

Canadian Swimmers Expecting Records

By JIM CREAR
HAMILTON (CP)—The 50th annual Canadian swimming championships begin today at McMaster University's new indoor pool and a crop of newcomers is expected to clean up.

Missing will be such familiar figures as Dan Sherry of Hamilton, Dick Pound of Montreal and Mary Stewart of Vancouver, all retired from competitive swimming.

But officials believe they have the hottest crop of young splashes ever to come out of Canada.

The leads, led by Elaine Tanner, of Vancouver, will be shooting for berths on Canada's team going to the British Empire Games Aug. 4 to 13 in Jamaica.

The 15-year-old Miss Tanner is dubbed Mighty Mouse because of her size—five-foot-one—and because of her achievements. Ten days ago in Vancouver she shattered the world record for the women's 220-yard individual medley with a time of 2:33.3, three-tenths of a second better than the former mark.

She could also be in the running for four gold medals at the Games, spearheading a Canadian surge expected to give the favored Australians a tough battle.

Miss Tanner could wind up breaking as many as three Canadian records in Hamilton, the 220-yard individual medley, the 440-yard individual medley and the 220-yard butterfly. But she isn't the only Canadian threat.

Jane Hughes, also of Vancouver, is a good bet to shatter the Canadian mark in the 440-yard freestyle.

Other gold medal candidates from British Columbia include Ron Jacks and Marion Lay of Vancouver and Sandy Gilchrist and Ralph Hutton of Ocean Falls.

Expected to carry the banner for Eastern Canada to Jamaica is Louise Kennedy of London, Ont., a prospective medal winner in the 110-yard freestyle and 440-yard freestyle.

SELECT TEAM

Between 150 and 20 swimmers from across Canada will take part in the championships, which end Thursday night with the selection of Canada's Games team. Up to 25 could make the squad.

Ontario, with about 50 swimmers, and B.C., with more than 40, have the most competitors in Hamilton with Quebec and Alberta each expected to send about 25. Between 12 and 15 will come from the Maritimes with the rest coming from Manitoba and Saskatchewan.

The Games team will remain in Hamilton for two weeks of training under coach Ted Simpson of Vancouver.

Nick Thiery of Toronto, who helps rate swimmers in the British Commonwealth, says Canada can win eight gold medals in Jamaica. Miss Tanner in the 110 and 220 butterfly and 110 and 220 backstroke, Miss Lay in the 110 freestyle, Gilchrist in the 440 individual medley, Jacks in the 110 butterfly and one coming somewhere in the relay.

While Canada could dominate women's events, the Australians are expected to win most of the men's competitions with Bob Windle taking the 440 and the 1,650 freestyle, Peter Reynolds the 110 and 220 backstroke, Ian O'Brien the 110 and 220 breaststroke and Kevin Berry the 220 butterfly.

Heather Saville of Australia has an outside chance to win a gold medal in the women's 220-yard breaststroke and Australia will undoubtedly add golds in the relays.

KEEPING EYE ON BALL

Russian Shocks Americans By Withdrawal From Meet

MOSCOW (AP)—The Soviet Union in a sudden move Monday cancelled the annual track meet with the Americans in Los Angeles and the tour of the U.S. basketball team in Russia in protest against American participation in the Viet Nam war.

The cancellation was disclosed in a dispatch by Tass, the official Soviet news agency. It said that athletes of the track and basketball teams had met Monday and decided not to participate against the Americans this year. In a resolution, the athletes condemned American actions in Viet Nam.

The Russian men's and women's track team had been scheduled to leave Monday morning for the United States and the meet in Los Angeles, scheduled July 23-24. The American basketball team, which left for Europe Sunday night, was booked to play in other East European countries and then start an eight-game tour in Russia July 25.

An American men's and women's swimming team, now competing in Warsaw, is scheduled to compete in a five-country meet in Moscow, this weekend. This meet will go on as scheduled, Tass said.

In answer to a query, Tass said one Soviet-American contest was being cancelled. Still up in the air was the Poland-U.S. track meet at Berkeley, Calif., this Saturday and Sunday. American athletes have begun assembling at Berkeley.

POLES STUNNED

The Poles had been scheduled to leave for the U.S. by plane Wednesday. When the news of the Soviet withdrawal reached Warsaw, Polish officials were stunned.

When asked if the Poles would go to the United States an official of the Polish Track and Field Association said, "I have no comment at this time."

