TORONTO

TORONTO (CP) — The stock market closed mixed to lower Wednesday amid the heaviest trading in almost am onth. The final value of 5,547,000 shares was the heaviest since May 9.

The trading pace, however, was boosted by the activity of five low-priced mining stocks.

Sand River was the feature issue on the board, climbing 16 cent to 62 cents amid a turnover of 1,722,315 shares, more than one-quarter the total volume. Four other mines — Lexindin, North Rankin, El Sol and Ultra Shawkey —combined with Sand River to trade a total of 2,564,085 shares, almost half the total sales. ..

Base metals were virtually unchanged on index while two senior western oils contributed heavily to the section's index gain of more than three-quarters of a point.

Uraniums were higher among mining groups. Northspan was the leader with a 50-cent gain to $7.95.

McIntyre gained 1½ points to 108½ among senior golds but Hollinger lost a point at 34¼.

Junior Base Metals moved in a 10-cent range.

Fargo featured western oils, jumping 75 cents to $6.45. Royalite, up 1⅝ to 21⅞, and Pacific Pete, up 1¼ to 33, were the two index stocks which boosted the section's index.

NEW YORK

NEW YORK (AP) — Tobacco shares declined, oils rose and Du Pont erased a loss Wednesday as the stock market slid off irregularly on the lightest volume in seven weeks.

It was the market's third straight day of mild correction.

The tobaccos, which reacted only slightly Tuesday to the latest report of the American Cancer Society, were sold at lower prices on opening blocks Wednesday, an unusual performance for these issues. But the declines in tobaccos were kept within bounds of a point.

Oils resumed their advances, which have become almost routine for this favored division. Affiliates of Gulf Oil boosted prices for crude in the Middle East.

The Associated Press average of 60 stocks declined 40 cents to $183.20 with the industrials down 20 cents, the rails down 50 cents and the utilities down 30 cents.

Among Canadian issues of the New York Stock Exchange, McIntyre Porcupine was up 1½ on trading of 1,200 shares. Distillers-Seagrams climbed ⅜ on 300 share and Canadian Pacific ⅛ on 1,200 shares.

Prices were mixed on the American Stock Exchange. Among Canadian issues Fargo Oil climbed ⅞ on trading of 65,000 shares. Preston East Dome was up ¼ o Preston East Dome was up ¼ on 800 shares. Shawinigan fell ⅝ on 20,000 shares traded and Molybdenite closed off 1-16 on 2,100 shares.
