MINISTERS' MEETING.—A meeting of the city ministers will be held this evening in the Methodist parsonage at the close of the evangelistic meeting, to consider a reference anent the Ladies' Council.

THE PRICE OF CHEESE.—According to late advices the Ontario cheese market is less active and if anything weaker. In Montreal cheese is dull at 9½ to 9¢ for finest September, best creamery butter at 18½ to 19c, with market weak.

THE MEX-O MEDICINES.—The Mex-o Medicine and Concert Co. had a large audience in the Market Hall on Saturday evening despite the storm. The programme given was a good one and all enjoyed it. Tonight they give a free concert to adults. The Mex-o R-medicines are meeting with great sale and the Company are disposing of vast quantities.

HOME FOR INTERMENT.—The remains of the late Colebrook Perley Welsh are expected to arrive by this evening's express. They will then be conveyed to St. Paul's Church, where they will remain until Tuesday afternoon when the funeral service will take place at 2.30 o'clock (sharp), thence by train to Sherwood Cemetery. Any floral offerings which kind friends have provided will be received at the church.

THE SUMMERSIDE RACES.—In the programme for the races to be held at Summerside tomorrow, the 2.27 class has been changed to 2.25. This change has been made to accommodate the owners of horses which had made a record of 2.26 in the Charlottetown races, and others. Among the entries made in the 2.25 class are Parkland, Shaver and Minnie, with others to hear from. The other classes have also filled, so that a genuine old time race may be looked for. Bell Stanford and Lady Parkside have been barred from the 2.40 and 2.50 classes.

MR. ROCHE'S POEM.—We publish today for the first time a short poem from the pen of the poet James Jeffrey Roche entitled "Jim Byrne." It is full of humor and pathos. For forty years a love tender and true has existed between the poet and the subject of his song. Whilst we know the one only by the fame which he has acquired through his poetry, biography and other literary labors, we know the other most intimately as a good citizen. Of both, we believe we are safe in saying, that they "hav'n't yet forgot the style."

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.