Neither the U.S. embassy in Moscow nor the state department in Washington had received official word from the Soviet government on the cancellations.

An embassy spokesman said it was seeking official confirmation of the Tass report.

In Washington, Robert J. McCloskey, the state department's press officer, told a news conference that the cancellation was "unfortunate" but not a violation of the March 19, 1966, cultural agreement between the two countries.

"It is unfortunate that the Soviets consider the field of sports as suitable to use as a political weapon," McCloskey said.

In New York, Capt. Steve Archer, secretary of the Amateur Athletic Union, which is in charge of the track, basketball and swimming teams, said: "I am shocked by the news. Our basketball team left last Sunday night, and now, of course, that is up in the air, too."

In Los Angeles, Stan Wright of Texas Southern, coach of the United States track team, said, "I am extremely disappointed. I'm sure the athletes will be disappointed."

In seven meets since 1958, the American men's track team defeated the Russians six times, losing only last year at Kiev in a shocking upset. The Russian women have won all seven.

This year the Americans had put together a powerful men's team that had been expected to beat the Russians.

Tass and later Moscow radio carried remarks made by the athletes at their meeting at the Moscow Chess Club criticizing U.S. action in Viet Nam.

Power Packed Nationals Favored Over Americans

ST. LOUIS (AP)—Strange as it may seem, Sandy Koufax will start his first all-star baseball game for the favored National League today against the American League's Denny McLain of Detroit.

The top pitching winners of each league will meet before an expected 50,000 fans at Busch Memorial Stadium. Game time is 2 p.m. EDT.

Although Koufax has broken strikeout records, pitched a perfect game, thrown four no-hitters and starred for Los Angeles Dodgers in World Series games, the left-hander's all-star work has been limited to three relief innings.

McLain, son-in-law of Lou Boudreau, former Cleveland great, and an organ teacher in the off season, will be making his first all-star appearance at the tender age of 22.

With a power-packed line-up that includes Willie Mays and Willie McCovey of San Francisco Giants, Hank Aaron and Joe Torre of Atlanta and Ron Santo of Chicago Cubs, the National League is a 7-5 favorite to widen its 18-17-1 edge in the series.

MAYS WILL LEAD

Manager Walter Alton of the Dodgers has chosen Mays to lead off for the Nationals for the fifth time.

"I'll probably use Juan Marichal (San Francisco) as my second pitcher," said Alton at a news conference.

Sam Mele of Minnesota Twins said he had made up his mind to go with McLain, top winner in the league with a 13-4 record and two one-hit games.

His other pitching selections will depend on how the game goes. But he noted that Cleveland's Gary Bell and Sonny Siebert and his own Jim Kaat are well rested and available. Alton has three relief pitchers on his eight-man staff.

The Nationals have Koufax and Bob Veale of Pittsburgh as left-handed starters and Billy McCool of Cincinnati for south-paw relief. Marichal and Gaylord Perry of San Francisco, and Jim Bunning of the Phillies are right-handed starters, with Claude Raymond of Houston and Phil Regan of the Dodgers for relief.

Mele has McLain, Bell, Siebert and Mel Stottlemyre of New York and Catfish Hunter of Kansas City as right-handers, with Kaat, Steve Barber of Baltimore and Pete Richert of Washington as lefties.

Each club is heavy with righthanded batting. McCulliffe and Oliva are the only lefthanded swingers in the American starting line-up against Koufax. McCovey and switch-hitting Jim Lefebvre of the Dodgers, the second base replacement for injured Joe Morgan of Houston, will swing lefthanded for the Nationals at the start.

Under the rules, all starters, except pitchers, must play at least the first three innings. No pitcher can go more than three innings the game goes into extra innings.

Legion Drops BTC Squad

Carl MacQuaid, coach of the Royal Canadian Legion Juniors of the Charlottetown Junior baseball team, pitched and batted his team to a 6-2 victory over the United Commercial Travellers last evening in a regular league game. MacQuaid allowed only four hits while striking out five batters and walking none. He also went two for three at the plate.

Young started for the losers but was replaced by Bill Weatherbie in the second and the latter was charged with the loss.

After a shaky start the Legion settled down and in the latter innings were well in control of the game. The Legion managed to get about five hits off Weatherbie but some shaky play behind the plate led to the greater part of his problems.

The next league game will be played at the Memorial Field diamond this evening.

