

Allie Reynolds Hurls No-Hitter Over Indians In Duel With Bob Feller

(By The Canadian Press)
Allie Reynolds of New York Yankee hurled the major league's third no-hitter of the season Thursday night to beat Cleveland Indians 1-0 in an American League pitching duel with Bob Feller.

The 32-year-old Reynolds walked only three men and retired the last 17 in order. Only one other man reached first. Bob Avila got there in the first frame on an error by Phil Rizzuto.

Gene Woodling's home run over the right field screen in the seventh inning broke up a scoreless duel between the ace right-handers. Woodling's game-winning blow was one of the four Yankee hits off Feller.

For Reynolds, who went to the Yanks from Cleveland four years ago, the win was his 10th against five defeats. It was the third time he has shut out the Indians this season. In 36 innings Cleveland has been able to get only two runs off his offerings this year.

Boston Red Sox took first place in the American League at least temporarily by dislodging Chicago White Sox 3-2 in the first game of a doubleheader. Elmer Valo provided the victory margin with two one-run homers as Philadelphia Athletics downed St. Louis Browns 9-7 in the first game of another American League doubleheader.

In the National League, Philadelphia Phillies spoiled Pittsburgh Pirates 11-8 on the strength of hitting by Ed Waskis and Gram Hamner and the steady hurling of Russ Meyer. Hamner hit his eighth home run. Del Wilber of the Phils and Dave Bell of the Pirates also hit for the circuit.

Junior Tennis Tourny To Open Today

First round play in the Charlottetown Junior Tennis Championships will get underway at the Holy Redeemer Tennis Club, located on Upper Queen Street, this morning when two matches in the boys' singles division will be played at 11 o'clock. One will be in the 15 years and under division and one in the 18 years and under.

The tournament is being conducted by Jimmy Palmer and Ted Strain, under the sanction of the Canadian Lawn Tennis Association.

Play was scheduled to start yesterday but had to be postponed on account of rain.

Twelve entries have been received for the competitions and matches will be continued on this afternoon and if the finalists haven't been decided by then, play will be resumed on Saturday.

The following is the draw for this morning's matches, with the second-round draw being posted at the clubhouse this afternoon:

11 A.M.—Boys' singles, under 15 years: Edgar MacDonald vs. Bert McQuaid. Boys' singles, under 18 years: Donnie LeClair vs. Pat McWade.

12 P.M.—Boys' singles, under 16 years: Harry Callaghan vs. Paul Murphy. Boys' singles, under 18 years: Allan MacDonald vs. Clifford Morgan.

1 P.M.—Boys' singles, under 15 years: Charles Smith vs. Pat McWade. Boys' singles, under 18 years: Roger Bell vs. Jack McDonald.

Shur-Gain Feed Manufacturers Ass'n Officers

Mr. Charles J. Fraser of Montague was elected president of the Shur-Gain Feed Manufacturers Association of Prince Edward Island at the annual meeting of the association held last night at Sandy's.

Mr. Andrew MacRae, formerly of Winoan, now on active service in Korea, was elected vice president and Mr. Frank Trainor, Kinkora, secretary treasurer. Mr. Wally Myer, Chief Nutritionist for Canada of Canada Packers was guest speaker. He was thanked by Mr. Patrick Morris, Kinkora.

Other speakers were Messrs. J. K. Leggett and Orin MacCallum, Saint John, N. B., Walter Wilson of Canada Packers, Charlottetown and Gordon Cook of Canada Packers, Kensington. It was noted that the only member missing from the meeting was Major Andrew MacRae, formerly of Winoan, now on active service in Korea.

Lamoureux To Go Into Business Here

Leo Lamoureux (above) manager-coach of the P. E. Islanders Hockey Club arrived in this city yesterday where he expects to go into business here as an associate with Mr. Roy McGillivray, branch manager of the Imperial Life Insurance Company in Charlottetown, as well as carrying on his duties as coach and manager of the Maritime Major "Big Four" Hockey League champions for the 1951-52 season.

In a brief interview with Leo last night, he said that he flew here from Montreal where he has spent the past four days scouting new hockey material for the coming season. Prior to that he had spent three days at Toronto on the same mission.

Replying to a question concerning what the Islanders will have in the way of hockey material this winter, coach Lamoureux said: "I have made a lot of good contacts, and although I don't want to make any strong advance predictions, I can tell you that we'll have a team that neither the Province or the league will be ashamed of. Everything has been very satisfactory so far," Leo added.

Mr. Lamoureux's 12-year-old son, Gerald, accompanied him to this Province and will enroll with one of the City schools this fall. Mrs. Lamoureux will join them the latter part of August.

