

Says Cutting Benefits Lowered Morale Of Canadian Troops Serving In Korea

OTTAWA (CP) — Clarie Gillis (CCF—Cape Breton 'South') said Monday that morale of Canadian troops in Korea has been lowered by elimination of re-establishment credits and other benefits for veterans. The government stopped such benefits July 27, 1953, date of the Korean armistice.

Mr. Gillis drew support for his stand in the Commons veterans affairs committee from Tom Goode (L—Burnaby-Richmond) who said: "It seems to me we are drawing the line entirely too fine."

Colin E. Bennett, parliamentary assistant to Veterans Minister Lapointe, said the government feels the benefits should apply only to men who served in combat or in a theatre of war operations. Troops serving in Germany now are on the same basis as those in Korea.

Mr. Gillis said there is big difference between the two theatres. Accommodation was 100 per cent better for troops in Germany and their families could join them. Men in Korea should continue to get the benefits, similar to those for Second World War veterans, until the situation in Korea changed.

READY TO FIGHT

Mr. Goode said the men in Korea are prepared to fight if they have to and should continue to receive the benefits which went to veterans of the Korean fighting.

Mr. Bennett said there is an uneasy situation throughout the world not only in Korea. It would be unfair for the men in Korea to receive more benefits than the men in Germany.

Mr. Gillis contended that servicemen in Korea had to make big sacrifices in leaving their families. Anything could happen in Korea at any time.

Maj-Gen. G. R. Peakes, VC (PC—Esquimalt-Saanich) said all Canada's soldiers now are regular force men and join up with the

understanding that they may be sent anywhere in the world. If fighting resumed in Korea, the benefits would be reinstated.

Mr. Gillis also said it is all wrong that veterans who enlisted before July, 1950, can't draw unemployment insurance benefits if they are out of work although veterans who joined up after that date can do so.

DELAYS REDUCED

He said there are months and months of delay before an out-of-work veteran receives unemployment insurance in cases where he is entitled to it.

G. H. Parliament, director-general of veterans' welfare services, admitted that there had been delays but said these now have been cut down.

Maj-Gen. E. L. M. Burns, deputy minister of veterans affairs, said unemployment insurance for veterans was established in 1950 to help recruiting for the special Korean force. Later, it was felt these same benefits should apply to men who joined the regular force but that no provision was made for those who enlisted before July, 1950.

"That's pretty hard to understand," Mr. Gillis said and the committee stood over the subject for further consideration.

Basic COFFEE CAKE Dough

Scald 2 cups milk. Remove from heat and cool to lukewarm. In the meantime, measure into a large bowl 1/2 cup lukewarm water, 2 teaspoons granulated sugar and stir until sugar is dissolved. Sprinkle with contents of 2 envelopes Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well. Stir in lukewarm milk and 4 well-beaten eggs. 1 teaspoon vanilla. Sift together twice 7 cups once-sifted bread flour, 1/2 cup granulated sugar, 1 tablespoon salt. Stir about 6 cups into the yeast mixture, beat until smooth and elastic. Work in remaining dry ingredients and 2 1/2 cups (about) once-sifted bread flour. Turn out on lightly-floured board and knead dough lightly until smooth and elastic. Place in a greased bowl and grease top of dough. Cover and set dough in a warm place, free from draught, and let rise until doubled in bulk. Turn out dough on lightly-floured board and knead lightly until smooth. Divide into 4 equal portions and finish as follows:

1. CINNAMON SQUARE Combine 1/2 cup granulated sugar and 1 tsp. cinnamon; sprinkle on board. Place one portion of dough on sugar mixture and roll into a 12-inch square; fold dough from back to front, then from left to right; repeat this rolling and folding twice, using a little flour on the board, if necessary; seal edges. Place in greased 8-inch square pan; press out to edges. Grease top. Cover and let rise until doubled. Cream 2 tbsps. butter or margarine, 1/2 cup granulated sugar and 1/4 tsp. cinnamon; mix in 1/4 cup broken walnuts and 1 tbsps. milk. Spread over risen dough. Bake at 350°, 30 to 35 mins.

2. APRICOT FIGURE EIGHT Combine 1/2 cup brown sugar, 1 tbsps. flour, 1/4 tsp. nutmeg and 1/4 cup finely-chopped nuts; mix out one portion of dough into a rectangle about 22 by 6 inches. Spread with 2 tbsps. soft butter or margarine; sprinkle with nut mixture. Fold dough lengthwise into 3 layers. Twist dough from end to end; form into figure 8 on greased pan. Grease top. Cover and let rise until doubled. Bake at 350°, about 30 mins. Fill crevices of hot figure 8 with thick apricot jam; spread other surfaces with white icing; sprinkle with nuts.

3. FRUIT COIL Knead into one portion of dough, 2 tbsps. grated orange rind, 1/2 cup raisins, 1/4 cup chopped nut and cup well-drained cut-up red and green maraschino cherries. Roll out dough, using the hands, into a rope about 30 inches long. Beginning in the centre of a greased deep 8-inch round pan, spiral rope loosely around and up edge of pan. Brush with 2 tbsps. melted butter or margarine; sprinkle with mixture of 1/4 cup granulated sugar and 1 tsp. cinnamon. Cover and let rise until doubled. Bake at 350°, 35 to 40 mins.

4. SUGARED JELLY BUNS Cut one portion of dough into 12 equal-sized pieces. Shape each piece into a smooth round ball; roll in melted butter or margarine, then in granulated sugar. Place, well apart, on greased pan; flatten slightly. Cover and let rise until doubled. Form an indentation in the top of each bun by twisting the handle of a knife in the top; fill with jelly. Cover and let rise 15 mins. longer. Bake at 350°, 15 to 18 mins.
