

I. O. O. F. Annual Memorial Service Observed On Sunday

Oddfellows, Rebekahs and friends gathered on Sunday afternoon in the I.O.O.F. Hall, Richmond St., to observe the annual Memorial Service in memory of members of Widley, St. Lawrence and Alpha Lodges of the city, who have passed away during the past year.

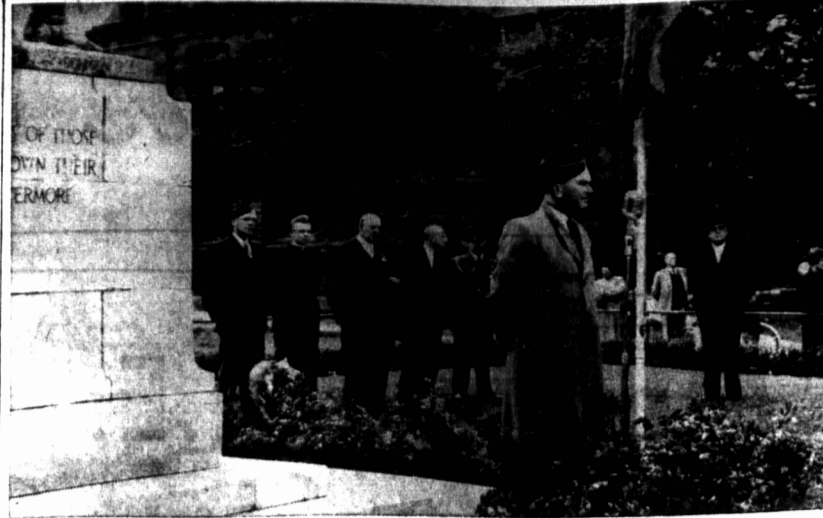

Mr. Finlay M. MacKinnon was Chairman at this service, and Sr. Capt. John Carter of the Salvation Army was guest speaker. Capt. Carter chose as his topic, the story of Abraham and the command to sacrifice his son. (Genesis, Chapter 22.) He touched on the attributes of Friendship, Love and Truth, Qualities emblematic of the Order and exhorted all, on remembering departed loved ones, to conduct their lives in a manner befitting the high principles of the Order.

The Chairman's Address was followed by Prayer by Mr. Arthur MacLean, Chaplain of Widley Lodge, after which a Memorial Service was presented by members of Alpha Lodge: Mrs. Lois Brown, Mrs. Mae Adams, Mrs. Ila Stewart, Miss Helen Finlay, Mrs. W. Smith and Mrs. J. G. Dennis. Flowers were placed in memory of Mrs. Fulton Thompson and Mrs. Stanley Bryant. The solos, "Sweet Hour of Prayer" and "Shall We All Meet in the Morning" were sung feelingly by Mrs. S. H. Burhoe.

Tribute was then paid and flowers placed in memory of departed Oddfellows: Mr. Harry W. MacKay, Mr. Thomas Renton, Mr. Charles Hines, and Mrs. Frank Hutchison.

A mixed quartet composed of Mrs. James L. Enman, Mrs. J. G. Dennis, Mr. J. A. MacLeod and

BATTLE OF BRITAIN SUNDAY IN CITY

WING COMMANDER J. A. MacLean, D.F.C., M.P., addresses the Battle of Britain. Standing in the background are James Currie, president of the Confederation of Air Force Veterans, and other veterans assembled at the cenotaph yesterday on the occasion of the memorial parade to commemorate the 16th anniversary of the Battle of Britain.

William Haynes of New Amsterdam, British Guiana, will be guest speaker at a joint dinner meeting of Alpha and Centennial Y's Men's clubs to be held in the banquet room of the Y. M. C. A. tonight.

Will Address Y's Men's Club

Mr. Haynes, who was a delegate to the International Convention of Y's Men's clubs recently held at Estes Park, Colorado, is following his attendance there by a visit to the chief Y. M. C. A. centres in Canada and the United States with the object of securing information which may be of value in conducting Y's Men's work in his own country. It is also anticipated that he will bring many interesting factors to the attention of the local Y. M. C. A.

It is interesting to know that the expense incurred in making the six months tour Mr. Haynes is being borne by the Bishops Fund which is sustained by the free-gift of postage stamps which are sold to collectors. This fund-raising by stamp sales objective was first conceived and practiced by Ernest D. Bell of Charlottetown and rapidly assumed the status of an international activity which it now enjoys.

