**ATTENTION**

**Potato Growers And Operators Of Potato Machinery**  
 All potato growers and operators of potato machinery are reminded of the amendment to the "Plant Disease Eradication Act" which has reference to the disinfecting of potato machinery and the registering annually of operators of such machines.

All farmers, or others, who operate Potato Planters, Set Cutters, and other equipment used in the handling of potatoes on more than their own farms, must apply immediately to the Provincial Department of Agriculture, Box 2000, Charlottetown, for a license and enclose the license fee of fifty cents (\$0.50). When application for a license is received a record book will be forwarded to the operator and a receipt of the record book will be evidence that the operator has registered. Operators of custom machines should contact the Seed Potato Inspector in their respective areas, or the Prince Edward Island Department of Agriculture, for instructions in the proper method of disinfecting their machines.

**REMEMBER TO TREAT YOUR SEED BEFORE CUTTING. THIS WILL ASSIST IN COUNTERACTING FUSARIUM ROT INFECTION AND OTHER DISEASES.**
