Large Flock Of Brant Reported In Kildare River

A large flock of Brant was reported on Thursday lying well off shore in the Kildare River near Alberton which is unusually early for their appearance in Prince Edward Island. Geese were seen several weeks ago and black and shell ducks are flying in steadily increasing numbers between Cascumpec Bay and open inland streams and ponds. Their early arrival and the prospect of a good Hungarian partridge season is very encouraging to the hunting fraternity.

The present vote to determine the most popular dates for the opening of the seasons on game birds is getting a good response in Western Prince County and a large number of interested sportsmen are expected to attend the annual meeting of the Prince County Fish and Game Association which takes place in Summerside tonight.

Y's Men Observe 17th Anniversary

The 17th anniversary of the Summerside Y's Men's Club was observed last evening at the Y Centre when the members enjoyed a most satisfying dinner which featured turkey donated by Y's Lowell Hancock, and prepared by the Y's Menettes.

The dinner, presided over by Y's Bill Currie who was the first president of the club when it was organized.

Following the banquet, various and interesting recollections of the club's history were described by several of the charter members of the Summerside club.

Attendance at the meeting was 100 per cent for the second consecutive week.

Song leaders were Lowell Hancock and John Leauty.—S.

Variety Show Is Repeated

In repeating the excellent variety show presented on Wednesday evening, the Trinity Mr. and Mrs. Club last evening again played to an audience that filled the Summerside High School auditorium.

The enthusiastic applause that acknowledged each performance signified the appreciation of the large audience for the fast moving, well balanced program.

The show was light and highly entertaining, with many mirthful moments that drew roars of laughter.

On the musical part of the program excellent vocal presentations were heard ranging through solos, duets, trios, octettes and choruses.—S.

SUMMERSIDE TRINITY EVENING AUXILIARY

The president, Mrs. J. F. Scott, occupied the chair at the April meeting of the Summerside Trinity Evening Auxiliary on Tuesday in the church parlor. Miss Mary Geldart was pianist.

The worship was conducted by Mrs. Allison MacLean and following the call to worship and prayer the hymn "O Lord of Land and Sea" was sung. The Scripture lesson in Matthew 28 was read by Mrs. W. E. Jenkins and prayer was offered by the leader. After the dedication of the April Thankoffering the hymn "When I Survey the Wondrous Cross" was sung. The study period on Korea was presented by Mrs. MacLean, assisted by Miss Jean Gordon, Mrs. Allen Jenkins and Mrs. William Roach. This wonderland of missions with its 30,000,000 people contained in its 85,000 square miles had 700,000 Christians before the war of 1950.

Mrs. John Hopkins read a letter from Miss Florence Murray, who related special instances of Korea's great need, not only of the necessities of life but also of Christian workers. In conclusion, Mrs. MacLean read an exceptionally interesting article entitled "One must respect Korean Culture" by James Misener.

The hymn "O Brother Man, Fold to Thy Head, Thy Brother" was read in unison. During the business session it was decided to ship a box of needy articles to Korea. Following the benediction, a social hour was enjoyed when refreshments were served by Mrs. Foster Dunning, Mrs. MacLean, Mrs. Harold Milligan and Mrs. Ross Armstrong.

HISTORY OF CATHOLIC MISSION OF ST. MARK

This mission was settled by Irish emigrants about the year 1823. Most of these settlers came from the counties of Wexford and Kerry; some of them emigrated first to Newfoundland, and after serving a few years in the fisheries there, crossed over to Prince Edward Island. Going from Charlottetown to Bedeque, they found employment in the shipyard of Hon. Joseph Pope, and after working there for some years, purchased land in Township Seven and removed to what is known as the mission of St. Mark.

For some years they formed part of old Cascumpec parish, and not until 1844 did they undertake the building of a church for themselves. In that year, chiefly owing to the exertions and perseverance of Messrs. Peter Doyle and William Howard, a small chapel was built in which the priest from Tignish would come to say Mass about four times a year. This church was forty feet in length by thirty in width.

In 1879 under the direction of Rev. Stanislaus Boudreau, then pastor of Cascumpec, a new church, seventy feet in length by forty in width, was commenced, which was completed in 1882 under the direction of Rev. Stephen Phelan. In the year 1879 Father Stephen Phelan built a parochial house which stands beside the

church, on high land overlooking the Gulf.

Old travellers, who have painful reminiscences of jogging over the Western Road of Prince Edward Island, long before that province could boast of a railway, had pleasant memories of restful sojourns at the home of Mr. Thomas Doyle, a native of Wexford, Ireland, and the pioneer settler of St. Mark's Mission. In Mr. Doyle's hospitable house the weary wayfarer always found a kindly welcome, enlivened by the wit and good humor of his genial and witty host, and all those who were so fortunate as to have partaken of Mr. Doyle's hospitality held his name in affectionate remembrance.

Upon the division of old Cascumpec parish in 1880, St. Mark's was conjointly with the mission of the Sacred Heart, Alberton, placed in charge of the Rev. Stephen Phelan, who celebrated Mass there upon every third Sunday.

lower which was "capped" and it remained in this condition until the summer of 1952, when the whole tower was taken down, and a beautiful new one was built. This greatly improved the appearance of the church.

The large bell now in the tower of St. Mark's, was purchased and installed in the year 1900, by Rev. A. E. Burke who was then pastor of Sacred Heart Church, Alberton, and had then charge of St. Mark's parish.

The mission church of St. Bernadette was built in the fruitful years of Rev. John A. MacDonald's pastorate. The opening of this church took place on Sunday, December 29th, 1929. Despite a raging snowstorm, the people assembled in large numbers to attend at the Holy Sacrifice of the Mass celebrated by the pastor, Rev. John A. MacDonald, and to witness the fruits of their labors.

In 1946, during the pastorate of Rev. Eric Robin, a large and beautiful sacristy was added to St. Bernadette's Church, thus increasing the room in the church itself. The church is well finished inside and outside, and is furnished with fourteen memorial Stations of the Cross.

The church bell at St. Bernadette's has an interesting history. It was taken by Mr. Thomas Doyle, brother of Mr. Peter Doyle, from a ship that had foundered off West Point. It was the first bell in the tower of St. Mark's Church and was presented to St. Bernadette's Church.

In 1938, St. Mark's Credit Union was established in St. Mark's parish. This was accomplished by Rev. Michael J. Francis who was the pastor at that time. It was through his great zeal for the advancement of his parishioners that he undertook the arduous task of educating the people in the principles of Credit Unions, and having accomplished this, he secured a Charter in due time and St. Mark's Credit Union was established. This Credit Union is now one of the oldest in the Province, but the inspiration and leadership that Father Francis gave it still remains, thanks to the self-sacrificing labors that the conscientious founder practised and exemplified in that and in all other undertakings while pastor of St. Mark's.

The annual lobster supper at St. Mark's is an event which always attracts a large number of people to Western Prince County. This event takes place in the month of August when many tourists and many former Prince County friends from abroad never fail to be in attendance at the gala affair to partake of the generous helpings of this delicious crustacean.

The parish registers of St. Mark's date from 1871. The first entry is the record of the baptism of Josephine Lucina Doyle, born on February 5, 1871, of the lawful marriage of Peter Doyle and Bridget Foley and baptized on February 12, 1871. There is no
