AWARDS FOR EXCELLENCE IN TEACHING

Students, Faculty and Alumni are invited to submit nominations for the U.P.E.I. Faculty Association Awards for Excellence in Teaching. The awards are open to full-time University faculty members.

A nominee should have demonstrated an interest in, and commitment to, both the subject and the students. This interest and commitment may manifest itself in a variety of ways: e.g., through the ability to excite student interest in a given subject; through the ability to instill high standard of achievements in students; or through the ability to awaken in students a new sense of the structure, power and beauty of ideas--a cultivation of humane feeling and a concern for others.

Nominations, in writing, may be sent (or given) to any member of the selection committee listed below by March 13, 1992. Each nomination should include a brief statement of support for the nominee as well as the signature and phone number of the nominator(s). Since previous winners of this award are not eligible for renomination until five years have elapsed, the following people are not eligible for nomination this year:

Rose-Marie Bernardinelli
Alfonso Lopez
William Stokoe
Heather Henry
Leon Loucks
David Honor
Ninan LeBlanc
Amreek Singh
Francis Falvo
