"FAST COMPANY" TODAY, CAPITOL, SUMMERSIDE - Laughs, horse-racing excitement and romance are adroitly combined on the Capitol screen in "Fast Company," new M-G-M attraction starring Howard Keel, Polly Bergen and Marjorie Main. With its background the colorful gypsy (small-time) surf circuit, the plot revolves about an Eastern girl who has come West to claim the inheritance of a racing stable only to find that it consists of a solitary nag with an affinity for coming in last in every race. What Carol doesn't know is that the horse has expressly been held back by trainer Rick Grayton in order that he might buy the animal cheaply for his own. By the time she has discovered the ruse she has fallen in love with the handsome trainer and has to fight the competition of a richer and more worldly-wise rival. The plot ends up in a bang of excitement and laughs, with "Gay Fleet" proving himself a horse of distinction and Carol showing herself to be equally a thoroughbred in the romantic race.

To Make Donation To Piano Fund

The Summerside Community Concert Association fund for the purchase of a grand piano will be increased by the sum of one hundred dollars this morning at the Summerside High School auditorium, when the president of the Students Council, Dick Noonan, will present MacKinnon, vice-president of the Community Concert Association with this amount on behalf of the council.

The sum to be donated to this worthy cause represents the surplus at the end of the Student Council year and this gesture on the part of the council reflects the fine spirit of the youth of the town and augurs well for the future of the community when there are such young men and women activated by such worthy principles.

The Student Council, inaugurated seven years ago, has during its existence given their time and talents in assisting many worthy projects and last year made a splendid donation to the rink fund amounting to between two and three hundred dollars.—S.
