

Disappointed Rough Riders Lay Plans For '60 Season

By ARTHUR WILKES
Canadian Press Staff Writer
OTTAWA (CP) — Disappointed Ottawa Rough Riders football players were homeward bound Monday as the club executive and coaching staff laid plans for the 1960 Big Four football season.

"I can't believe it," said tackle Tom Jones. "I never wanted anything so much in my life," said all-star guard Kaye Vaughan.

They just about summed up how Riders felt after losing the league final to Hamilton Tiger-Cats.

Hamilton won Saturday 21-7 to erase a 12-point lead piled up by Riders in the opening game of the two-game, total-points final. Ticks now meet Winnipeg Blue Bombers in the Grey Cup game Saturday in Toronto.

Coach Frank Clair said he leaves this week to scout United States college player prospects. He was "starting right now to build a better team to do a better job."

Meanwhile, some 2,600 Ottawa fans are getting ready to invade Toronto for the Grey Cup game, even though Riders are out of the picture.

Club president J. Barry O'Brien said Riders had a successful season considering their bad start.

"The boys went down fighting—that's all you can say," O'Brien said.

He announced that a full-time successor to James P. McCaffrey as Riders' general manager will be named next week.

George Terlep, one of Riders' assistant coaches, is expected to get the job. He came to Riders during the season after being fired as head coach of Saskatchewan Roughriders of the Western Interprovincial Football Union.

POST-GAME TALK
Two big topics of conversation among football fans were the recurrence of an ankle injury of

Canadian quarterback star Russ Jackson and a third-down pass gamble that failed.

Jackson said he was jarred on the second or third play of the game and he wasn't able to cut in on running plays, even though his ankle was frozen three times.

Coach Frank Clair took full blame for the third-down pass gamble when Riders trailed by only two points on the round and nearly 10 minutes remained in the game.

"I made the call," said Clair. "A completed pass at this stage, from the Hamilton 47, would have carried us on, I felt. It went wrong and we blew a great chance."

The pass attempt by Vito (Babe) Parilli to end Bob Simpson was broken up by Tiger-Cats' Jim Taylor and Riders lost the ball on downs.

"It was a clutch shot," Parilli said. "I should have made it good. We were on our way had I hit Bob."

New AFL Makes Bid For Survival

MINNEAPOLIS (AP) — The new American Football League made a bold bid for survival Monday by drafting the top college stars in the U.S. The behind-the-scenes manoeuvring turned Minneapolis-St. Paul into a battleground between the AFL and the National League.

Declaring flatly that an American League team will be operating here next season despite re-

ports that the door is open to a twin cities franchise in the NFL, AFL owners named players they hope will form the hard core of their 190 rosters.

All are subject to the NFL's own draft next week. If the American League is serious about operating in 1960—and all the owners insist it is—a bidding war is certain.

The choices in the first 11 rounds of drawings were announced at the weekly meeting of the Tribune Downtown Quarterback Club.

HARD SMASH ENDS SESSION

LONDON (AP) — Heavyweights Mike DeJohn of Syracuse, N. Y., and Cuban champion Nino Valdes Monday had their first—and last—sparring session in the same ring.

It ended with blood, pouring from DeJohn's nose—and some hard words between the fighters.

"You okay," shouted Valdes from his corner.

"I'm okay but it's not okay," shouted back DeJohn. "You're trying to make a bum out of me. You always want to be the big guy."

DeJohn and Valdes are scheduled to meet British heavyweights on the same card at London's Wembley Stadium Dec. 1. DeJohn will face Dick Richardson and Valdes will meet Brian London.

Monday's sparring session was due to last three rounds. It ended after the second.

British promoter Jack Solomons announced that under no circumstances would he permit them to spar again against each other.

Gene Letourneau, CBF national commissioner, said British boxing officials are asking for information also.

City Basketball Loop Schedule

Here is a section of the City Hoop schedule up to and including the games on Saturday, December 27th.

Wednesday, Nov. 25th at Prince of Wales College — BYC vs. SDU; Trotters vs. PWC.

Saturday, Nov. 28th at Saint Dunstan's College — BYC vs. Trotters; YMCA vs. SDU.

Wednesday, Dec. 2nd, at Birchwood High — PWC vs. YMCA; Trotters vs. SDU.

Saturday, Dec. 5th at YMCA — Trotters vs. YMCA; PWC vs. BYC.

