Big Games For St. Dunstan's

The St. Dunstan's University Saints host the University of New Brunswick Red Devils and the St. Thomas University Tommies tonight and tomorrow afternoon in the most important games of the Maritime Intercollegiate Hockey Conference's 1963-64 schedule.

For the Saints the games will be the most important since a contest in 1947 when they captured the MIHC championship with a sudden-death victory over the powerful St. Francis Xavier X-Men.

All the Islanders really need this weekend however, is one victory. A single win would assure them of at least a tie for first place and probably set the stage for a sudden-death game either at the rink of the team with a goals-scored edge over the season, or on neutral ice. Two wins would give the Saints first place but they would undoubtably be challenged for the title by the team finishing second, either UNB or St. Thomas, as they were beaten earlier in the season in New Brunswick by both these teams.

If the locals were unfortunate enough to drop both of the weekend games they would end up in a second place tie with St. Thomas; and UNB provided they came up with a win over Mount Allison in their final game tomorrow night, would win the championship. Neither St. Dunstan's or St. Thomas would be able to challenge for the crown as UNB would have defeated them both in the second placed team's home rinks.

Standings:

	W	L	T	F	A	Pts.
St. Dunstan's	7	2	0	48	36	24
UNB	7	2	0	56	25	22
St. Thomas	7	3	0	57	30	22

The 'Big Games' will have UNB at St. Dunstan's, 8 o'clock tonight; UNB at Mount A., 7:30 o'clock tomorrow night; and St. Thomas at St. Dunstan's, Saturday, 2 p.m.

St. Dunstan's coach Jack Kane said last night that he had no special tactics for the two games, "just close checking and hard skating." The Saints held a light workout Thursday afternoon and Kane says he will go with the same line-up he has been using in recent games.

Kentucky House Honors Clay

The Kentucky House of Representatives has honored world heavyweight boxing champion Cassius M. Clay with the following resolution:

Whereas, the Louisville Lip at seven to one,
Put Sonny Liston on the run,
And put Kentucky fans in heaven,
By stooping the champion in seven.
Now be it resolved by the House to act,
To recognize this wondrous fact.
And hail a new world's champ today—
The greatest — Cassius Marcellus Clay.

New York Defeats Boston; Chicago Topples Wings

BOSTON (AP)—New York's Harry Howell and Rod Gilbert each scored with Boston Bruins shorthanded two skaters, and former Toronto Maple Leaf Bob Nevin added an insurance goal in a 4-2 National Hockey League victory over Boston Thursday night.

The triumph was the second in the last 10 games for the Rangers and extended Boston's winless streak to eight.

Howell put New York in front to stay at 9:04 of the second period, less than two minutes after teammate Earl Ingarfield had tied the score. Bruins' defencemen Doug Mohns and Teddy Green were in the penalty box.

Gilbert got his 22nd goal in the first period on a 25-foot slap shot. Green and Jerry Toppazzini of the Bruins were off on that occasion.

Nevin, recently acquired in a multiple trade with Toronto, gave the Rangers a cushion when he followed up a Howell rebound at 8:24 of the final period.

Green and Leo Boivan gave Boston a short-lived 2-1 lead near the end of the first period.

CHICAGO (AP) — Chicago Black Hawks moved back into a tie for first place with Montreal in the National Hockey League Thursday night by beating the fourth-place Detroit Red Wings 4-2.

The triumph pulled the Hawks even with Montral Canadiens at 75 points. Montreal has two more games left on its schedule than has Chicago.

Chicago built up a 3-0 lead on goals by Ron Murphy, Pierre Pilote and Bobby Hull before Larry Jeffery scored his 10th of the year for Detroit at 18:12 of the second period.

Less than a minute later, however, Chicago moved ahead 4-1 on Chico Maki's goal.

Norm Ullman closed out the scoring for Detroit in the final period with his 15th marker of the year after stealing the puck from Chicago's Ab McDonald near the Hawks' blue line.

Hull's goal, his 37th of the campaign, was a 50-footer which Detroit goalie Terry Sawchuk saw all the way but was unable to head off as it flashed over his shoulder.

Hull now has a total of 73 points and is only two behind teammate Stan Mikita in the league scoring race.

Saints To Play Important Games

Coach Jack Kane's St. Dunstan's University Varsity Saints host UNB Red Devils and St. Thomas Tommies this weekend in two games which will decide the winner of the Maritime Intercollegiate Hockey League.

