The Guardian, Charlottetown, Sat., Oct. 26, 1963. 15 THE WEEK AT SDU Student-Faculty Comm. Is Suggested by Union

By CHARLEY McMILLAN The Students Union had another meeting this week, with the president, Charley McMillan, presiding. A lively discussion dealing with the possibilities for establishing a student-faculty committee was a highlight of the meeting. When the results become final, a trophy will be presented to the president of the winning class. VARIETY TO ACADIA The Variety troupe to Wollville today to meet the Acadia Association. The troupe is in the position of the Atlantic Conference, two points behind St. Dunstan's. The troupe will win one game in four starts: Acadia is winless in five starts. The Acadia troupe has two games remaining after this one, a home game against Stadacona and a game at home against the Acadia troupe. St. Dunstan's should beat Acadia today, merely because the Saints have a better statistical record. Mind you, it is nothing to brag about, but it is better than Acadia's. Coach Hilton has judged his defensive personnel and he may use his defensive linemen only one way. He used rookie quarterback John Driscoll a lot against Mount A, especially when Fred Ripley was injured. If he does choose Driscoll as a starter, it is a good bet he will probably plan an aerial attack—at least for the first half.

Against Mount A, the duo of Ripley and Driscoll completed five of sixteen passes—not one was intercepted. It was an offense on. However it wasn't the fault of the quarterback that the passes were not completed—the ends couldn't catch a cold.

The chief organ of doom and gloom in the class of learning-exams - is fast approaching. It is the time of the year when the mid-term examinations begin next Friday and carry through till Monday afternoon.

On Thursday afternoon, the Freshman class had their nomination for the King and Queen. Candidates for the Freshman Queen are: Dian ne Louise, Carol Anne Power, Elizabeth MacLellan, J. Anne Power, and Paula Charbonneau.

Herb Murphy, Bill Condon, and John Rodgers. It is not known just when the final elections will be held, although it was suggested that they be held on the 11th of November. The Stadacona - SDU football game is scheduled for the 11th.

The coronation dance on the fourth of November the night the exams are over. BLOOD DONOR Clinic The Blood Donor Clinic visited St. Dunstan's this week and received 21 units of blood. Besides the 21 donors, a large number of students enrolled their names in the competition, although they were not given blood because of age, jaundice, recent operations or that of the other reasons preventing them from giving blood. This is competition was put on by the school between the various classes for the best class percentage of donors. The Sophomores had the highest percentage at 13.4 per cent, but the stands could change because many of the day students are not in the school at the Recreation Centre.

This year's chairman for the Blood Donor Clinic was Vincent Cannon. Years assembled an enthusiastic committee for promoting a record attendance and the results are indeed gratifying.
