

"WHEN I BUY MEAT FOR MY FAMILY..."

I LIKE TO KNOW FOR SURE!

Dominion Sells Only Government Inspected Meat and Meat Products!

"I used to think that all meat sold in Canada had to be government-inspected... that I could be sure it came from healthy animals and had been processed under sanitary conditions. Imagine how shocked I was to learn that this isn't necessarily true! That's why I switched to DOMINION. DOMINION guarantees that all meat and meat products it sells come from sources that are inspected by the Health of Animals Branch of the Federal Department of Agriculture. When I buy meat at DOMINION I can be sure!"