The Saints play the Red Devils tonight and the Tommies tomorrow afternoon. Both games will be in the SDU rink.

St. Dunstan's is now in first place with 24 points, with both UNB and St. Thomas sharing second place with 22.

SDU lost its only two games of the season, both before Christmas, to these same two teams, UNB winning 5-3 in overtime, and the Tommies clobbering the Saints 5-2 the following afternoon. Since then, SDU has won seven straight games, the longest winning streak in the team's history.

The last game was against the powerful X-men, before a wildly cheering crowd in the SDU rink. In that game SDU squeezed out a 3-2 victory to eliminate the Xaverians from first place contention. A victory for the Saints tonight will ensure them of first place and their first Maritime Championship since 1947.

An interesting sidelight to this weekend's activities is the MIHL scoring race. SDU centre Billy MacMillan is presently leading the pack with 19 goals and 10 assists for 29 points, two ahead of Graham Hollihan of St. Francis Xavier. Last year, Dick Tingley of SDU won the scoring race with 38 points.

Injuries have been plaguing coach Kane. Goalie Gerard Smith, who stopped 42 shots against St. F.X., has been on the limp this week with a bruished thigh. Left winger Maurice Roy received a bump on the jaw against St. Mary's and has been wearing a helmet ever since. In spite of the injury, however, he had a goal and an assist on last week's play. Defenceman Jim Peddle has been bothered by a sore back but is expected to be all right for the weekend.

B.C. Was Still Undefeated In Taking Dominion Spiel

By JOHN SHORT

EDMONTON (CP) — A brilliant and determined rink from Kimberley, B.C. defeated Manitoba 13-8 Thursday to wrap up the 1964 Canadian women's curling championship.

It was the eighth successive win for the unbeaten crew, led by 43-year-old skip Ina Hansen. Mrs. Hansen's precise shotmaking and strategy directed the rink to the championship at Regina in 1962 and a second-place finish last year.

In three years of Dominion final competition, Mrs. Hansen, third Ada Calles, second Isabel Leith and lead May Shaw have won 25 games and lost two. Both defeats occurred last year before they edged Emily Woolley of Ontario in a playoff for second place.

Alberta, skipped by Mickey Down of Dawson Creek, B.C., moved within one victory of clinching second place with a 9-6 triumph over Newfoundland. Manitoba and Nova Scotia had chances to tie for second place. Preparation has been made today for two playoff matches, if necessary.

LOSE SECOND PLACE

Manitoba, behind Skip Myrle McGregor of Carman, and Nova Scotia, directed by Rene Snow of Halifax, lost their chances to win sole possession of second place with defeats in the eighth round. Mrs. Snow was upset 10-8 by the Saskatchewan rink steered by Janet Perkin of Regina.

Ontario downed New Brunswick 10-6 and Quebec edged Prince Edward Island 9-8 in unimportant eighth-round games.

The results left Alberta with six wins and two defeats, Manitoba and Nova Scotia with five wins and three losses. Saskatchewan and Ontario were tied with four wins and four losses. New Brunswick and Quebec had three wins and five defeats. Prince Edward Island had won two and lost six, and Newfoundland was winless in eight starts.

Miss Downs' rink competes in the B.C. Peace River bloc which is affiliated with the Alberta Curling Association.

The McGregor rink fell behind 7-1 after five ends and surrendered four on the seventh to trail 11-4. However, they hit for one on the eighth and three on the ninth as Mrs. Hansen faltered briefly. B.C. settled down again and wrapped up the verdict with two on the 10th.

NEWFOUNDLAND TOUGH

Miss Down had a tough time with Newfoundland, trailing 4-3 after four ends. The St. John's foursome skipped by Tinker Rockwell could not match the Down quartet's consistency after that point.

Mrs. Perkin directed her rink to an early lead against Nova Scotia and the sporadically-brilliant Prairie rink was not severely tested in the late stages despite the score.

New Brunswick's loss to Mrs. Hanright was the fifth in succession after Joan Callaghan steered her Bathurst mates to impressive victories in the first three rounds. It was Ontario's best display since the competition opened Monday afternoon.

