

P.E.I. Motor Club Puts On Third Event In Month

The P.E.I. Motor Sport Club is putting on its third event within the month of October, thus rising to a peak of activity in the short time remaining during which we can expect reasonably good weather. Having put on a "beginners" rally at the beginning of the month (which incidentally attracted seven newcomers to the sport), and a "Gymkhana" (driving tests) in Summerside, on October 16th, the Club is putting on one of its major events this coming Sunday, October 30th. The coming event will be called the "Fall Exploration Rally".

It is to be called the Second annual Fall Exploration Rally, but is really a combination of two rallies that were held about this time last year, before the formation of the P.E.I. Motor Sport Club. These two events last year were well attended, and participants in those events will no doubt want to sample this year's rally, which promises to be one of the best held so far.

The rally will run all day on the coming Sunday, with Registration beginning at 9:15 a.m. at the Crapaud Curling Club. Before starting, cars will be checked for safety, such things as brakes, tires, stop lights, windshield wipers etc. being examined, and no cars will be permitted to take part unless equipped with seat belts. The organizers will also examine certificates of insurance, registration permits, drivers licences, and any drivers under 21 years of age will be required to produce a letter of parental consent.

At 10:30 a.m. the first car will

be allowed to start, the others following at one minute intervals. Only at the start line will the anxious navigators be given details of the first part of the route to be followed, and as they drive away they will be starting their calculations of what route to follow and at what speed. As they find their way along the route they will come across various "checkpoints" at which speed they are on their way. (Perhaps "speed" is a wrong word—average speeds required are always well below the legal limit.) Being at these checkpoints at the precise required time is the secret of success in a rally.

Competitors will be travelling mainly on what the organizers call "improved dirt" roads; but having been on a few rallies the writer (who will be competing) feels he is likely to find himself driving on some roads that have been improved since the Indians made them, but not much! About 40 per cent of the route will be on paved roads however.

About noon there is to be an hour's halt, for lunch and refueling at which competitors will be able to compare notes, drivers to moan to other drivers about the hopelessness of their navigators, and navigators will be heard complaining to each other about the stupidity of their drivers. Then, suitably refreshed, they will start the afternoon section of the rally with fresh hope. The rally will end in the Summerside area at about 6:00 p.m. quite likely at the Shell service station at Summerside East, which is becoming a favorite haunt for Motor Sport enthusiasts.

The organizers invite anyone interested to "come along and have a go." Any car will do and no special navigating equipment is necessary—just a clipboard, pencils, scrap paper, ruler marked in tenths, watch with a sweep second hand, etc. If you would like to find out more about the rally, or about the Club in general, please contact Harry Holman, Charlottetown 894-3559, or Alan Rodd, Summerside 436-5405.

Oh, by the way—there are handsome trophies to be won in next Sunday's event—one could end up in your living room!

Brule Ahead In Scoring

HALIFAX (CP) — Fullback Paul Brule of St. Francis Xavier X-Men, scoring 11 touchdowns in three games, has taken a 16-point lead in the individual scoring race in the Blue-rose Football Conference.

Brule, a speedy rookie from Ottawa, maintained his pace last Saturday with three touchdowns against University of New Brunswick Red Bombers to pull ahead of halfback Ted Purnell of St. Mary's Huskies, who scored two majors against Acadia Axemen.

Purnell has 50 points. He is followed by Danny Palof of UNB with 38 and Ross Stanley of Acadia with 36.

William Hudson Reins Winner

WESTBURY, N. Y. (CP) — Molly Brook Dean rallied gamely in the closing strides to win the \$35,814 New York sire stakes race for two-year-old fillies at Roosevelt Raceway Tuesday night.

Driver William Hudson guided Molly Brook Dean to a head triumph over Dios Treat. Tar Bella Finished third, a head back of Adios Treat. The time for the mile was 2:06 4/5.

The victory was the third straight for the bay filly who paid \$5.00, \$3.80 and \$3. Adios Treat returned \$11.80 and \$5, and Tar Della showed at \$3.

Aces Defeat Hershey 6-5

QUEBEC (CP) — Wayne Hicks' second goal, on a power play with less than four minutes remaining, gave Quebec Aces a 6-5 victory over Hershey Bears Tuesday night in an American Hockey League game.

Other Quebec scorers were Gord Labossiere, Bill Sutherland, Cleland Morrison and Jean-Guy Gendron.

The victory by Aces overshadowed a three-goal performance by Chuck Hamilton of Hershey, who scored once in each period. The other Hershey goals were added by Mike Nykoluk and Myron Stankiewicz.