Durrelle Wins TKO Over McCloskey

MONCTON, N. B., July 12 (CP)—Yvon Durrelle of Baie Ste. Anne, N. B., hammered out a six-round technical knockout over Coby McCloskey of Dartmouth, N.S., in the main bout of a boxing card here tonight.

Durrelle weighed 159 1/2 and McCloskey 165.

On instructions of the Boxing Commission physician the referee halted the fight after McCloskey broke his hand.

Ernie Durrelle, brother of Yvon, decided Austin Brown of Hogsden, N.S., in the six round semi-final.

Howard Leslie of Saint John stopped Lenzie Lesnie, Moncton, by a knockout in the first round after having the Moncton battler down for two nine counts.

Shur-Gain Feed Manufacturers Ass'n Officers

THE GUARDIAN, CHARLOTTETOWN

JULY 13, 1951

There are possibilities that a special exhibition baseball match will be played here next week between the Charlottetown Abbies and a representative team from the Summerside Town League, it was learned yesterday. Abegweit team officials stated that they are making arrangements now for such a clash and the visiting club will likely be the Summerside B. C. A. F. squad. It is understood that the airforce boys are anxious to get a game down here and the chances of the game coming off look pretty good at the moment.

In any event the Abbies will be prepared for it. They had planned earlier yesterday to turn out for a practice session tonight, but the postponement of last night's City League tilt between Stars and Anchors until tonight due to unfavourable weather conditions, has called for a slight change of plan, and will probably have to get in their session sometime over the week-end.

Not playing in any scheduled league, the Abbies are planning on having a number of exhibition tilts with other local and mainland teams as well. In their only appearance on the diamond so far this season, the Abbies split a doubleheader with the Memramcook Rovers during Festive Week. The New Brunswick club are anxious for a return engagement and have suggested this Sunday at Memramcook as the date, but as things stand at the moment, the local club will be unable to make the trip to the mainland this week-end. They are planning on making the trip, however, in the near future, if it is at all possible.

Jack Edgett, genial proprietor of the Barn Drive-In, who was receiving congratulations from his friends on the occasion of his birthday on Wednesday, was receiving additional congratulations yesterday for an entire reason.

He was the only holder of two tickets on Miss Commando when she pulled the upset of the night by winning the second dash of the 2:22 Pace during Wednesday's night racing card at the Exhibition track. The pari mutuel pay was \$171 per ticket which netted Jack a total of \$342. Mr. Edgett is celebrating his birthday at the racetrack.

It is understood that Mr. Edgett received some 100 phone calls from friends and acquaintances during yesterday offering their congratulations.

Local hockey fans and officials will be glad to learn that coach Leo Lamoureux is back in Charlottetown again. The Islanders capable and colorful mentor arrived in the City by plane yesterday morning from Montreal and expects to take up permanent residence here. His 12-year-old son, Gerald, accompanied him here and Mrs. Lamoureux is expected to join them later in the summer. They are residing at Mr. and Mrs. Fred MacMillan's on Richmond St. at present.

Leo "The Lion" as he was known when an all-star defenceman with Montreal Canadiens, said last night he didn't want to make any advance predictions but "we'll have a team that neither the Province or league will be ashamed of." He also stated that he has spent the past four days at Montreal as a headquarter for scouting talent for next season, and had also been at Toronto for three days before that, contacting prospects for the coming season. "I have made a lot of contacts," stated Leo, "and everything has been very satisfactory so far."

In regard to taking up permanent residence here, Leo expects to go into the insurance business as an associate of Mr. Roy McGillivray, branch manager of Imperial Life here. He has had a lot of experience in insurance work and as he said last night "if everything turns out well, it is quite possible that I will live here permanently, and in any event I will be here until the end of next hockey season anyway."

TRURO, N. S., July 12 (CP)—Kentville Wildcats turned on the power tonight to come from behind and defeat Truro Bearcats 7-4 in a regular game of the Halifax and District Senior Baseball League schedule. Although out-hit, Wildcats made their safeties long ones and in the clutch.

Peiping radio announced the Communist government regards the treaty as "a complete violation of international agreements on Szechwan."

Marciano Scores Sixth Round Kayo Over Layne

By JACK HAND
NEW YORK, July 12 (AP)—Rocky Marciano, slugging son of a Brockton, Mass., shoemaker, knocked out highly touted Rex Layne of Lewiston, Utah in 35 seconds of the sixth round tonight for his 36th straight sensational pro win. Layne weighed 193, Marciano 185 1/2.

A long right hand to the chin with delayed action effect chopped down the pink-skinned farm kid from the Utah sugar beet land. He hesitated for about two seconds and then crumpled to the floor like an elephant collapsing from a rifle shot.

