FOR THE DISCRIMINATING HOMEMAKER

The Custom Imperial 30" Electric Range

If your family enjoys succulent barbecued chicken, you will appreciate the "rotisserie" that bastes as it cooks.

If steaks or chops are your favourites, the "infinite broil" control guarantees the exact temperature needed to give you that incomparable mouth-watering flavour. And burning or boil-overs are no longer a problem, the "thermal-eye" surface element automatically maintains an exact cooking temperature to give you automatic fry-pan accuracy with all utensils. These and the many other features of the new Fawcett Custom Imperial Electric Range can make this range your number one helper in keeping your family healthy and happy at meal time.
