

**A BACKWARD CHILD**

In a child that is backward in teething, look out for rickets. You can prevent any serious consequences by promptness. The cause is poor nutrition, imperfect digestion of food, wrong food, poor food, bad air, low life. You must stop it. Give Scott's emulsion of cod-liver oil to feed the bones. Now give him good food: the proper food for a child. It is a short job, and not a difficult one.

Send you a little to try if you like. W. W. CLARKE, Chemists, Toronto.

**NOTICE TO ELECTORS.**

**QUALIFICATION OF VOTERS, AND HOW TO VOTE.**

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

**IN ADDITION TO ABOVE.**

In country districts every male British subject of the age of 21 years who, being liable to perform Statute Labour, has performed such Statute Labour or paid his commutation money for the year 1900 shall be entitled to vote, provided he has resided for twelve months in the electoral Division.

**IN THE CITY OF CHARLOTTETOWN.**

If a person cannot qualify as a tenant or owner, he may vote on his poll tax.

**IF**

He has resided for twelve months previous to the 9th day of October, A. D., 1900 either east or west of Great George Street, and has paid his poll tax or 75cts of it for the year 1899. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

We warn poll tax electors to be prepared with their poll tax receipts, before they go into the polling booths. If you do not produce them, your votes will not be taken and you cannot again enter the booth. Tenants and owners do not require receipts.

**LOUIS H. DAVIES,**

1 of Charlottetown  
Barrister-at-law

**WILLIAM S. STEWART,**

2 of Charlottetown  
Barrister-at-law

Mark your Ballot as above indicated. Simply place a X in the space containing the name of *William S. Stewart*, the people's candidate for West Queen's. Place no other mark upon the ballot.

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit in Court one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote, and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning officer who without opening the packets or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect them.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST place it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

**GEORGETOWN TUPPER CLUB.**

STANDING ROOM was almost at a premium in the club room at tonight's meeting, and the hearty applause which greeted the different speakers as they scored the Government showed that the Young Conservatives are in earnest here.

In the absence of the president, the 1st vice president, Mr. E. H. McEathern, presided.

After routine business was transacted Mr. J. A. Dewar addressed the club on the political questions of the day for upwards of one hour. Mr. Dewar held the closest attention of the audience. At the conclusion of his address, on motion of E. B. McLaren, seconded by Mr. John Murphy, a vote of thanks was tendered Mr. Dewar for his able address.

Wm. McConnell, Esq. was the next speaker and criticized the government for the manner in which it handled the prohibition question.

Alex. McConnell and E. B. McLaren followed with short addresses. At the conclusion of the meeting a number of names were added to the roll of membership.

Next meeting Monday evening  
N. FAIRCHILD, Sec'y.

Georgetown, Oct. 19 1900.

**The Happy Home.**

Happiness must be founded on health. Where there is ill-health there will surely be unhappiness. The happiness of many a home has received its downfall at the table, spread with rich and dainty foods. The first symptoms of disease of the stomach are ignored as being disagreeable but not dangerous. Presently dyspepsia or some other form of disease fastens on the stomach.

At any stage Dr. Pierce's Golden Medical Discovery will cure diseases of the stomach and other organs of digestion and nutrition. But the cure is quicker if the "Discovery" is used in the earlier stages of disease. If you have any symptoms of diseased stomach use "Golden Medical Discovery" and be cured.

"I feel that I would be doing an injustice to you if I did not send you a statement of my case," writes Mrs. David W. Guice, of Hamburg, Franklin Co., Miss. "I had liver complaint and indigestion. Everything that I ate disagreed with me. I suffered all the time with swimming in my head; heart beat too fast; my feet and hands were cold all the time. Did not sleep well at all. Was able to get about but very little. I commenced to use Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets' in May, 1897, and by December I could begin to get about very well. Have been doing my work ever since. Feel better than I have for several years."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
