

Lions And City Win City League Softball Games

The City Slickers defeated the Bike Shop Wheelers 12-8 and the Parkdale Lions edged the Keefe Drug 17-16 in City League softball games yesterday evening. The L.Y.C. Legion game was postponed until Sunday.

The City scored four runs in the last inning to defeat the Wheelers. Two walks, an error and a double by Justice Williams provided the Slickers with their winning runs.

Dick Doyle started on the mound for the City and pitched good ball until he retired in the sixth inning with the City ahead 6-7. Sonny Stull took over in the seventh and gave up one hit and one run in the last two innings to earn the victory.

The Wheelers used Reggie Hughes of Cardigan for the first six innings. Hughes pitched well allowing eight hits and striking out 11 batters. He was lifted for a pinch hitter in the seventh and coach Wally Shephard finished the game. Shephard was charged with the loss.

Lester Taylor of the Wheelers homered in the third inning. Elmer MacNeil of the Wheelers produced a triple in the third but was thrown out at the plate. Glen Matheson, Maurice Williams, Sonny Stull, George Scantlebury and John MacAuley each had two hits for the City while Lester Taylor had one and MacNeil had two hits for the Wheelers.

Maurice Williams and George Scantlebury made the outstanding fielding plays of the game. Williams made a nice grab of a low liner at short while Scantlebury made two good running catches in the outfield.

The Parkdale Lions moved out of last place in the League standings with their close win over Keefe Drug. Spud Chandler pitched for the Lions and allowed 10 hits while Don MacDonald hurled for Keefe Drug and gave up 11 hits.

Gordie Coult of the Keefeers had the longest hit of the game, a triple. Louis Gallant of the Lions hit two doubles while Orin Carver hit a double and single. Chandler had two singles and Merle Longphore a double.

The umpires were Earl Goss and Walter Constable. Lions—Jackson 3b, A. Arsenault c, K. Dalziel rf, L. Gaudet 2b, M. Longphore lf, F. Shephard ss, A. MacDonald cf, G. Carver if, S. Chandler p. L. Sees Revival In Local Tennis

"The large number of Junior and beginners playing tennis at the Charlottetown Tennis Courts indicates the biggest revival in tennis here in a number of years," it was stated yesterday by Paul Kays, Acting-President of the Charlottetown Courts.

The first tea of the year is being held at the City Courts this afternoon. Misses Barbara Rogers and Allie McLeod are the members of the Team Committee.

The first tea of the year is being held at the City Courts this afternoon. Misses Barbara Rogers and Allie McLeod are the members of the Team Committee.

Courts one, two and three are in use and in very good condition. Courts four and five will be in use within a week and court six will be put into shape the following week.

Attempts will be made to bring in tennis films of interest to both beginners and more advanced players during the summer.

Mark MacGulgan is chairman of the Membership Committee and anyone interested in playing should contact him. The advent of Daylight Saving Time will enable practically everyone to play on weekdays.

The membership fees for new players are as follows: Men—\$10.00; Ladies—\$5.00; Intermediates (students 15-17 years) boys—\$5.00; girls—\$3.00; Juniors—\$2.00; married couples—\$12.00.

OTTAWA (CP)—The recent Canadian International Trade Fair in Toronto didn't indicate a change in trade trends, Trade Minister, Howe said Thursday in the Commons. The trade pattern was similar to last year's, with about 2 per cent Canadian exhibitors and 48 per cent foreign.

DOWN THE BACK STRETCH

The Earle Semple stable arrived at the Charlottetown track last Tuesday night and some of the horses were worked out on Wednesday. One that particularly took the notice of the horsemen was Dean Gallon 3, 2:11 that was a member of the John Simpson stable at Roosevelt Raceway in 1952 and in those training miles as a 2-year-old trotted better than 2:20. When Simpson took the contract to drive exclusively for Hanover Shoe Farms, some of the horses he had in training were disposed of by their owners and one of these, Dean Gallon, was purchased by Earle Semple, Kensington. The following year he started in 13 races mostly through the State of Maine, was 10 times first and once third, winning \$1,656 and with allowances for a 2-year-old was eligible in the following year to the 2:24 class. He did not race in 1953.

