetown next year. There are bound to be some changes," he stated, "but all have been asked to report to training camp next season."

Speaking on behalf of the executive, vice-president W. E. "Bill" Massey, as acting president in the absence of club president Major T. B. Rogers who is ill in hospital, said "We are very happy that Leo has consented to return as coach next year."

## Colliery League Will Not Operate

SYDNEY, N. S., April 19 (CP)—One of Nova Scotia's best-known senior baseball circuits—the Cape Breton Colliery League—will not operate this season.

All clubs—Sydney, Sydney Mines, New Waterford and permanent-winning Glace Bay Miners—reported financial losses last year.

## Big Farewell Is Given Islanders Team Last Night

Leo Lamoureux and his P. E. Islanders, Maritime Big Four hockey champions for 1950-51, received a royal sendoff here last night when citizens of Charlottetown tendered them a farewell banquet and dance.

Presided over by the City's number one hockey fan, His Worship Mayor E. Earle MacDonald, the Islanders' coach, players, their wives and lady friends, started the evening off with a sumptuous banquet in the Old Spain, following which they were toured about the City aboard the fire reels of the City Fire Department, and held their final windup at the Rollaway ballroom, dancing to the strains of Don Messer and his Islanders band.

On leaving Old Spain to make their tour of the City, the boys were greeted with tremendous cheering and applause from the citizens of Charlottetown who lined the streets for blocks to make their farewells to members of a great hockey club, of whom each and every Islander can well be proud.

During the banquet, Mayor MacDonald, on behalf of Dr. F. C. Dougan and himself, presented the wife of each married player with appropriately engraved bracelets as mark of their esteem and appreciation.

### Brief Speeches

At the conclusion of the banquet Mayor MacDonald made a few brief remarks in which he complimented the coach and team for their wonderful performance and team spirit this season and concluded by saying, "We will welcome each and every one of you back again next year."

Coach Lamoureux, team captain Wes "Bucko" Trainor, Phil Vitale, Forum manager Bill Brown, club physician Dr. Frank MacMillan, club vice-president W. E. Massey and Mrs. Milton Bell all made brief remarks.

Making his farewells to the Club executive and citizens of Charlottetown and Prince Edward Island, coach Leo said, "I don't think there is a town in Canada that ever welcomed a team like this one has. We were welcomed with open arms without any question being asked as to who we were or what we were like. You gave us a chance to prove what sort of boys we were, and I know that my boys didn't let you down." Speaking to the players themselves Leo stated, "I can say without any fear of contradiction that you are the greatest bunch of athletes I've ever been associated with—and I thank you and the people of this City and Province from the very bottom of my heart."

During the dance at the Rollaway later in the evening, each member of the team was presented with a souvenir cigarette lighter as a memento of thanks and appreciation for a splendid hockey season.

## Noranda Wins Intermediate Hockey Crown

FREDERICTON, April 19 (CP)—Noranda Copper Kings defeated Fredericton Capitals 6-3 tonight with a three-goal assault in overtime and became intermediate hockey champions of Eastern Canada.

The Quebec team copped the title in a closely contested best-of-three series. They won the opener 5-4 and Caps took the second 6-5.

Tonight's game followed the pattern of Noranda's first win, when Copper Kings shot four tallies in the last stanza.

They trailed 1-0 at the end of the first period tonight and knotted the county in the second. The score was 3-3 when the third session ended.

## Millionaires Stave Off Third Period Drive To Edge Braves 3-2

SYDNEY, N. S., April 19 (CP)—Sydney Millionaires overcame Valleyfield Braves 3-2 tonight to tie their best-of-seven Alexander Cup semi-finals at one game each.

Third game of the series will be played here Saturday night and then the series switches to Quebec, probably the Montreal Forum.

Millionaires, winners of the Maritime crown for the fourth consecutive time this season, shot a single goal in each of the three periods. Both Valleyfield tallies came in the final period as Braves made a desperate attempt to knot the score.

Valleyfield coach Hector (Toe) Blake indicated after the game tonight that he would protest Sydney's right to the victory. Blake's protest, if it is filed with the 48-hour deadline, will likely be based around a disallowed goal at the end of the second period.

Trailing 2-0, the Brave strategists pulled a surprise move at 19:55 of the second period when they held the puck in the Sydney backboards for a face-off. Goal keeper Paul LeClerc was drawn for extra shooting power. Blake put six forwards out.

The Quebec champions got the draw and in a series of short passes had the puck pushed through Nick Pidsodny's pads. The score however, was registered beyond regulation time. The Sydney Forum's automatic timing device cuts the power off the goal judge's light once the regulation 20 minutes of a period have been played.

Goal judge George Dawes of Moncton, stated that he had pressed his button when the puck back-handed by Jean Paul Bissailon had crossed the line.

There was no red light as the green light signifying the end of playing time was on.

Referee Jack Mellenbacher and Andy Bellemer who were following the play signified a fair score but were told by the official timer that time for play had expired. Neither referee had noticed the green light.

For 3,342 cash customers, the game was the most nerve-wracking battle in playoff history here.

It was the last big gathering for the Islanders club this season, and the team will now disband until next year. Many of the boys are leaving for their respective homes today, while many more will be departing to distant points over the week-end and early next week.
