NEW YORK

NEW YORK (AP)—The discoveries of minerals and oils in Canada continued to provide most of the excitement on the stock market Wednesday, but the over-all market trend was irregularly lower.

Trading was fairly active, with volume at 5,450,000 shares compared with 5,760,000 Tuesday.

Texas Gulf Sulphur, whose recent discoveries in Timmins, Ont., has sparked the latest speculative vogue in the market, was stronger than ever, rising more than 4 points to climbed 5⅜ to 45⅛ on 326,500 shares.

Texas Gulf, the most active stock, was reported to be buoyed mostly by rumors that its strike was even richer than anticipated but also by some caustic short covering. This is the purchase of stock to cover short sales—that is, sales of borrowed stock made with the hope of profiting through recovery of the shares when the stock is bought at lower prices.

CURTIS SECOND

Curtis Publishing was second in volume, rising 1⅞ to 13¾ on 220,200 shares. The Curtis landholdings near Texas Gulf's have been booming the stock.

Pacific Petroleums, which has holdings in the area of the new discoveries of oil in northern Alberta, also was in strong demand, rising 1⅝ to 25¾ on 224,300 shares, making it fourth most active. Canadian Pacific, which has land in the area, advanced 1⅛.

Aside from such selective strength, it was a spotty market. Rails moved irregularly higher even as a new phase of business heightened because of the Saturday deadline on a U.S. railway strike. The trend was generally lower among airlines, cigarette stocks, aerospace issues, steels, building materials and electrical equipments.

The Dow Jones industrial average declined 2.88 to 823.57.

CHRYSLER RISES

Chrysler, rebounding from Tuesday's loss, rose ¾ to 47 on 159,200 shares, making it third most active. Fairbanks Whitney was fifth on the list of volume leaders, gaining ¼ at 23.

Some coppers were upset by news that the Chilean senate had approved legislation that would impose added tax on American copper miners in that country. Anaconda and Kennecott, which mine in Chile, lost fractions. Cerro Corp., whose holdings are in Peru, fell 2 points.

International Nickel, subsiding from its 5½-point surge of Tuesday on news it, too, has holdings in the Timmins area, lost ¾.

Consolidated Cigar, although it reported sharply higher first quarter profits was off ½.

DU PONT FALLS

Du Pont fell 1½. U.S. Gypsum 2¾, American Airlines 2, Eastern Air Lines 1¾, Northwest Airlines 2, Western Airlines 1¼, Reynolds Tobacco ⅝, Goodrich and Control Data 3.

IBM retained ⅛, Xerox 1¾, Merck 1¼, American Smelting 1½ and 1¾ Public Service Electric and Gas 1⅜.

The Associated Press average of 60 stocks closed unchanged at 306.4.

Among other Canadian issues traded, Distillers Seagrams remained 36¼. Dome Mines ¾, Granby Mining and McIntyre Porcupine ¼ and Hudson Bay Mining & Aluminum Ltd. lost ⅛.

Prices of the American Exchange moved irregularly lower but Canadians moved generally higher. Canadian Marconi gained ⅜ and Brazilian Traction and Canadian Javelin lost ¼ each.

TORONTO

TORONTO (CP)—Speculative issues on the Toronto stock market followed the lead of trades Gulf in New York and staged a strong comeback near the close of trading Wednesday.

Prices generally had eased among penny issues Tuesday and most of Wednesday following Monday's frantic trading. What happens today will depend on reaction to the Texas Gulph annual meeting in Houston, Tex., this morning.

Bunker Hill made the best gain of the day, closing up 20 cents to 94 cents on 970,340 shares. Pete Explorations rose 11 cents to 88 cents. Gulf Lead six cents to 31 cents, Windfall five cents to 65 cents and Glenn Uranium four cents to 44 cents.

Wester oils advanced rapidly following confirmation of oil strikes in northern Alberta. Sapphire Petroleums climbed 1½ to 15½, Union Oils 1⅛ to 15, Hudson Bay Oil and Gas ¾ to 19, and Calgary and Edmonton Corp and Dome Petroleum ⅛ each to 23⅜ and 17½ respectively.

Most sectors of the industrial board gained ground with the industrial and Exchange increases reaching peaks during the afternoon.

CANADIAN TIRE RISES

Among selected industrials Canadian Tire rose 3½ to 43. Ford Canada two points to 193, Pacific Petroleums ⅝ to 13⅜ and Price Brothers, Chrysler, Alberta Gas, CPR, Distillers-Seagrams, Ash Temple and Canada Packers A and B one point each.

Reichhold advanced one point to 27½ trading ex-dividend 20 cents.

Senior metals pulled ahead after earlier losses. Craigmount up ⅝ to 18½ and McIntyre-Porcupine ½ to 58½. International Nickel rose 5⅛ Tuesday but the stock eased Wednesday as investors took their profits. However, it recovered partially and closed off ⅛ at 88. The company has announced a nickel strike near Thompson, Man.

Gold softened. Dome Mines down ⅛ to 27¼ and Hollinger ¼ to 21.

In the index, the Exchange index advanced 24 to 152.28, industrials 37 to 142.60, base metals .74 to 66.50, western oils 3.80 to a new high of 76.47 and golds eased 20 to 131.15.

Volume for the day was 1.5-4.50,000 shares compared with 17,601,000 in the previous session Tuesday and 28,501,000 Monday.
