EPPLEY SISTERS AT GEORGETOWN.—St. David's Hall, Georgetown, was filled to capacity on the evening of October 15, when the Eppley Sisters presented the final performance of their series of concerts on Prince Edward Island. Their selections were all favorites among the well-known gospel hymns, and these numbers were performed with a great deal of variety, both vocally and on their unusual combination of instruments. Many of the audience drove in from surrounding districts and helped contribute to the success of the evening for this accomplished quintette, giving them a good send-off for their further travels in other provinces.

FUNERAL YESTERDAY.—The funeral service of the late Mrs. Charlotte MacLean, age 78, formerly of Pictou Island, N.S., who passed away in the King's County Hospital on Wednesday, was held yesterday from the United Church at Murray River with Rev. W. D. MacPherson, Murray Harbour, officiating, assisted by Rev. Carl Currie, Murray Harbour North. The Pall bearers were Messrs Willard MacLean, Ted MacLean, MacLean, Clifford Keenan, Duncan Rankin and Charles Gosbee. Interment took place in the Murray River cemetery. The late Mrs. MacLean is survived by three daughters, Miss Anna MacLean in the United States, Jennie, Mrs. Ernest MacLeod, Murray River, with whom she resided during the past few years, and Christina in Saint John.

PERSONALS Mrs. John Burke, Montague, and her three children, are visiting in Charlottetown, guests of Mr. and Mrs. Vincent Larkin. Mr. and Mrs. Lloyd Lockerby, Hamilton, who formerly resided in Montague were visitors here yesterday calling on many friends. Miss Margaret Gillis, Mrs. Kay Bursill and Miss Lawson, of Brockton, Mass., are the guests of Mr. and Mrs. Hubert Nelson, Montague. They are planning to leave for their home in Brockton on Sunday morning. Her many friends will be pleased to know that Mrs. Walter L. Beer, Montague, who underwent an operation at the P.E.I. Hospital, is doing as well as can be expected. Miss Belle MacLure, who spent the summer months visiting relatives in Murray Harbour North and Montague, left Wednesday on return to Taunton, Mass. Mr. and Mrs. R. P. Brooks, Mr. and Mrs. James F. Herring and Miss Yvonne Gordon have returned to their homes in Murray Harbour from a pleasant visit to Belmont, Mass., where they attended the Burgess-Burgess wedding. Miss Rose Llewellyn, R.N., left Wednesday on return to Hamilton, Ontario, after spending some time with relatives in Montague and Georgetown. Mr. Ray Machon, who has spent the past several months in Labrador, returned to his home in Montague during the past week. Miss Marion Furness, who is employed in Toronto, is spending a few weeks visiting her parents in Vernon, and is also visiting friends in Montague, where she taught in the Montague High School for a few years.

Korean Veterans Plan Celebration

OTTAWA (CP)—Canadian veterans of some of Korea's stiffest fighting will celebrate the first anniversary of their biggest battle next Friday at Petawawa, Ont. It was a year ago Oct. 23 that the 1st battalion, Royal Canadian Regiment, fought off a determined Chinese assault on their hill positions at Kowang San. This rugged feature was better known as "Little Gibraltar", or "Hill 355". During the three-month defence of the hill, culminating in the victorious stand of Oct. 23, the RCRCs had suffered 38 killed in action, 137 wounded and 17 missing. It was considered the bloodiest Canadian action of the Korean War. Survivors of the "Little Gibraltar" fighting who will assemble at Petawawa include the former battalion commander, Col. Peter Bingham, now commandant of the Royal Canadian School of Signals, at Camp Borden, Ont.

The Week at S.D.U.

