

CFS Student Saver Program Update Full-time Students of UPEI!

Did everyone get their Canadian Federation of Students (CFS) Student Saver envelopes? The Student Union handed some 1500 envelopes out on Registration day and, due to the interest, we have ordered 500 more from the Toronto office.

You can use the card all across Canada throughout the year. PEI's discounts follow Nova Scotia's in the guide. The discounters listed in the guide cover the East. If you are travelling to Canada's West this year we can provide you with the West's Discount Guide book upon request (just contact the SU Centre 566-0530).

The discounters listed are organizations and businesses that realize how expensive it is to get an education and they want to help out whenever they can. If you, the students, use the card other businesses will want to get in on what is already the largest discount program of its kind in Canada. If you use the card regularly it will lead you to savings on everything from looseleaf to Fitness Club memberships. It's up to you!

Since the publication of the Discount Guide book we have had three new discounters on PEI. Please note these as they are not listed in the book.

CANADIAN VOLUNTEERS ARE HELPING TURN THE WORLD AROUND. YOU CAN HELP TOO.

Concerned Canadians are aware of the needs of developing nations. You want to help but how can you be sure that your support will be practical and effective over the long term?

Since 1958, Canadian Crossroads International an organization of dedicated volunteers, has been providing such practical assistance in four ways:

- Overseas volunteers serve in 34 developing countries for four to six months, without pay, working along side local people on self help projects in health care, education, community development and agriculture.
- CCI brings Third World citizens to Canada to learn skills that they can take back to their home communities.
- CCI's volunteer committees in over 70 Canadian communities promote international understanding and awareness of world problems.
- CCI provides seed money to initiate projects in Third World countries, which are recommended by CCI's volunteer groups in that country.

Canadian Crossroads International provides you with practical, effective ways to help people in the Third World and to promote international understanding. Donations are tax deductible and are matched by the provincial governments and the federal government through CIDA. Volunteers for overseas placement or for work in Canada are always welcome. Please write or phone for more information. You too can help turn the world around.

SPEAK EASY

A six sessions course on effective speaking

During your years at University, you should expect to gain the skills and confidence to communicate your ideas to other students, professors, and the public at large. "Speak Easy" is a short course designed to help you achieve a more effective way of communicating, whether it is in the context of discussions, seminar participation or social interaction. Emphasis will be achieving self-confidence, initiative, determination and development of your potential. We hope that by taking this course your ability to communicate will enhance your potential, not only at UPEI, but also when you face to assume your responsibilities in the work force. "Speak Easy" is not intended to be a high level course in public speaking or debating.
