

THE DAILY EXAMINER.

APRIL 25, 1889.

Port Selkirk and China Point Piers

The news given in our telegram of last evening that items of \$1,000 and \$1,200 respectively, to repair the above piers, are contained in the Supplementary Estimates, will be gratifying to the people of the important sections of the County interested in these public works.

Notes and Comments.

Public opinion says that the Opposition must be pretty hard up when they make so much of a simple question about book-keeping.

The Montreal Gazette indicates that Mr. Colby will probably be promoted to a seat in the cabinet. Mr. Colby is one of the most brilliant men in Parliament.

The deposits in the Government Savings Bank in March amounted to \$255,651, and the withdrawals to \$346,925. The balance at the credit of depositors on March 31 was \$19,418,679.

Mr. L. H. Davies has been trying hard to convince the House of Commons that the Dominion Government should not build piers or wharves at places like Mount Stewart.

Residents of Long Creek and vicinity are agitating for a place of shelter at Shaw's Wharf in which passengers for the Southport may await the arrival of the steamer.

An old physician says there are two sins against the stomach which bring about a terrible running account, the full payment of which often ruins us.

The Gladstonian gain in Rochester is a crushing blow to the Unionist party; as the following comparison of their election returns shows:

Table with 3 columns: Year (1885, 1886, 1887), Conservative, Liberal. Rows show vote counts for each party.

Majority... (Con) 241 (Lib) 247 (Lib) 75. The significant lesson taught by these elections is that the Conservative party, when defeated, polled nearly as many votes as when victorious, while it is the advent of the new voters which has brought victory to the Gladstonians.

The hens and the milliners have been at their business preparing for Easter.

ANNIVERSARY SERVICE AND SERMON. The anniversary service was held in St. Peter's Church this afternoon at three o'clock. The congregation was large.

Dalhousie College.