Laurel Chief 2:14 1/5 is an 8-year-old pacer by Chief Abbeduto 2:00, that has been a good winner through the State of Maine and last year raced locally and at Blue Bonnets. He started 16 times, was 4 times first, twice second and once third and his total winnings are \$1,464, which makes him eligible to the 2:35 class. Royal Budlong 2:15 2/5 is

eight years old, by Calumet Budlong 2:02 3/4. He is eligible to any class, is a double-digit horse and took his record on the trot now on the pace. Guy Long 2:3 1/5 is an 11-year-old trotter by Long Key 2:00. He raced locally and at Blue Bonnets last year and was four times first and is eligible to the 2:1 class. Sandra P. is a green pacer that shows considerable promise and is eligible to any class. Jolly Jess is a 2-year-old pacer by Jolity 2:05 1/4 and her dam is Jessica Direct 2nd, that may well remember as taking a record of 2:08 3/5 over the Charlottetown track some years ago. The final member of Earle's string is the 12-year-old double-gaited Mary Meek, that has a record of 2:08 2/5 on the trot and 2:08 3/5 on the pace. Her sire is Long Key 2:00. Last year she campaigned as a trotter and out of 14 starts on local tracks and at Blue Bonnets was 5 times first and twice third. Her earnings as a trotter total \$6,772 and she is eligible to the 2:17 class.

Expected in within the next few days by Earle are three from the Jim O'Brien stable, the 4-year-old pacer Jerry's Nightmare 3, 2:09, holder of the Maritime record for 3-year-old pacers made at Char-

Rocky And Charles May Fight Again In September

NEW YORK (AP)—Plans for a September rematch between heavyweight champion Rocky Marciano and Ezzard Charles began to take shape Friday after New York State Athletic Commission physicians found that the battered Charles escaped serious injury in his courageous title bid against Marciano Thursday night.

Charles quickly dispelled any thoughts that he wouldn't be ready. "I know I'll be right in 10 days," he said through puffed lips. His face still was swollen from the Rock's heavy blows and he wore a patch of tape above his right eye.

The champ, too, was scarred by the furious 15-round battle at Yankee stadium. Dr. Vincent Nardiello of the commission scraped out old scar tissue and put 10 stitches in a deep gash over his left eye.

CHARLES CHEERFUL
Charles was found "entirely rational, cheerful and in no pain," by commission doctors. Careful examination of the throat region revealed Charles had recovered from an injury to the larynx received sometime between the seventh and ninth rounds.

Jake Mintz and Tom Tannas, Charles' co-managers, talked of a "million dollar gate" for the rematch.

Al Weill, Marciano's manager, and the champ were ready for another, provided Rocky's eye cuts have completely healed.

"If the eye is OK and I can get to training camp soon enough, I'll fight in September," said Marciano. He added that six weeks would be enough as he never again would go through such a long siege as he did for the Charles fight. He boxed 183 rounds since April 2 and had been considering a Don Cockell match in London. According to Weill, British promoter Jack Solomons is expected to arrive soon to discuss the match.

REMATCH IS WANTED
"But the match here is Charles," he added emphatically. "Charles made a good stand. I think a rematch would do real good."

Official gate figures showed a gross of \$543,092.24, plus \$35,000 from radio and an estimated \$122,000.

Won Place On Bisley Team

The late Cadet Major William D. E. MacDonald, former Commanding Officer of the St. Dunstan's University Cadet Corps is pictured above.

Cadet Major MacDonald won the right to represent Prince Edward Island on Canada's Bisley team by posting a very high score at the Dominion Shoot in Ottawa last summer.

He was the son of Lt. Col. and Mrs. W. J. MacDonald, Charlottetown. His place on Canada's Cadet Bisley team was taken by Cadet Carl MacDonald.

118 Teachers Recruited For Schools Overseas

OTTAWA (CP)—The defence department has recruited 118 single teachers, mostly women, eight principals and one superintendent for service in schools for children of Canadian army and air force men in Europe.

Eight Canadian schools now are being built at Canadian Army and RCAF stations in France and Germany. The army will have three in Germany, one near Soest, one near Werl and one near Hemer. The RCAF will have five, at Zwickbrucken and Bad-Soellingen in Germany and at Metz, Gros Tenuin and Marville in France.

The teachers were recruited, the defence department said Friday, through co-operation of 40 school boards across the country.

They will be on loan for two years from the school boards and receive the same salary they would have got from the boards. They will receive free living quarters overseas and their transportation will be paid there and back. Their superannuation and seniority rights will be maintained.

The defence department, which will reimburse the school boards for the teachers' salaries, made only one stipulation. The teachers had to be single. This does not apply to the eight principals or superintendents, who will be able to take their families overseas with them.

The teachers will leave by ship for overseas in a body in mid-August. When things get rolling, they will have more than 3,500 children to teach.

The schools in Europe will have special arrangements to teach conversational French and German. There will be provision for religious instruction for both Protestants and Roman Catholics.

Mr. MacLean said U. S. canned chicken sold in Canada should be in the same size tins as the Canadian product. However, Agriculture Minister Gardiner said he knows of no way the government can compel U. S. canners to pack chicken in tins of the size authorized for the Canadian manufacturer.

Would Ban Chicken Imports In Odd-sized Tins

OTTAWA (CP)—A Prince Edward Island Progressive Conservative Friday night urged the government to stop United States manufacturers of canned chicken from shipping odd-sized tins to Canada.