While in the city Mr. Haynes is the guest of Mr. and Mrs. Brian Cudmore at their home, 22 Pownall Street.

British Draw Plans For Emergency Oil Supplies

By EDDY GILMORE.

LONDON (AP)—British shipowners have drawn up an emergency blueprint for radically reshaping the pattern of the world's oil supplies and shipping.

"The plans will be put into effect," a spokesman for the groups said Sunday. "If there are serious and prolonged delays to Suez Canal traffic, the immediate policy is to wait and see what happens."

American co-operation, he emphasized, is obviously mandatory for the plan to work.

Stocks of oil in Western Europe have been increased as much as possible in the last few weeks to cover the difficult period of transition—if it becomes necessary to put the plan into effect.

Details depend on the traffic situation at Suez.

ASSUMES CLOSED CANAL.

The rough outline of the blueprint was sketched out on the basis of last year's statistics and on the extreme assumption that the canal will be closed to oil traffic for a long period.

London oilmen say 67,000,000 tons of oil went through the canal last year. About 9,000,000 travelled to the United States and 58,000,000 to Europe. It is not possible to transport all this oil around the Cape of Good Hope because almost twice as much tanker tonnage would be required.

The total U.S. reserve fleet of tankers would provide only a small part of the tonnage which would be necessary.

nessey Funeral Home to the residence of his parents, Mr. and Mrs. William V. LeClair, 55 Richmond St. from where the funeral, with full military honors, will be held on Tuesday morning at 8.45 to St. Dunstan's Basilica for Requiem Mass at 9 o'clock. Interment in the Catholic Cemetery.

Decentralization Trend In Industry Discussed

V. A. McKillop, M. E. I. C., president of the Engineering Institute of Canada, will be present at a meeting of the Prince Edward Island branch to be held at the Charlottetown Hotel on Wednesday night, beginning with a reception at 6.15 p.m. The visit will be part of the annual presidential visit to the branches of the Engineering Institute of Canada, which will take the president from St. John's Nfld. to Victoria, B. C. Mr. McKillop is general manager of the London Public Utilities and of the London Railway Commission. He is a native of West Lorne, Ont. and following a course in electrical engineering at the University of Toronto, he received the degree of B. Sc. in 1924. His education was interrupted by a term of service with the Army Service Corps. G. J. Hayes, MEIC is chairman of the P. E. Island branch and will act in that capacity at the meeting.

Delegates Begin Arriving For Big Convention

At a late hour last night George Fraser, Director of the P. E. I. Travel Bureau, said that nearly forty delegates had arrived in preparation for the four-day convention of the Canadian Tourist Association which opens today. Among those already here are Mr. Gordon Wood, acting president of C. T. A. and vice-president of T. C. Leo Dolan, Director of the Canadian Government Travel Bureau and John Fisher, Executive Director.

This evening a T. C. A. charter plane is scheduled to land a large group of delegates from New York City at Summerside, from there they will travel to Charlottetown by charter bus. Also this evening a charter flight will arrive at Charlottetown from Toronto, the remainder will arrive from the main land by train, car and bus, by the time that registrations are completed this evening it is expected that over two hundred will have checked in.

tickets by police of this Buckinghamshire community.

No Canadian Pilot Going To Egypt

OTTAWA (CP)—A transport department official said Monday he had heard of no licensed Canadian river pilots looking for jobs on the Suez Canal.

The Egyptian embassy here is seeking any likely prospects to make up for a shortage of French and English Suez pilots that has arisen since the canal was nationalized by Egypt.

The transport department official said no licensed Canadian river pilots are under departmental supervision. Any taking jobs abroad would have to resign their Canadian licences first. He saw little likelihood of this.

However, it was possible that Canadian pilots in the Great Lakes, many of whom pilot their vessels through the St. Lawrence and its canal system, might apply for Suez jobs. The department would not necessarily hear about any such applications since most lake Captains were members of the Canadian Merchants Service Guild.

In Montreal guild headquarters said that so far as known no approach had been made to it or its members for pilots, nor had any pilots expressed any interest in going to the Suez.

CLOSE-CURLED THATCH
MANSFIELD, England (CP)—Hairdressers in this Nottinghamshire town introduced a new hair style for men — it's called the Nasser Roll, after the Egyptian president.
