The oysters were for Halifax, St. John and Moncton parties.

The strike among the miners in Germany is due, as evinced by recent developments, to the influence exerted by the Socialists, who already have their deputations in Spain, trying to move the miners there to strike. Both of these countries are rich in minerals.

The Charlottetown Steam Laundry is still to the front. We are now prepared, after making some alteration, to turn out work at short notice. Grand success in lace curtains. We can give you references by fifties, some of our customers going so far as to take the trouble to come down and tell us how pleased they are. The summer suits you see on the sareets are not new, but have been cleaned and pressed at the Laundry. As yet we have not been stuck. We have cleaned everything almost, from a pocket-handkerchief to a sheepskin rug. Send us your soiled suits, neckties, curtains, window shades, your linen, blankets, horse rugs, or anything that can be washed.

SPECIAL DESPATCHES TO THE EXAMINER

Damage by Water.

LYNCHBURG, Va., June 3.

This city is almost isolated from the outer world. No reports can be received from the upper river, owing to the washouts on the Richmond and Alleghany Railroad. The river rose to 25 feet 6 inches. The flood is now subsiding at Johnstown. It is now more and more apparent that the exact number of the lives lost in the Johnstown horror will never be known. Over one thousand bodies have been found since sunrise to-day, and it is conceded that the remains of thousands more rest beneath the debris above Johnstown bridges. The water from the lake at East Conmaugh took a round house with 75 engines, 200 freight cars and about twenty passenger cars On one train of passenger cars full of passengers, the conductor and engineer ran through the train warning the passengers to flee. Some started, but a portion remained and went down. How many perished is not known. The track, depot, freight house and coal sheds were entirely washed away.

The Fast Mail Service.

OTTAWA, June 3.

The Anderson's are still here and are squealing considerably over the impossibility of constructing steamers of an average speed of twenty knots an hour. It seems probable that the Government will insist on two requirements: (1st) that the subsidized line shall make Canada a terminus and not merely a port of call; and (2nd) that the service shall be of sufficient speed to compete successfully with the existing New York service.

Bank of Montreal.

MONTREAL, June 3.

The annual general meeting of the Bank of Montreal was held to-day, President Sir Donald Smith in the chair. Both his remarks and those of the General Manager were quite popular, and if the crops turn out as indicated at present, the bank will certainly be a great gainer thereby. New branch bank buildings are to be erected at Calgary and Vancouver.

Sad Suicide.

HALIFAX, May 3.

After church last night, Mrs. George Harvie, aged 35, the accomplished wife of the head master of the Halifax Art School, committed suicide by drowning. Her body was found this morning in the pond near the entrance to Point Pleasant Park. She attempted suicide two years ago, and since then has been subject to fits of melancholy.

Steamer Ashore.

HALIFAX, May 3.

A despatch from Ingonish, C. B., says the steamer Bessie Morris, from Montreal for Sydney, ran ashore at Burt Head, one mile south of White Point, Aspy Bay, at one o'clock this morning. She had no cargo. The crew were saved, and the ship is supposed to be a total wreck, but no further particulars are to hand.

The Mattie Winship Again.

OTTAWA, June 3.

The Minister of Justice to-day received an application from Consul-General Phelan for the release of the Martha Winship on bail, pending the result of legal proceedings. The agent of the department was immediately instructed to accept reasonable bail if offered.

The Highest Offer.

OTTAWA, June 4.

The highest offer received by the Minister of Marine for the steamer Newfield is less than $6,000. The Grit Government paid a supporter $65,000 for her fourteen years ago, and she has been a bill of expense ever since.

New Line Opened.

MONTREAL, June 3.

The new C. P. R. line to St. Paul and Minneapolis, via the "Soo," shortening the distance between Montreal and the last named city some 150 miles, was opened to-day, the train leaving at 10 o'clock this forenoon.

A Freak of Nature.

HALIFAX, June 3.

A child born in Dartmouth presents a strange freak of nature. Its right arm, part of the side of its body and part of the side of the face are black, while the rest of the rest of the flesh is clear and white.

NEW GLASGOW, N. S., June 4.

The congregation of St. George's Church here, met last night and unanimously elected as their Rector the Rev. W. A. Crawford-Frost, M. A., of St. Paul's Church, Charlottetown, P. E. Island.

Appointed Judge.

Weather Bulletin.

TORONTO, June 4.—10 a. m.

Moderate to fresh south east to south-west winds, fair weather, stationery or a little higher temperature.

A gentleman at Ottawa writes: "Some of the wood factories are forced to work night and day this season to keep pace with the additional demand. The lumber industry here will, it is estimated, reach the modest quantity of 50,000,000 feet."

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a **radical change** in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, **the result is certain.** Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.
