U. C. Calls For Unity Against Corporate Sin

TORONTO (CP) — The United Church board of evangelism and social service called Tuesday for unity against "corporate sin in the nation," especially alcohol, pleaded for a more enlightened view of rural churches, and warned against catering to public opinion in sermons.

Rev. W. G. Berry, associate secretary, told the meeting that unless the church meets national moral and social problems with unity, "it will lose what little voice it now has in the world of business and government."

practice of conventions supplying drinks "on the house." NEW SYSTEM WORSE? The Toronto temperance leader said the days of the old stand-up, men-only public drinking bars, where drinks were set up by the "tens, scores or hundreds" had been supplanted by "a treating system such as was never dreamed of even in the Klondike days."

Rev. Homer R. Lane, associate secretary, warned that the shift in population from rural to urban and suburban areas is hurting the church. Mr. Lane said "with the rural population diminishing, the rural church is fighting for its life."

The percentage of the population on farms dropped to 17.1 in 1956 from 20.8 in 1951 and 27.4 in 1941. He told the assembly though the rural church has given church life "stability and balance," it would not be able to

carry out its former heavy responsibilities unless it received help from the parent body. NOT FACING ISSUE "It is my judgment that the United Church has not yet begun to face up to this issue. Urban and suburban psychology is dominant. We organize to the city pattern, write out materials for city people and encourage ministers to think they have arrived when they get a city church," he concluded.

Mr. Lane described the pulpit as the strongest weapon the church has. He said the common attitude of the Sputnik era is—"the Gospel has been preached . . . and the church is here for those who want such a museum piece."

He urged ministers to use the pulpit to help those "perplexed and sensitive people . . . seeking something they cannot find elsewhere—warm and sincere friendship, a vital message."

St. Mark's Guild Met

St. Mark's Guild met in the Church Hall at Kensington on Tuesday evening, February 11. The first part of the meeting was in the form of a social get-together, when games were played. This was followed by a "Pot Luck" supper, certainly not a "hard times" supper, since an abundance of tasty and delicious food was served.

After the meal the meeting was called to order by the president, Mrs. Garnet Turner. The collect for Sexagesima Sunday was used in opening this part of the meeting. Roll call was answered by eleven members and there were five visitors. Mrs. Townsend was appointed to take the place of the secretary who was absent.

The treasurer reported receipts from pantry sale \$37.96, parlor social \$28.00, further receipts from pre-Christmas sale \$22.50, and other miscellaneous receipts brought the total on hand to \$118. After considerable discussion it was moved by Mrs. Elmer Paynter seconded by Mrs. Oliver Profit that the treasurer pay \$100 into Church funds to be applied to the debenture debt.