Rocking toward the top of the heavyweight contenders, 26-year-old Marciano drew a tremendous cheer from the big throng at Madison Square Garden with his truly terrific knockout win.

An 11-to-5 underdog, swarthy Rocky flattened the big fellow for the first time in his 38-bout career. Only once had Layne been knocked off his feet in a regular bout although Joe Louis did it twice in an exhibition.

Gino Buonvino, 199, from Bari, Italy, won a split eight round decision over George Kaplan of Brooklyn, 193 1-2, in an action-packed semi-final.

Jack Nelson, 183 1-2, stalemated Rex Layne, from Salt Lake City, stopped Kevin Allen, 178 1-2, Paterson, N. J., in 2:41 of the fifth round of a six. Nelson had been knocked out by Allen at Chicago May 30.

The blond Utah laddie dumped Allen for a nine count in the fifth. He swarmed over the red-haired Jersey boy until referee Rudy Goldstein pried them apart and stopped the fight.

Hugh Alvarez, 190 1-2, outpointed Tony Espino, 190, New York in a four-rounder.

Charles Lester, 213, Cleveland, outboxed Keene Simmons, 201 1-2 Bayonne, N. J., in a six.

Local Jaycees July Meeting

The July meeting of the Charlottetown Junior Chamber of Commerce was held at the Rendezvous Restaurant last evening with President Fred Pound in the chair.

Reports were heard from the following committees: Ways and Means (Vern Hodgson), Membership (Ed Hodgson), Festive Week decorations (Brian Cadmore), Sanitorium Radio Fund (Ralph Dumont).

Jaycee Archie Johnstone, President of the Kensington Chamber was introduced as a special guest by Jaycee Windy LePage and spoke briefly on Chamber matters.

Reports of the success of the recent Maritime Convention were heard from General Chairman Jack Morris and President Fred Pound. A hearty vote of thanks was moved by Bob Younker and seconded by Ed Hodgson commending Jack on his work towards the Convention. Reports of the progress of various projects including placemats were heard from various members.

Windy LePage reported on the new Maritime executive which is composed as follows: Vice President: Jack Morris (P.E.I.), Art Cooke (N.S.), Stu Russell (N.B.); Secretary: Bob Younker; Treasurer: Fred Pound; Tourist Chairman: Art Wallace, (Moncton); Public Relations Chairman, Lyman Burnell, (Fairville, N.B.); Oratorical Chairman, Ron Rhymer (Dartmouth, N.S.); The Credential Chairman is Fred Pound of the Charlottetown Chamber.

President LePage also reported on the recent meeting of the Maritime Industrial Exposition committee at Amherst and urged the support of this project which is a Maritime Jaycee undertaking. New business included the formation of a committee to run this year's Lobster and Information Booth during Old Home Week. The committee will be chaired by Jaycee Walter Duffy with Ignatius MacDonald as co-chairman.

Heavy Entry List Expected In N. B., P.E.I. Tourney

SAINT JOHN, N. B., July 12 (CP)—A record or near record number of entries, with possibly five amateur divisions, is expected for the annual New Brunswick and Prince Edward Island Golf Association championships at the Riverside Golf and Country Club next Tuesday, Wednesday and Thursday.

Defending champions will be B. W. Ben Isner, Moncton, among the amateurs, and Don Sinclair, Riverside, professional and open. Junior and inter-club honors also will be at stake. The professional title will be decided in 72 holes and all others in 54.

Syracuse at Springfield, postponed, rain.	

Enough about rules and umpires. The local club is holding a meeting sometime soon to decide whether to hang us in effigy or just ignore our remarks about about them. To change the subject, Gord MacKay is still president of the 300 club, with his team-mate, "Dutch" Underwood, edging out Alan Stewart for the vice-presidency.

Members have joined: Paul Schurman with a 333, Coke Grady with 309 and Don MacKenzie got his foot in the door with a bare 300. Stan Richard didn't keep his dues paid up and has been dropped from the club. He may be back, of course.

Young Gerard Dalton is developing into one of the best outfielders in Summerside baseball. He covers a lot of territory and has been committing grand larceny on batters' bids for hits with amazing regularity. Unfortunately Gerard is a bit weak at the plate, his current batting average being .180 and while infielders can sometimes get by with a meagre clouting, outfielders who ordinarily do not make many defensive plays per game must help to earn their keep with the old bludgeon.

Young Dalton is comparatively inexperienced and facing tough pitching, however, so there is still hope he may develop into a hitter. If he does, he will be among the best outer pasture guardians in these parts.