Quebec, behind skip Anne Phillips of Mount Royal a Montreal suburb, was threatened on the 10th end by the Montague, P.E.I. rink directed by Anne Nicholson. Mrs. Nicholson, needing three to tie, missed the broom with an attempted takeout on her last rock and settled for a pair.

HUNTER'S CORNER

Insecticide Ban RequiredInP.E.I.

Last week I talked to a member of the Provincial Legislature regarding the proposed ban on insecticides now under discussion. He admitted that the situation was grave and that livestock losses last year were far in excess of the number reported. This columnist agreed with him one hundred per cent. I wouldn't be at all surprised if the number submitted by our Minister of Agriculture was doubled, if not tripled, in 1963. I know of a farmer who lost three cattle just from inhaling the fumes. They walked up to the fence that bordered the headland just out of curiosity and died. An operator of a spraying machine, at work applying top killer, told me that birds attempting to fly over the field died in mid-air.

The member to whom I talked did not commit himself as to the stand he was going to take in connection with the proposed ban on certain types of insecticides but, he went on to say that a number of farmers were going to use it anyway, regardless of what legislation was passed. For a minimum fine of ten dollars, yes, but... if a special penalty of one hundred dollars for a first offense and a two hundred dollar fine, plus a year's cancellation of potato growing for a second offense should be put in force a farmer would think twice before using the insecticide again. Those ten dollar fines dished holus bolus are akin in many instances at least, to getting money from home.

WESTERN LEGISLATION

Authorities in Western Canada are not just talking about pesticides and insecticides. In Manitoba steps have been taken regulating the use of dieldrin and aldrin for grasshopper-killing and the necessary legislation was passed last spring (1963). In the words of the Manitoba agriculture minister-- "Under existing licensing rules there is still some question whether these two pesticides can be stopped from creeping into our dairy products".

There were court cases: "In Lethbridge, Alberta, a rancher was awarded $16,500 for damage caused 47 bulls that were sprayed with Malathion for lice control; 17 farmers in Saskatchewan and Manitoba were taken to court under the Food and Drug Act on charges of selling milk containing dieldrin."

In the December 5, 1963 issue of the Family Herald an Ontario farm wife wrote: "My family and I have just lived through the blackest 48 hours we have ever known, while doctors fought to halt the extensive liver damage my husband incurred by inhaling the deadly fumes of carbon tetrachloride in a bin fumigant. We've used carbon tet. for years. We never knew until now that it would do other than asphyxiate us were we to be exposed too long in a closed room. Now we know—the hard way."

ASKS FOR PREVENTION

She went on to say that deterioration of the liver cells had apparently been checked, but the patient was dangerously ill. She ended her letter as follows: "Our consolation is the hope that others will take heed, and that something constructive in prevention will be done, soon."

We hope that, in the present crisis, our members will throw party politics into the discard and vote as their conscience dictates. The eyes of the electorate are upon you. A final reminder— If insecticide regulation is passed, don't send a boy on a man's errand. Either enforce the regulation or leave it as is. There is no point in penalizing the few who do make it a point to obey the law.

O'Rourke Wins Bonspiel

The Danny O'Rourke rink from Charlottetown put on an impressive display of curling yesterday afternoon at the Summerside curling club, overpowering the defending champions, a Montague rink skipped by Doug MacGowan, by the score of 16-3, and winning the Canadian Legion Trophy, and the right to go to Calgary and represent Prince Edward Island at the Legion Bonspiel there. MacGowan conceded at the end of the eighth end.

Linescore:

D. MacGowan	000 020 01	—3
D. O'Rourke	121 305 40	-16

The Summerside Freddie Folland rink defeated the Doug MacGowan rink for runner-up position by the score of 15-0. The game was conceded at end of seven ends.

Local School Tops Morell

The Provincial Vocational School hockey team edged the Morell Meteors 5-3 in an exciting game played last night at the Morell ice house.

Fast skating Arnold MacLeod scored all five goals for the Vocational School. L. Murphy 2, and D. MacEachern were the Morell marksmen.

Kingston Downs Dunstaffnage 7-3

Kingston defeated Dunstaffnage 7-3 in an Intermediate "C" game played at the North River rink last night.

F. MacKenzie paced the Kingston attack with four goals. B. Newson, L. MacKenzie, and N. MacPhee contributed singletons.

Dunstaffnage marksmen were R. MacCallum, K. Hughes and G. McInnis each with one.