Power Kings Beat Juniors

The Power Kings broke loose for seven runs in the first inning last evening and went on to whip the Fifth Signal Juniors 14-6 in a regularly scheduled Commercial League softball game last evening. Preacher Rowe led the victors on the mound as he struck out 11 batters and walked two. Gord Bourke started for the losers but was relieved by Smith in the sixth after having fanned six batters and walked two. The win gave the Power Kings third place position in the league.

Tom Monaghan and Norm MacLeod had perfect evenings at the plate for the winners as they hit 4-4 and 3-3 respectively. Les Affleck also had a good night as he was 3-4. Arsenault had a 3-3 night at the plate for the losers while three other players were three for four. The game was played at Queen Charlotte.

Shamrocks Whip Corran Bann

The BIS Shamrocks whipped the Corran Ban CeeBees, currently leading the City Softball League 20-7 last evening in a regular league game. Emmet Gallant went all the way on the mound for the winners allowing six hits, five walks and four strikeouts. Frank Bradley started for the losers and allowed eight runs before being replced by John Hughes who completed the game. The two allowed a total of 15 hits and allowed 11 bases on balls.

Harry Callaghan went 4-6 for the winners while Barry Turner swatted three hits in four times at the plate. For the losers the hits were well scattered and Huter to get two hits. The Shamie Morrison was the only bats who pulled off two double plays in the game.

The Juniors will tangle with the Dodgers in the regular City League softball action at Victoria Park tonight. Action is scheduled to get underway at 6:30. Vern Blighard, newly appointed coach of the Juniors' aggregation requests that all players be on the field at 6:15.

The Dodgers topped the Juniors 8-4 in their last outing, but the Juniors feel confident of a win tonight. Previous to their defeat at the hands of the Dodgers the Juniors pulled out wins over the BIS Shamrocks and the Beebees. The Juniors topped the Irishmen 3-2 and defeated the Ceebees 2-1 in a real cliffhanger.

MARITIME RACING

Torrid Action Highlights Summerside Race Action

SUMMERSIDE—When race classifier Laird "Boots" Frame announced over the weekend that he had some of the best horses in the Maritimes participating in race cards over the six-day Lobster Carnival here he wasn't fooling.

This was proved last night in the first card of the week as eight of the nine winners took new lifetime marks including one double winner lowering his mark in both trips.

Reggie's Best, the bay gelding owned by R. McNeill of Rustico and driven by Alyre Pineau, captured the sixth race of the night in 2:14.2 and in his second trip did twice around the oval in 2:14 flat.

On both occasions he lowered his mark.

The fastest mile of the night was stepped by a Charlottetown entry, Amy Thorpe owned by Bill Boyles of Charlottetown. The roan mare reined by Buddy Campbell, lowered her lifetime tab to 2:06.4 in the seventh dash of the evening in beating a field of five other horses to the wire. Going into last night's race the mare sported a mark of 2:09.2.

The first dash of this event was captured by Annan Gal in the record breaking time of 2:04.4. The 5 year-old brown mare is owned by the Simmons stables of Summerside and driven by Emmett "Cowboy" Bernard.

Other winners taking new marks were Doc Price, 2:13.1; Elroma, 2:11. In the second trip of this event, Adioyway Logan took a new mark of 2:10.2 while Run Away lowered her mark from 2:13 to 2:12.2.

The top combination pay of the night was the quinella on the sixth race which returned \$68.60 on a combination of Reggie's Best and Lorna Price.

The double on race 1 and 2 paid \$40.80. The exactor on the 4th, \$30.80 and the exactor on the ninth, \$13.00.

The highest single pay of the night came in the second race when Elroma paid \$22.10 to win.

Potatoes are for cookin'—not for cullin'

DITHANE M-45 controls early and late blights—the most serious threats to quality and productivity in potatoes. DITHANE M-45 is unlike any other potato fungicide you can buy. Its unique, new formulation combines zinc, manganese and di-thiocarbamates into one powerful blight fighter. This superior fungicide is effective under severe conditions such as high humidity caused by the weather or by irrigation. DITHANE M-45 protects foliage tenaciously, an ability of critical importance if rainy weather should delay your spray program.

Ask your dealer for DITHANE M-45. It is tough on blight fungi but gentle on foliage. Use DITHANE M-45 on your potatoes all season and get the best available blight control fungicide on the market today.
