Just how little is known of the Maritime Provinces by countries abroad is seen by the following story told at the Sons of England reunion held in the Admiral Beatty Hotel, St. John, New Brunswick, by the guest speaker, His Worship Mayor McLaren, which I attended. Quite a number were in attendance from Prince Edward Island, and the Mayor, to add a little spice to his remarks, told that on one occassion a motor party from "The Garden of the Gulf" were visiting New York, and when enquiring the way from a police officer, this officer remarked. "Well boy, I see you have come across water," (the number plates at that time were abbreviated P. E. I.), "your's is the first car I have seen from the Philippine Islands." Needless to say, the following year the number plates read "Prince Edward Island."

The people of Charlottetown and vicinity were deeply shocked and saddened on Sunday morning, Sept. 10th, when it was learned that Mrs. G. D. Burgoyne a highly respected and much loved citizen had passed away at the early age of 49 years. She was born in Charlottetown, Sept. 17, 1890 a daughter of the late Henry E. and Mrs. Ferguson and had spent her entire life in Charlottetown where she was well and favorably known. Besides her sorrowing husband there are left to cherish her memory one son Maurice E. also three sisters and three brothers namely, Harry G., Watson, W., Walter, W., Mrs. Walter Josey, Mrs. J. R. Cudmore and Mrs. D. McCallum all of this city.
