Holloway's Pills.—Strong and Heartly.—Every wise man aims at attaining health at any price, but unfortunately, rarely think about it till it is gone. Holloway's Pills now stand very high on public estimation for purifying the blood and promoting the appetite and digestion, that it is unnecessary to do so more than name them as the surest and safest means of returning or regaining robust health and corresponding strength. They act as purifiers, alteratives and aperients; and they exercise over every organ the most wholesome influence, by supplying it with the purest blood, and regulating the quality and quantity of every secretion. The most timid and delicate invalid will derive from Holloway's Pills vigor and comfort.