In the last writing of The Week, we failed to mention that we were all eagerly awaiting the Thanksgiving Holiday. At noon on Saturday the Holiday began and ended Tuesday at noon. It is for want of a better word that we use the term Thanksgiving Holiday, since most students were expected to spend Monday in the potato fields. However, all are now back at College ready to begin the drive for the mid-term exams which will be held this week. Probably the biggest event at St. Dunstan's during the past week was our annual Field Day, which was held on Friday, Oct. 9th. The success of this event has already been given acclaim in the press, but it is probably fitting to name again those performers who distinguished themselves during the day. In the Senior events Paul Jay was the big gun gathering 24 points for a terrific performance. Besides winning this event, Paul won himself an Athletic D, which is given to any senior performer, who has 17 or more points during Field Day. Runner-up to Jay in the Senior Competition was Aquinas Ryan. Aquinas was probably the biggest surprise of the day, as he garnered 14 points in very spectacular fashion. Leonard Shea who entered in only a few of the events was third in Senior Division with 9 points. Len, a big boy, showed us that size doesn't mean a thing when it comes to running or high-jumping. In the Junior events the outstanding athlete, was Jack Lavers, who won his class with 23 points. Probably Jack's greatest performance during the day was in winning the high-jump with a leap of five feet. This is really going high for a junior and we expect big things from Lavers when he enters Senior Competition. Placing second and third, respectively in the Junior events were Arnold Mullins and Leonard Broderick. The Week congratulates all the top performers during the Field Day and also those, who did not win, but tried hard. Last we forget to mention the man most responsible for the success of the Field Day, we shall name the unsung hero now. He is Art Seaman, the popular young sophomore, who spent many tedious hours preparing the track for the event. We think Art deserves a great deal of credit since he performed his unenviable task in a very commendable manner. Although the Field Day provided much excitement during the day, the climax did not come until evening when the Freshmen Class were formally welcomed to the ranks of college students. Although the Freshmen were put through some very embarrassing performances, they took it like good sports and we are sure they are glad to have the ordeal over, since it has caused them suspense to no end, since the college year began. Since the last appearance of The Week our Senior Football Team has played two games, losing one and tying the other. In Sackville October 3rd the Saints lost a heartbreaker, to Mount Allison by a score of 7 to 6. The most discouraging part of losing the game, was the fact that the S. D. U. team were leading 6 to 2 with only a few minutes to go, when the Mount Allison team scored. The point-getter or St. Dunstan's was Lloyd Gaudet who ran like mad all day and was rewarded by scoring all his teams' points. On October 8th the Saints played the Charlottetown Abbies to a scoreless tie. The Saints showed great form during this game as their opposition was fairly stiff and only terrific play on their part, kept the Charlottetown team from scoring on one or more occasions. Today, at 2:30 P. M. the Saints play host to Mt. Allison University on the S. D. U. ground. The Saints with all the regular players in good condition are seeking revenge for the setback they received at Mt. Allison two weeks ago. This should be a thrilling game with a large number of spectators expected to be on hand. The first team line-up is as follows: Ron McIvor (Captain), Richard Wedge, Rodney McNelis, Bill Whalen, Arnold Hickey, Quinn Ryan, Robert Mooney, Gerald Lawlor, Andre Dorais, Paul Jay, Allan MacDonald, Arnold Mullins, Lloyd Gaudet, Charles Morrison, Max Callaghan, Jack Reardon, Louis MacDonald.

On Wednesday, October 7th, St. Dunstan's Intermediate Team played host to P. W. C. and were beaten by a score of 3 to 0. The weather proved very unsatisfactory for this game and as a result neither team played the type of football they are capable of playing. The score for P. W. C. resulted from a loose ball being scooped up near the S. D. U. line by a P. W. C. opportunist and carried across for a try. The Intermediate team line-up is as follows: Thomas McGaugh, (Captain), Foster Webb, Lawrence Hickey, Leo Clarkin, John Kelly, John Fisher, Jack MacDonald, Bill MacIsaac, Gerald Murphy, Ralph Gaudet, Gerald Johnston, Kimble Jay, James Gaudet. During the past week the daily scrimmages between the first and second football teams, have come to resemble actual league games, since we have a new man handling the whistle. Our referee each evening is Father Edmund Roche who has agreed to referee the scrimmages giving coaches A. J. MacAdam and John E. Green more time to watch each player and thus help remedy any mistakes which players might be making. Remember: Anything worth having is worth working for. Till next week: From S. D. U. to all of you health and happiness.

Employment

Continued from page 5 There are no indications that conditions will improve, and with the certainty that the usual seasonal layoffs will occur in November and December, the unemployment figures may reach a new post-war high in the Charlottetown area, in the opinion of National Employment Office officials. The drop in employment is not confined to this Province, the local office states. At a meeting of Unemployment Insurance managers from every town in the Maritimes and Newfoundland held in Amherst last week, all offices reported a sharp drop in the volume of work and about double the number of claimants drawing benefits.

Laborers Not Pentiful Singularly enough laborers are not plentiful in Charlottetown, nor are some classes of tradesmen, but many laborers are registered from the rural villages and countryside. These are difficult to obtain on short notice, and are not interested in casual or short-term employment for two or three days. Benefit claimants who refuse suitable employment, are subject to disqualification for further benefits for a period of six weeks. Some escape disqualification because employers do not report instances of refusing work to the local office, and the office has therefore no grounds on which to take action. The construction of some private dwellings in Charlottetown and in the country is keeping many carpenters busy, but only a small amount of commercial and government work is being carried out. The new Charlottetown high school is the largest project locally, and there is some Provincial Government construction work underway at Falconwood Institute. On the fringe of Charlottetown the Spencer Theatre interests are building a drive-in-theatre of imposing proportions, and this is providing considerable work for a number of men. Potato Pickers About a hundred potato pickers, many of them from mainland points were placed with growers by the local office in the past two weeks, although more Islanders than usual sought work in the potato fields this year. The wages offered were \$4.00 to 4.50 per day plus board. The local Employment Office had no difficulty in filling all orders for pickers when sufficient notice of requirements was given in advance. The office does not maintain a pool of pickers which can be drawn on at will, and must have orders beforehand. Contributing to the upward swing in the total unemployment figures, are about twenty-five seasonally employed railroad workers, a number of people released by the ending of ship-repair work at Bruce Stewart's, and the closing down of operations at Maritime Central Airways Maintenance. The local office notes a steady drift of workers to the Central provinces, in some cases whole families planning on making permanent residence in Ontario or Quebec.