FORM NUCLEUS

In what was described as a move to give each club a chance to develop a nucleus and "equalize talent in the league," selectors filled all 11 squad positions for each team in their first draft rounds.

Before making their choices for each position they drew lots to determine the order of selection.

Lamar Hunt, young Dallas millionaire and founder of the league conceded the NFL would "go high" in the bidding to sign choice players.

"But every club in this league is prepared to match them," he said. "We realize there will be financial losses, but we're determined to go ahead."

Billy Carter Widens Lead

OTTAWA (CP) — Billy Carter of Hull-Ottawa Canadiens picked up four assists last week to increase his lead to 14 points in the Eastern Professional Hockey League scoring race.

The 22-year-old centre has scored 21 times and assisted on 25 other goals, both tops in the league, for 44 points, well ahead of Sam Bettio and Cleland Morrison of Sudbury Wolves, Orval Tessier of Kingston Frontenacs and Bill Sutherland of Montreal Royals who all are tied for second with 30 points.

Claude Evans of Trois-Rivieres Lions is the top netminder with a goals-against average of 2.3, allowing only 31 goals in 13 games. He is followed by Charlie Hodge of Royals with a 2.8 average on 52 goals in 18 games.

Sudbury is the most penalized team with 300 minutes.

Rangers Demote Gump Worsley

NEW YORK (AP) — The New York Rangers Monday called up goalie Marcel Paille and demoted veteran Gump Worsley as part of a four-player swap with their Springfield farm in the American Hockey League.

With Paille, the Rangers recalled defenceman Jack Bon-nass. Worsley and defenceman Noel Price were sent down to the Indians.

Paille, 26, has had one previous trial with the Rangers. He played 33 games with them in 1957-58 while Worsley was in the minors but Gump was recalled and finished out the season as New York finished second in the league. Paille also appeared in one game for the Rangers last year when Worsley was injured.

Joe Zeigler Joins Dodgers

LOS ANGELES (AP) — Former minor league executive Joe Zeigler has joined the front office staff of the Los Angeles Dodgers, the club announced Monday.

Zeigler, who has been general manager of Rochester and Toronto in the International League and Toronto in the Pacific Coast League, will assist Dodger general manager Buzzie Bavasi.

Team Drops Out Of League

NORTH BAY (CP) — Manager-owner Pete Palangyo of North Bay Trappers announced Monday he is withdrawing his team from the five-team Northern group of the Northern Ontario Hockey Association.

He said the main reason for the decision was that the club was not financially able to risk possible heavy loss by importing players without the guarantee of jobs. The club ran up a \$2,000 deficit during the first three weeks of operation, through travel expenses and poor gates.

Bowling League Opens Saturday

A big four candlepin league got underway Saturday evening at Holy Name Alleys.

The winners, Stars and Harry's Aces each picked up five points in defeating the Dread Nots and Alerts respectively.

Durelle Should Notify CBF Of Retirement In Writing

QUEBEC (CP) — The Canadian Boxing Federation made it plain Monday that if Yvon Durelle is retiring from the ring he should let the federation know about it in writing.

Gene Letourneau, CBF national commissioner, said British boxing officials are asking for information also.

Both organizations want to know officially whether the Baie Ste. Anne, N. B., fisherman is vacating his Canadian and British Empire light heavyweight titles.

After an unsuccessful shot at the Canadian heavyweight title last week Durelle said he is through fighting. The 30-year-old Durelle was belted out in the 12th round by Toronto's George Chivalo.

"This isn't the first time Durelle has said he is quitting," said Letourneau. "He said the same thing when he was middle-weight champion."

WANT IT IN WRITING
"But he didn't quit. If he is really quitting he should notify us in writing."

Letourneau said he has a letter from the British Boxing Board of Control making inquiries about Durelle's intentions. He also said he is trying to get in touch with Durelle's manager for confirmation or otherwise of Durelle's retirement.

If Durelle officially steps down, the CBF would declare the light heavyweight title open. A match between the next-rated fighters likely would be held. Burke Emery of Sherbrooke, Que., is second-ranked and Al Hogan of Toronto third-ranked.

Letourneau said the same procedure probably would be followed regarding the British Empire title.

Ken Mosdell Has Head Injury

MONTREAL (CP) — Ken Mosdell, veteran centre of Montreal Royals, was under observation in hospital Monday for a possible skull fracture.

Mosdell has been suffering from headaches since he was injured Friday night in Sudbury in an Eastern Professional Hockey League game.