Jap Breaks Own Record

TOKYO (AP)—Japan's Yoshinobu Miyake bettered his own world weightlifting record in the featherweight snatch event Tuesday with a lift of 273 pounds.

Miyake, the world featherweight weightlifting titleholder, had held the mark with a lift of 272 pounds.

Games Tourney At Summerside

The Prince Edward Island Volleyball Association has announced a Canadian Winter Games team selection tournament for Summerside on Nov. 4.

Girls and boys, born on or after Sept. 1, 1946, are eligible for the Junior class. The competition begins at 6 o'clock Friday evening, Nov. 4 in The Prince County Vocational School gymnasium.

The purpose of the tournament is to select all star teams in both girls and boys categories to represent Prince Edward Island at the first Canadian Winter Games in Quebec, Feb. 17, 18 and 19, 1967.

Entries will be received from teams or individual players. Individuals who enter will be placed on a team for competition. All players may be submitted to individual skill tests.

All entries must be submitted in writing to Charles Ballem, 7 Morrison Court, Summerside, by Nov. 1, 1966.

Fit-L. Gordon Montford has been appointed coach for both teams.

A selection committee will select 15 candidates for each team. Final selection will be made by the coach.

Which twin is Miss Rough Rider? Anne Marie (LEFT) and Hendrika Staenbakker had judges in the Miss Ottawa Rough Rider contest in a flurry Monday night as voting showed them both winners over 21 other contestants for the right to represent the capital in the annual Miss Grey Cup competition. A toss of the coin was needed to decide the issue and Hendrika, the blonde twin, won out. An Ottawa radio station has said it would pick up the tab to send Anne Marie to the game with her sister. Baseball Players Divide Their Winning Shares

NEW YORK (AP)—Winning the World Series in four straight years was worth \$11,683.04 to Baltimore Orioles regulars, short of a record, but each full share for the losing Los Angeles Dodgers was worth a record \$8,189.36.

The official distribution of receipts was announced Tuesday by commissioner William D. Eckert's office.

Although the total player pool of \$1,044,042.65 was a record, the generosity of the Orioles' who voted 34 full shares and cut in a total of 47 persons, cost them a record. Each full Oriole share was short by \$1,110.96 of the Dodgers' record of \$12,794.00 in their four-straight sweep over New York Yankees in 1963.

However, the Orioles' cut was the second best in history. The 1963 Dodgers voted 29 full shares.

The Dodgers topped the previous year for a loser—the \$7,874.32 by the Yanks in 1963. They split the pool among 55 persons.

Baltimore cut in ailing Dick Brown, the catcher who underwent brain surgery, for a full share, voted pitcher Frank Bertaina 82 per cent of a share, gave half shares to catchers Camilo Carreon and Larry Haney and quarter shares to the head groundskeeper and his crew.

Los Angeles gave a half share of \$4,094.67 to infielder Dick Schofield, who was acquired from the Yanks Sept. 11 and was not eligible for the Series.

First baseman Dick Stuart, picked up as a free agent July 5 after he was cut by New York Mets, and outfielder Jim Bar-

Four Way Battle Seen For Eisenhower Golf Trophy

By WILL GRIMSLEY

MEXICO CITY (AP) — A tight four-team battle among Britain, Canada, South Africa and the United States is expected in the fifth Eisenhower Trophy golf matches, starting Thursday.

Mexico is a respected dark horse.

Irish Joe Carr, non-playing captain of the British forces who beat out Canada by two strokes two years ago in Rome, said Tuesday he figured the Americans to be the team to beat.

"Deane Beman is playing phenomenally," Carr said.

Beman, 28-year-old two-time U.S. amateur champion from Bethesda, Md., playing with a putter he forged himself, started with two practice rounds of 67 and 70 over the 7,125-yard, par 72 Club de Golf Mexico.

South Africa's 18-year-old Bobby Cole, the British amateur titleholder, has had rounds of 74 and 73 and is happy with his game.

COWAN LEADS CANADIANS

Gary Cowan of Canada, who beat Beman in a playoff for the U.S. amateur title this year, derided emphasis on practice scores.

"It only counts when you tee up the ball Thursday," the Kitchener, Ont., golfer said. "I'm not worried about how anybody is playing before that."

Twenty-nine countries have sent four-man teams to the event, a 72-hole medal competition in which only the three best scores daily count.

Besides Cowan the other members of the Canadian team are Keith Alexander and Doug Silverberg, both of Calgary, and Nick Westlock of Burlington, Ont.