Donnie Simmons is the workhorse of the Curran & Briggs Junior pitching staff this year. The team has won four games and Donnie gets credit for all four victories. Of the five defeats Donnie lost one, Bob LeFurget lost two, and Alan Stewart was beaten in two. Stewart is no longer with the team, but Coke Grady can be depended on to take his turn if he is needed, and rumor has it that "Chick" Whalen is planning to start Ed Dalton as a flinger any day now. Ed has a good throwing arm and may blossom into quite some pitcher when he gets a little more experience.

LIVERPOOL, N. S., July 12 (CP)—Liverpool Larrupers, battling to climb out of the Halifax and District Senior Baseball League lower regions, downed Halifax Capitals 7-4 tonight.

Mr. Maynew emphasized the meaning of adherence to relations as he stepped off the train in Moncton to fulfill an engagement to officially open the 1951 Shediac lobster festival. He re-emphasized it at a meeting with Kent and Westmorland County fishermen in Shediac last night.

He said the department is putting in all its available strength into protecting the lobster industry and added, "fishermen and the department working together can protect the lobster so your sons and grandsons can have a future."

Conservation is the only way to protect the crustacean, he told the fishermen at the meeting arranged by town and provincial officials to permit the fishermen to air grievances and express ideas. He pointed to experiments in lobster hatcheries carried out some years ago in Canada which failed to produce the desired effect. The young lobsters failed to mature. Hon. Mr. Maynew said.

Sport Echoes From Prince County

It gives us great pleasure to take the side of a Summerside umpire, believe it or not. (At least one local arbiter will not.) With Jack Schurman behind the plate in the C. & B.R.C.A.F. game Wednesday, a batter (we can't even remember what team he played for), tagged a ball that hit just inside the third base line and bounced. While in the air over foul territory the third baseman caught it. Schurman ruled it foul and while there was no dispute on the field, we "hot stovers" who second-guess the ump's had a mild argument on the ruling. Schurman was right according to rule 38 which reads in part: "A foul hit is a legally batted ball that, etc. - or while on or over (please note the "over") foul ground touches the person of the umpire or a player, etc."

We were inclined to disagree with another ruling by a base judge the same day. We know this is heresy but we'll concede that the judge may have seen it differently as regards timing (he was much closer) and that the interpretation we are thinking of did not enter into it at all. The way we saw it, while runner was nearing first base, ball landed in first baseman's mitt. He juggled ball until runner had crossed base, but did not drop the ball. As we stated above, the base judge may have ruled that the juggling was all over before runner reached first, but assuming that the base judge saw it as we did, how would you have ruled it, you second-guessing sports fans? Rule 40, sec. 5 says: "A base runner is out if after three strikes or a fair hit the ball be securely (not that "securely") held by a fielder while touching first base with any part of his person before such runner touch first base."

Enough about rules and umpires. The local club is holding a meeting sometime soon to decide whether to hang us in effigy or just ignore our remarks about about them. To change the subject, Gord MacKay is still president of the 300 club, with his team-mate, "Dutch" Underwood, edging out Alan Stewart for the vice-presidency.

Members have joined: Paul Schurman with a 333, Coke Grady with 309 and Don MacKenzie got his foot in the door with a bare 300. Stan Richard didn't keep his dues paid up and has been dropped from the club. He may be back, of course.

Young Gerard Dalton is developing into one of the best outfielders in Summerside baseball. He covers a lot of territory and has been committing grand larceny on batters' bids for hits with amazing regularity. Unfortunately Gerard is a bit weak at the plate, his current batting average being .180 and while infielders can sometimes get by with a meagre clouting, outfielders who ordinarily do not make many defensive plays per game must help to earn their keep with the old bludgeon.

Young Dalton is comparatively inexperienced and facing tough pitching, however, so there is still hope he may develop into a hitter. If he does, he will be among the best outer pasture guardians in these parts.

Donnie Simmons is the workhorse of the Curran & Briggs Junior pitching staff this year. The team has won four games and Donnie gets credit for all four victories. Stewart is no longer with the team, but Coke Grady can be depended on to take his turn if he is needed, and rumor has it that "Chick" Whalen is planning to start Ed Dalton as a flinger any day now. Ed has a good throwing arm and may blossom into quite some pitcher when he gets a little more experience.

LIVERPOOL, N. S., July 12 (CP)—Liverpool Larrupers, battling to climb out of the Halifax and District Senior Baseball League lower regions, downed Halifax Capitals 7-4 tonight.

Mr. Maynew emphasized the meaning of adherence to relations as he stepped off the train in Moncton to fulfill an engagement to officially open the 1951 Shediac lobster festival. He re-emphasized it at a meeting with Kent and Westmorland County fishermen in Shediac last night.