J. Angus MacLean, Queens, said in the Commons that Canadian manufacturers must use sizes laid down in regulation of the agriculture department. However, U.S. producers were permitted to ship cans of a slightly smaller size to Canada in competition with the Canadian product. This made the

Minor League Baseball Today

Coach Randy Edwards will hold a baseball practice for all Bantams in the City this morning at 9:30. The practice will continue until noon and Randy is anxious that all bantams turn out for practice as he plans to form a three team league out of the group.

This afternoon at 1:30 the nine and ten year old Little League players will practice. At three o'clock Little Leaguers 11 and 12 years will have their workout.

Softball Practice

The Sunshine Island Dairy softball team will hold a practice on the Parkdale Diamond this afternoon at three o'clock. Players are requested to bring along their registration money.

Believe Saint John Pitcher May Make Majors

SPARTANBURG, S.C. (AP)—Jackie Bowes, left-handed pitcher from Saint John, N.B., who says he passed up a chance to play hockey in Cleveland, may still wind up in that city—playing baseball.

Sports writers around the Tri-State baseball league who have been watching the 21-year-old Canadian hurling for Spartanburg Peaches, believe Bowes is only a couple of seasons or so away from the major league.

And since Cleveland Indians of the American League are the parent club to play for the chances are that Bowes will wind up playing with them.

OFFERED HOCKEY CONTRACT
Bowes, who has a couple of false front teeth to show for his hockey exploits, says he was offered a contract to play for Cleveland Barons of the American Hockey League.

He decided on baseball, however, and the choice seems to have been a happy one.

Bowes is under contract this year with Reading. Part of the class A Eastern league but has been playing with Spartanburg where his record is nine wins and three defeats.

He is expected to be a 20-game winner in the class B league by September despite a tendency toward wildness.

GOOD RECORD
He had a 17-3 record last season with the championship Sherbrooke, Que., club of the class C Provincial league.

TRURO (CP)—The league leading Dartmouth Arrow fell to earth here Friday as last place Truro Bearcats snatched their winning streak by beating them 5-4 in a Halifax and District Baseball League game.

LIVERPOOL, N. S. (CP)—Hard hitting Stellarton Albions whipped Liverpool Larriers 10-5 here Friday in a Halifax District Baseball League game that was called in the seventh inning because of darkness.

KENTVILLE, N. S. (CP)—Import Phil Tarpy threw the second no-hit, no-run game in the history of the Halifax and District Baseball League here Friday as Halifax Cardinals blanked Kentville Wildcats.

Jr. And Intermediates To Play Here On Sunday

The Junior and Intermediate Abbies will play an exhibition baseball at Memorial Field on Sunday afternoon. The game will commence at 2:30.

Originally it had been planned for the Curran and Briggs Juniors to meet the Intermediates here in Sunday but Summerside officials advised the Abbies yesterday evening they would not be able to play due to lack of pitchers.

The Junior Abbies shaded the Intermediates 6-5 last Tuesday night in a well played exhibition game.

Coch Randy Edwards stated last night he would likely start Vern Handrahan against the Intermediates. Handrahan will probably be followed by Lorne Mac-

Standards For Empire Games Are Announced

MONTRÉAL (CP)—The British Empire Games trial committee Friday announced the standards to be used as a guide in selecting Canadian representatives in Games events.

Littler Leads In U. S. Open

SPRINGFIELD, N.J. (AP)—Twenty-three-year-old Gene Littler, 1953 U.S. amateur champion now a pro, took early command of the 54th national open golf tournament Friday with a sub-par 60 for a half-way score of 130.

The nervous youngster from San Diego, Calif., out of amateur ranks less than six months, held a two-stroke advantage over defending champion Ben Hogan and lame-armed Ed Furgol of St. Louis, bracketed at 141.

Shortage Of Serviced Land Housing Problem

MURRAY BAY, Que. (CP)—The Quebec federation of mayors was told Thursday the main problem facing municipalities in connection with new housing development is often provision of serviced land.

Raymond Brunet, president of the federation, suggested to the federation meeting at this St. Lawrence river summer resort, ways in which municipalities can assist in Canada's housing program.

He said there should be greater use of the section of the National Housing Act whereby federal government assistance is available to pay for the bulk of "land-assembly" costs.

NOT ALL PARTICIPATE
"All provinces except Prince Edward Island have entered agreements with the federal government concerning such projects," Mr. Brunet said. "But only municipalities in Ontario, British Columbia, Saskatchewan and Newfoundland have participated to any extent."

Mr. Brunet said outdated building codes have served to retard housing building and to increase costs and lack of adequate building regulations resulted in sub-standard construction, greater fire hazards and higher insurance and mortgage rates.