The British team has

Owners Expect Another Victory

NEW YORK (AP) — Romeo Hanover, winner of 17 straight races after losing his 1966 debut, was made the 4-to-1 choice Tuesday to take Saturday's \$169,885 Messenger Stakes at Roosevelt Raceway and complete a sweep of the Triple Crown for three-year-old pacers.

Only Adios Butler (1959) and Bret Hanover (1965) have won the coveted Triple Crown, which also includes the Cane Pace and the Little Brown Jug.

Romeo Hanover, who cost \$3,500 as a yearling and has won almost \$300,000, drew the No. 2 post position Tuesday. Romeo will be driven by George Sholtz.

Seven will oppose Romeo in the one-mile race with Overcall, driven by John Patterson, and True Duane, made a supplementary entry at the cost \$15,000, picked as the ones most likely to upset the favorite.

True Duane will be handled by Chris Boring and start from No. 7. Richard Olfield's colt recently scorched two miles in 1:56 4/5 and 1:57 2/5 for a two-heat world record in downing Overcall at Lexington, Ky.

Mrs. Helen R. Buck's Overcall, who'll start from No. 4, forced Romeo Hanover to go all out last Friday before winning the Hanover Colt Stakes at Liberty Bell.

Senior Boys Soccer Playoffs Scheduled

SUMMERSIDE — Semi-finals in Zone Two of the Senior Boys Soccer Playdowns begin Thursday afternoon when Prince County Vocational School meets Athena, and Kinkora goes against Kensington.

In the only senior game played yesterday, the Vocational School tied with Summerside High, 2-2, to end the season's play.

Athena topped the standings with four wins in as many games for eight points. Kensington were second with three wins and a loss for six points. Prince County Vocational School won one, lost two, and tied one for three points, while Kinkora had a win and three losses for two points. Summerside High were out of the playoff picture, with a tie for their only point in four starts.

The finals are scheduled in the senior bracket on Saturday and Monday, with the winner of the total-goal round advancing to play the winner of Zone One (Western Prince).

Athena's 2-0 win yesterday in intermediate soccer play boosted that team into a first-place tie with Kensington in final zone one intermediate standings. The losers, Summerside High, ended up in third as a result.

Sudden-death semi-finals are scheduled today when Summerside High plays at Kensington and Prince County Vocational School plays at Athena Regional High. Sudden-death finals will match today's winners on Tuesday of next week.

Kensington had a win and two ties for four points, while Athena had their four points on the strength of two wins. They lost one game. Summerside had a win, loss, and tie for three points, and Prince County Vocational School picked up a point on a tie game. They lost twice.

Coin Does What Judges Can't

OTTAWA (CP) — A flipped coin has decided which of two beautiful twins will represent Ottawa Rough Riders at the Grey Cup football pageant in Vancouver Nov. 26.

Five judges found themselves unable to choose Monday night between blonde, blue-eyed Hendrika Staenbakker, 20, and her sister Anna Marie.

"Send them both," cried spectators but the judges decided on a coin toss.

It came down tails, the side called for Hendrika. She thus became Miss Ottawa Rough Rider.

"It was almost the same as winning it myself," said Anna Marie happily.

The sisters were chosen from among 22 contestants, all members of the Riderettes half-time dance troupe.

Hendrika, who is five-foot-five and weighs 115 pounds, works at a trust company and has a boy friend.

BOXING

OSAKA, Japan (AP) — Masahiko (Fighting) Harada of Japan, the world bantamweight champion, scored a unanimous decision over Antonio Herrera of Columbia in a non-title 12-round fight Tuesday night.

Harada, staggered in the third round, rallied and floored his opponent for the mandatory eight count in the seventh round.

The champion weighed 124½ pounds while Herrera, rated fourth among the featherweights by the World Boxing Association, weighed 125.

LONDON (AP) — Billy Walker, 27-year-old British heavyweight, stopped Jose Menno of Argentina in the 10th round Tuesday night.

Montague Hockey Meeting Tonight

A minor hockey meeting will be held at Montague Elementary School tonight at 7:30 to form an association to govern minor hockey in the area for the coming season. Two previous meetings have already been called but due to the low attendance little has been accomplished. At the last meeting a nominating committee consisting of Stan Pearson Sr., Ralph Amear and Stan Pearson Jr., was appointed to bring in a slate of officers and tonight this slate of officers will be voted upon.

Bob Mills, chairman for the past few years, stated last night it is hoped all interested from the Montague and surrounding area will attend tonight's meeting. It is expected considerable expansion in the minor program will take place due to the opening of the new rink and considerable assistance will be required to carry out a proper program. Minor hockey in the area has been sponsored for the past few years by Montague Elementary School assisted by the Montague Recreation Commission.

