### New Perth Bush Fire Brought Under Control

**MONTAGUE BUREAU** OF THE GUARDIAN—A bush fire that broke out in the New Perth-Union Road area Wednesday was brought under control late yesterday afternoon. The fire which started about 4 p.m. on the farm of Cyrus Martin was closely watched throughout the night by local residents. However, early Thursday the strong southeast winds and the tinder dry conditions of the woods made it impossible to control and for a time Thursday morning created a dangerous threat to buildings and forest in its path. Provincial Forester J. Frank Gaudet was summoned and ordered a machine from the Bedford area to assist in the fire-fighting operation. With the aid of the residents of the region, Donald Coffin, the fire was brought under control. Reports from the fire area indicated that if control of the fire had not been gained, it could have swept over an area of approximately eight miles during the summer construction co-operative homes will be built.

**MYSTERIOUS ROSE FOUND**—MONTREAL (CP)—Police and Melchers Distillers Limited are trying to determine whether the firm is missing some alcohol. A company official said a mysterious 700-gallon hose was found attached to a 25,000-gallon tank in the storage building. It could be, he said, that somebody was planning, or has made, peevish trips to the tank with a portable receptacle.
