Pearson Discusses Municipal Loan Fund

TORONTO (CP)—Prime Minister Pearson told a gathering ister Pearson told a gathering of mayors that the federal government's municipal government and loan fund will not impinge on the jurisdiction of the provinces.

The $400,000,000 revolving fund will be used to finance major works projects undertaken by municipalities only if the provincial government has approved the projects and the method of financing them, he told the annual meeting of the Canadian Federation of Mayors and Municipalities.

Mr. Pearson said the government recognizes that municipalities are the creations of the provinces, and it would observe fully both the spirit and the letter of the constitution.

The fund would purchase debentures issued by municipalities to finance capital projects that were too costly to defray through taxes or commercial loans.

"We will be willing buyers on terms that I think you will find not only favorable but generous.

"In particular, provided that the projects are completed within a specified period, the federal government will forgive a significant portion of the capital amount of the loan."

RETAIN OTHER PROGRAMS

Mr. Pearson said the fund will not replace the winter works program, federal loans for sewage systems or federal assistance for technical and vocational schools. All these programs would be retained.

There was an urgent need for expanded spending by the municipalities to construct a backlog of works projects and at the same time create jobs.

For this reason, the bill to establish the fund would be one of the first to be introduced in Parliament. The prime minister invited municipalities to get their projects ready now so that work could begin in the next few months, "so that there will be as many new jobs as possible this winter."

The fund would create jobs and contribute materially to economic growth. "It is good for the country at large as well as for the municipalities individually. It is therefore of vital concern to the federal government."

Mr. Pearson said the government hopes to beef up federal programs that encourage housing and urban renewal.

"It has long been the conviction of my party that these programs are not fully adequate for today's needs."

He praised the role of Central Mortgage and Housing Corporation in encouraging housing construction. The administration of the loan fund would be carried out in conjunction with CMHC, which already was in close touch with municipalities.

MONSTER STORY CAUSES ALARM

NIAMEY, Niger (Reuters) — Panic-stricken parents clamored to have their children released from primary schools here, saying a monster was roaming the city and their lives were in danger.

In spite of police attempts to dissuade anxious parents, several schools were emptied of children.

Teachers were later trying to find out who had told the parents there was a headless horse roaming the city and killing children.

TAKE BIG STURGEON

MOSCOW (AP)—Soviet fishermen reported catching an eight-foot sturgeon weighing 220 pounds off Sakhalin Island. Tass said the fish was the biggest ever taken in the Pacific and that it produced two buckets of caviar.

DANCES IN FRANCE

MONTREAL (CP) — Andree Millaire of Montreal's Les Grands Ballets Canadiens has left for Cannes, France, to further her career as a dancer. A Canada Council grant is enabling her to attend Rosella High Tower which attracts professional dancers from all over the world.

CONTRACT BRIDGE

TEST YOUR PLAY

1. You are declarer with the West hand at Seven Hearts. North leads the king of spades. How would you play the hand?

West		East
♠ —	N	♠ 7 6 6 2
♥ A K Q J 5 3	W E	♥ 1 0 9 8
♦ 7 4 3	S	♦ A K 6
♣ A K Q J		♣ 1 0 9 5

2. You are declarer with the West hand at Three Notrump. North leads the queen of diamonds, on which South plays the seven. How would you play the hand?

West		East
♠ A K	N	♠ Q J 3
♥ J 9 7 4	W E	♥ A 6 2
♦ A 9 6 2	S	♦ 8 3
♣ A Q J		♣ 1 0 9 8 7 5

1. It would not be wise to rely on a 2-2 trump break and hope to make the contract by discarding dummy's diamond loser on the fourth round of clubs. There is a far better prospect of making the hand by a different line of play.

Ruff the spade lead high and enter dummy with a heart. Assuming both defenders follow to the heart, which is very likely, ruff another spade high. Cross to dummy with a heart and ruff still another spade. Then play a diamond to the king and ruff the last spade. This runs you out of trumps, but dummy still has one.

Now enter dummy with the ace of diamonds and play the ten of hearts, on which you discard your diamond loser. By this time, all you have left are the A-K-Q-J of clubs.

This method succeeds whether the trumps are divided 2-2 or 3-1. In effect, you win seven trump tricks (four spade ruffs and the 10-9-8 of hearts), two diamonds and four clubs.

2. Basically, the hope is to win four club tricks, three spades, a heart and a diamond. This may not be possible if the adverse cards are badly divided, but the chances of making the hand are good if proper precautions are exercised.

The first problem — whether to take the queen of diamonds—comes at trick one. It is best to win with the ace at once because the defense might otherwise shift their attack to hearts and force out the only entry to dummy's clubs.

Then come the A-K of spades followed by the A-Q of clubs. If the opponents take the queen, your worries are over, since you can later enter dummy with a heart and discard the jack of clubs on the queen of spades and thus unblock the suit. If the queen of clubs is refused, you continue with the jack, which will force out the king if the clubs are divided 3-2.

It is important to cash the A-K of spades early; otherwise, the club suit might get blocked.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