The Royals have just returned from a four-game road trip, in which they could salvage only two ties, and in the nose-counting Monday it was found there now are four regulars down with an assortment of injuries.

In addition to Mosdell, they are Fern Perreault, Andre Tardif and Roger Sawicki. Perreault is out indefinitely with a dislocated left shoulder. Tardif has a gimpy left knee and Sawicki has an eight-stitch cut over his left eye.

Tardif and Sawicki are expected to be able to dress for Thursday's game, however, when the Royals are hosts to Trois-Rivieres Lions.

Ingo Wants Floyd Patterson To Get Match

GENEVA, Switzerland (AP) — Heavyweight champion Ingemar Johansson said Monday he wants to give dethroned king Floyd Patterson a chance to regain the title.

"Maybe I don't have to fight Patterson any more now," said the champ from Sweden, "but I want to give him a chance."

First he said "I have to go home and talk it over with (Edwin) Ahlquist (his advisor). There will be no decision on anything until I've discussed it with him."

The handsome, smiling fighter made the comments after he was told the New York State Athletic Commission had revoked Cus D'Amato's licenses as manager and second. D'Amato manages Patterson, who lost his title on a third round knockout to Johansson at New York's Yankee Stadium last June 2.

D'Amato Loses N.Y. Licence As Manager And Second

NEW YORK (AP) — Cus D'Amato, manager of former heavyweight champion Floyd Patterson Monday had his New York licence as a manager and second revoked. The decision has far-reaching implications in the boxing world.

The proposed rematch between Patterson and Ingemar Johansson, who dethroned him June 26 at Yankee Stadium, now becomes more complicated. Patterson now has no manager in New York and the National Boxing Association has said it will uphold the Aylesford, N.S., does the honors here.

matchmaker's licence suspended for three years.

Although Vincent Vellella, New York lawyer and politician, who heads Rosensohn Enterprises, Inc., talks of a Miami date in March for the rematch, a New York group, headed by Joe Tepper, former boxing commission official, is trying to take over the fight.

Johansson's purse of \$152,000 from the first fight still is being held in escrow by the New York commission. However, commissioner Julius Helfand said Monday Johansson could collect at any time. "We have no contract on file for a return fight," said Helfand, former chairman.

Although Johansson has said repeatedly he wanted to fight Patterson in his first defence, there now was a possibility that he might be a free agent.

"Maybe I don't have to fight Patterson any more now," said Johansson in Geneva, Switzerland. "But I want to give him a chance, first I have to go home and talk it over with Edwin Ahlquist, his adviser."

GOOD NEWS
In the champ's home town of Goteborg, Sweden, Ahlquist called the decision "good news." He said he planned to meet with Tepper, who may be the promoter of the next fight.

Meanwhile back in the U.S., neither D'Amato nor Patterson could be reached for immediate comment.

D'Amato is involved in all sorts of trouble stemming out of the promotion of the Patterson-Johansson match in June. He is free under \$2,500 bail on a charge of violating the general business law for failing to respond to a subpoena from the state attorney general, who also is investigating the promotion. He goes on trial on that charge Dec. 14.

D'Amato's attorney, Julius November, called the commission's action "ridiculous" but would not say if he planned an appeal.

SPORT ECHOES

By NORMAN MacDONALD

The Dominion "Diamond D" competition for the Ladies Dominion Championship will not be held in February as we expected but rather on March 23, 24 and 25, Oshawa, Ontario, will be the scene of this history-making sports action. We have been informed that the dates for the Island competition to decide the team that will go to Oshawa has not been decided yet but it will not be later than two weeks before the beginning of the "Diamond D" interprovincial competition. The Summerside ladies have begun their local games, but will not pick teams to prepare for the Island finals until after the new year.

We had a thoroughly disappointing day sportswise on Saturday. Our three most acute "pains in the neck" from the angle of sports competition are the New York Yankees, the Montreal Canadiens, and the Hamilton Ti-Cats. Something has been done about the Yankees, for the time being, at least, but on Saturday the Ti-Cats and Canadiens triumphed over the favorites much to our disgust. We were all set to root for Ottawa against Winnipeg, but now we are going shopping for a ten-gallon seton. "Go West, old man" is our motto. We'll be at television ringside rooting for the Blue Bombers.

All Kodak cameras and projectors still or movie at lower Christmas prices until December 5.
