

# CIMN'S WEEKLY REPORT TO YOU RADIO WAVES

Have you ever wanted to tell people how you see the world? Do you think things should be changed? Have you ever felt compelled to tell people what it is to live? Well now is your chance! CIMN is in need of volunteers for the business hours through the week (9:00AM - 4:00PM). Anyone interested in either a music or a spoken word show should contact Danielle at 566-0417.

Saturday afternoons are now much more exciting. "You Name It!" is a new show where just about anything could happen. The host accepts all calls on the request line (892-2466) and puts the caller on the air. The calls received determine what the show will be. Simple conversation, music request or indepth discussions are what it's all about.

### QUOTATION OF THE WEEK

You don't need a weatherman to know which way the wind blows.  
Bob Dylan

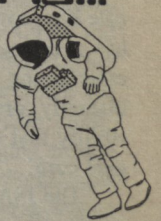

Here it is. Your chance to win a complete collection of Leonard Cohen's musical works worth over \$200. Just write down your most outrageous yet some what believable prediction for 1993 and drop it off at the station or in the Student Union desk in the Pit; we'll do the rest. Every Wednesday evening we will be picking the best prediction of the week and awarding the author with some Leonard Cohen goodies. At the end of February we'll make a draw using the ballots to decide who gets the grand prize, a complete collection of Cohen's musical works from Sony Music.

I predict that in 1993...
