

Ten from UPEI, including Vince, in All-Star game

By Ross Hartinger

University of Prince Edward Island Panthers' Coach Vince Mulligan will have nine of his players in the line-up at the Third Annual Atlantic Universities Athletic Association All-Star hockey game to be held at the Charlottetown Forum, Sunday December 2, 1984.

Mulligan will also be the coach of the team, which will have members of the New Brunswick/P.E.I. universities playing against the top players from the Nova Scotia universities.

Steve Fulton, Darwin

McCutcheon and Rob Moffat are the defensemen from the Panthers who will be playing in the contest, while forwards Greg Gravel, Randy Muttart, Gordie Roche, Albert Roche and Ron Carragher will be the Panther forwards in the All-star showcase.

Tony Haloduck, who has the best goals against average among goaltenders in the AUAA with a 2.66 rating, will be playing goal along with St. Thomas goaltender Terry Wickham, who sports a 4.92 AVG.

Mulligan says that his team is the best on paper but says

anything can happen when 42 of the best players in the Atlantic University loop combine for one game.

Acadia University has placed six players on the East All-Star team, to be called the Schooners (by the sponsors Labatts/Oland's). As well, St. F.X. has five of their players in the line-up including Dave Purcell who is in third place in the scoring race behind league leading Greg Gravel and second place Randy Muttart of UPEI.

The N.B./P.E.I. team will be called the Exports and is certainly the favorite. Don

Wells of Acadia, Coach of the Schooners, says the game will have the best players in the AUAA and should be a very good contest.

He didn't say who the winner would be.

The game is an AUAA

event; that means students at UPEI will have to pay \$2.00 admission at the door.

Sweaters and socks will be supplied by the sponsors, as well as, the three stars-of-the-game awards.

Members of the P.E.I.

High School All-Star team will be the special guests of the AUAA at the game because this year there won't be a game among the top high school players in P.E.I. The organizers felt this would be a good way to honor them.

Hockey Panthers do it again

By Ross Hartinger

The University of Prince Edward Island Hockey Panthers continued their domination in Atlantic Universities Athletic Association last weekend, winning two games in Fredericton, New Brunswick and extending their regular season unbeaten streak to eleven games.

Friday night the Panthers defeated the St. Thomas Tommies 9-2, the third time the Panthers have beat the Tommies this year.

Greg Gravel, who leads all scorers in the AUAA with 20 goals this season, scored three goals for UPEI.

St. Thomas played one of their best games of the season and were leading the game after the first period 2-1.

Saturday afternoon, Ron Carragher scored three goals and one assist to pace UPEI to a hard-fought 8-5 victory over defending AUAA champs, University of New Brunswick Red Raiders.

Randy Muttart, Greg Gravel, Darwin McCutcheon, Gordie Roche and Todd Sutcliffe each scored one goal for UPEI, which led 3-2 after the first period and 6-4 after

the second period.

McCutcheon, Gordie and Albert Roche, Muttart, Ronnie Carragher, and Jeff Steffen are all in the top ten of scoring.

UPEI has outscored the opposition 96-30 and it appears they are heading for a conference title.

UPEI are highly offensive as the number of goals scored

indicate, and have a powerful defensive squad which includes goal tenders Dave Reid and Tony Haliduck (who have been alternating games since the start of the season).

The Panthers play this weekend against St. F.X., Friday night at 7:00 and Saturday at 7:00 p.m. at the Forum against the Saint Mary's Huskies.

Volleyball

by Tony Sauer

The U.P.E.I. lady volleyball Panthers lost their third and fourth matches of the season last weekend against Mt. A.

Even though the scores were 3-1 and 3-0, coach Donna Sears thinks they still should have won both matches. "We had some commanding leads, but we lack the concentration and experience to finish off the matches," said Sears.

"We have to overcome our inexperience. UPEI has not traditionally done well in volleyball and we are suf-

fering from a carry-over attitude.

"Seven of the twelve members are rookies and coach Sears thinks that inexperience in the mental aspect of the game might be hurting them. Yet rookie Anita Lagundziga had an outstanding weekend in her first real start with the team.

This probably indicates that the team has potential but needs only time to work out its inexperience troubles.

The Panthers play their next two games at home against Acadia, eight o'clock on Saturday and one o'clock on Sunday.

Women's basketball grab two

By Ross Hartinger

The University of Prince Edward Island Lady Panthers defeated Memorial University of Newfoundland twice last weekend, upping their regular season record to 3-0 in Atlantic Universities Athletic Association basketball at Alumni gymnasium.

Friday night the Lady Panthers coasted to 78-30 victory of MUN behind its fast break and superb defense along with the 22 points bucketed by UPEI's Sherry-dawn Jones.

Colleen Rossiter score 11 points and rookie standout Paula Edwards netted 9

points for UPEI.

MUN center Karen Cotter who hails from Saint John, New Brunswick was high scorer with 8 points.

Saturday, Memorial jumped out to an early 14-2 lead in the first half which surprised UPEI who had to make some quick defensive changes to reverse the deficit to a 37-23 halftime lead.

Memorial came out strong again in the second half and kept the score to within ten points for a good chunk of the game, but MUN got into foul trouble and two players fouled out of the game.

UPEI pressured some more defensively and UPEI's fast break, headed by Libby

Baldwin who scored 15 points, broke MUN's back.

Paula Edwards scored 15 points Saturday and Sherry-dawn Jones added 12 points.

Memorial has not won a game this year and is 0-4. The team is led mainly by Lorraine Hickey, who scored 14 points Saturday in the MUN cause, and Karen Cotter and Dianne Cashin, who blocked eight shots on the weekend.

UPEI plays two games on the road this weekend in Nova Scotia; against Saint Mary's University of Halifax, Friday night at 8:00 p.m., and in Antigonish, Saturday afternoon at 1:00 against Saint Francis Xavier.

SEX IS BEAUTIFUL. BUT IT SHOULDN'T INCLUDE UNPLEASANT SURPRISES.

VD is a difficult subject to discuss.

Especially between lovers.

Unfortunately, though, it isn't at all difficult to catch. Sometimes from partners who don't even suspect they have it.

No magic pill can protect you.

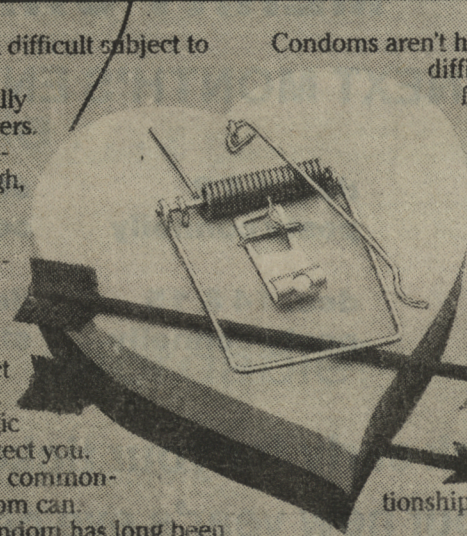

But the commonsense condom can.

The condom has long been recognized both as a reliable contraceptive and as the only really effective way to minimize the risk of spreading venereal infection.

Because when you use a condom (however thin and sensitive) both of you are protected.

Condoms aren't hard to find or difficult to buy. In fact, they're available without prescription at drug stores everywhere. So think it over.

And keep in mind that VD is the surest way in the world to bring a beautiful relationship to an ugly end.

THE COMMONSENSE CONDOM. BECAUSE SEX SHOULDN'T BE A WORRY.
