Had Eczema Around Ankles For Years

Read Her Letter:
"I want to say that for many years I have been tormented with Eczema on my ankles which nothing seemed to cure," writes Mrs. A. C. S. Whittier, Calif. "Moore's Emerald Oil was recommended and one bottle was all I needed, and for two months has seemed perfectly well."
This clean, stainless, antiseptic known all over Canada as Moore's Emerald Oil, is such a remarkable balming agent that Eczema, Barber's Itch, Salt Rheum, Itching Toes and Feet—many of them old stubborn cases of long standing, have yielded to its influence. Moore's Emerald Oil is obtainable wherever drugs are sold, to help rid you of unsightly skin troubles.