Tonight's meeting will be chaired by Richard MacLean.

Maple Leafs Sign Frank Mahovlich

TORONTO (CP) — Frank Mahovlich was to play against Detroit Red Wings tonight after signing his 1966-67 contract Tuesday with Toronto Maple Leafs of the National Hockey League.

Mahovlich missed the Leafs first two games this season because he had refused to come to terms with the club. An agreement was reached Tuesday in talks with King Clancy, Leafs assistant general manager, who this year was signed by coach Punch Imlach to look after all contract negotiations.

The Big M is reported to have signed a one-year contract for a basic wage of \$35,000 plus bonus conditions that could enable him to earn about \$50,000 this season.

The high-scoring left winger had rejected an earlier offer of \$30,000.

Last year he completed a four-year contract with the Leafs, reported to be worth about \$100,000.

"I'm very happy to be back with the club," said Mahovlich when it was announced by Clancy that the negotiations had been successful.

And said Imlach, who also is the club's general manager: "I am happy he's signed. He's a big man on our hockey club." Clancy, asked who gave in, said that both sides gave ground — "a little here and a little there."

Patterson Fight May Be Off

FRANKFURT, Germany (AP) — Karl Mildenerger, European heavyweight boxing champion, said Tuesday he is seeking a month's postponement of his fight against Floyd Patterson that tentatively had been scheduled for Dec. 10.

Mildenerger said his physician suggested the postponement to give him more rest after his unsuccessful Sept. 10 bid to take the world title from Cassius Clay.

The German fighter, stopped in the 12th round by Clay, said he assumed now that he would face Patterson in mid-January, presumably in London. Frankfurt will be out as a site then because the city's largest indoor stadium is booked at that time by an ice skating show.

FLOYD PATTERSON

Newfoundland Canoe Team Gets Loan From Kingston

KINGSTON, Ont. (CP) — Newfoundland's planned entry in the Centennial Voyageur Canoe Pageant is off the ground — thanks to an energetic Queen's University graduate and a Kingston bank manager.

John Cushing Bothwell, 25, who now lives in Baie Verte, Nfld., arrived in Kingston Tuesday seeking a \$2,000 bank loan to help equip the Newfoundland team and received it Tuesday.

Why did Bothwell pick Kingston?

"Well, I worked quite closely with the bank during my stay at Queen's and I think that my financial interests are in Kingston. I received loans during my four years at Queen's. When I read the news stories on John coming to Kingston for a loan, I kind of figured he'd be coming here," said J. A. McLeod, Canadian Imperial Bank of Commerce branch manager. "He's a very good lad, and we did a lot of business together when he was going through university."

Bothwell, who graduated from Queen's in 1964 with a bachelor of science degree, had never seen Newfoundland until he left Kingston to join his parents who had moved there from Timmins.

ADOPTS PROVINCE

He has adopted Newfoundland and the canoe team.

"I first became interested in the project while listening to an interview on the radio. They mentioned that Newfoundland and Prince Edward Island were the only two provinces not entered.

The \$2,000 loan will be spent in Kingston. Bothwell is working on a deal to purchase a station wagon which will carry the 10 members of the team, plus a 25-foot canoe.

Each entry in the event receives \$15,000 from the Centennial Commission which will buy the canoe, provide wearing apparel, food and one vehicle for the crew.

Bothwell is to write a brief to the Newfoundland government, and if it is accepted, he is hoping for financial assistance from the government plus the job as commodore for the crew.

"If we get the backing and if I'm made commodore," said Bothwell, "I think we'll still need an extra \$5,000."

QCHS Wins Championship

SUMMERSIDE — Queen Charlotte High School of Charlottetown won the Provincial Intermediate Girls Field Hockey Championship here yesterday by blanking the Summerside high girls team, 2-0 in the round, 4-0.

The two-game total-goal round opened here last week, with the visitors victorious at that time by a similar 2-0 score.

Cathy Hogan, who scored both goals for Queen Charlotte in their victory a week ago, scored one of the two goals in yesterday's play, while Elizabeth Carrol picked up the other.

Next action for the Summerside team is a Maritime tourney in Truro, N.S. this Saturday.

HE'S SMILING AGAIN

Frank Mahovlich works in the garden of his Toronto home Tuesday after signing a contract with the Toronto Maple Leafs of the National Hockey League. Mahovlich had been holding out for a salary in the region of \$40,000. The signing was announced Tuesday after his meeting with general manager Punch Imlach, but no figures were disclosed.