He said the department is putting in all its available strength into protecting the lobster industry and added, "fishermen and the department working together can protect the lobster so your sons and grandsons can have a future."

Conservation is the only way to protect the crustacean, he told the fishermen at the meeting arranged by town and provincial officials to permit the fishermen to air grievances and express ideas. He pointed to experiments in lobster hatcheries carried out some years ago in Canada which failed to produce the desired effect. The young lobsters failed to mature. Hon. Mr. Maynew said.

"Catching of small lobsters is a crime against Canada and our own people," he added.

Charles-Walcott Fight Gets \$100,000 TV Boost

PITTSBURGH, July 12 (AP)—A group of television manufacturers today tossed \$100,000 into the jackpot for the heavyweight championship fight here next Wednesday between champion Ezzard Charles and Jersey Joe Walcott.

That, combined with reports that \$60,000 already is in the till for the outdoor, 15-round scrap at Forbes Field, promptly brought this speculation from the Walcott camp at nearby McKeesport.

"We'll do a \$300,000 gross business with any kind of a break in the weather." At Ligonier, Pa., where Charles went through his preliminary physical examination with flying colors, there was the same enthusiasm. Jake Mintz, co-manager of Charles, declared: "That \$100,000 is just what we wanted."

The television deal was negotiated in New York by Jim Norris, president of the International Boxing Club who said the Dumont television network has purchased the radio and television rights for \$100,000.

Charles underwent a stiff physical examination at the hands of Dr. James Flynn, Pennsylvania Athletic Commission physician. Referring to a heart condition which sidelined Charles more than a year ago, Dr. Flynn looked at the champion and said: "Anybody who says you have a weak heart has a figment of the imagination. You're in excellent shape and have fine co-ordination of the hands."

Handlers said Walcott is "really in top shape—and he knows that is undoubtedly his last crack at the title."

Walcott has fought former champion Joe Louis twice and Charles twice. He's bitter over losing at least two of the decisions.

Tomorrow he gets his pre-fight physical before beginning to taper off for next week's bout.

Odds Against Return Turpin-Robinson Bout Being Held In London

(By Ben Phleger)
LONDON, July 12 (AP)—Promoter Jack Solomons, making a last-ditch stand to stage a return bout between Rarly Turpin and Sugar Ray Robinson in Britain, admitted today the odds were heavily against him.

"I would say now that there is only one chance in five of my being able to hold the bout here," Solomons said after a three-hour discussion with representatives of New York International Boxing Club.

Truman Gibson of Chicago, negotiating for the commission, said his club holds a contract signed by managers of both middleweights calling for a return in New York on Sept. 26. The fight may be held earlier in the month, however.

"Solomons, however, has obtained permission from the managers to see if he can make a better offer," Gibson said.

"He is interested in the fighters getting the most money possible. But he admits that he does not see how it will be possible to offer more than New York where we can add receipts from sponsored radio and sponsored television."

British radio and television are unresponsive.

Solomons said his no. 1 need is an outdoor arena where he could seat at least 75,000 fans.

Normally uses the White City Stadium, a London dog track, where city regulations covering entrances and exits limit the crowd to 50,000.

"I am applying for permission to seat 75,000 at the White City," Solomons said.

Wembley Stadium, scene of the 1948 Olympic Games, can seat more than 100,000, but its owners do not favor professional boxing.

Solomons said he had been offered the use of Aintree Race Course at Liverpool, where upwards of 500,000 watch the Grand National Steeplechase each spring.

It was learned that although Solomons was pursuing every possibility of keeping the fight here, he has made advance reservations for New York for Sept. 8 for several people—including himself.

Postponed Ball Game Here Tonight

The City Baseball League clash between East End Stars and West End Anchors, postponed last evening because of rain, will be played this evening at Memorial Field commencing at 5:30.

The game will be the last in the first section of scheduled play and the third and fourth place standings will hinge on its result.

A win for the Anchors will consolidate sole possession for third spot, while a victory for Stars, with trail by one game, can end the section with a tie position for third place with their opponents tonight.

League officials stated last night that they would like to have all players out at the diamond in time to get the game away at 5:30 sharp so that a full nine innings may be run off before darkness sets in.

Ev. MacNeill, Leo Doyle and Ev. Toombs will be the umpires for tonight's game.

SARATOGA SPRINGS, N. Y. July 12 (AP)—Tonight's Grand Circuit program, featuring the \$5,000 Chatham free-for-all trot and the \$5,000 Utica three-year-old pace, was postponed because of rain.
