MARRIAGE BELLS.

A very happy event took place at St. Dunstan's Cathedral on Tuesday morning, 28th of February, when John Murphy and Miss Mary L. Hughes, only daughter of Mr. John L. Hughes, of this city, were united in marriage. The ceremony was performed by Rev. Dr. Morrison, and was witnessed by a large number of friends and relatives of both parties. The bride was very becomingly attired, and was attended by Miss Honora Dougherty, while Mr. Michael Murphy, cousin of the groom, acted as groomsman. A reception was held at the home of the bride's parents from 5 o'clock until 12, and everyone present enjoyed themselves to the utmost. The esteem in which the happy couple are held took the form of many expensive and useful presents, among them being a gas lamp, silver butter dish, fruit and berry dishes, vases, china tea set, silver spoons, sideboard, crystal set, mantle mirror, picture drape, toilet set, hand-worked tray cloth and set of dollies, and many other ornamental articles. Well wishing friends, Mr. Murphy and his esteemed bride, departed for their future home in Lot 65, carrying with them the good wishes of their many friends on their voyage through life. THE EXAMINER extends congratulations.

THE 'CYCLE CLUB'S ENTERTAINMENT

The large audience which attended the entertainment given in the Opera House last evening by the Charlottetown Amateur 'Cycle Club seemed to enjoy the manner in which the programme prepared for the occasion was presented.

The second portion of the programme was made up of vocal and instrumental music, the latter being contributed by Mr. Vinicombe's splendid orchestra. The soloists were Messrs. G. A. Dixon, J. B. Dawson and Geo. J. Rogers, and such number was generously applauded. The vocal quartette by Messrs Dixon, Bruce, Wear and Heartz was a very good number and took well. The orchestral selections were capably played and thoroughly appreciated.

The second portion of the programme consisted of a minstrel show, with twenty-two male voices in the circle. Mr. Fred J. Nash made a very dignified interlocutor. W. A. Marjov and L. G. Wheeler skillfully manipulated the bones, and W. C. Whitlock and Dr. Kennedy rattled the tambourines like veterans. The two bones wore dress suits, with green vests and ties to match. The two tambos also wore dress suits and vests and ties of the same color. The interlocutor was also in full dress, and sported a boutonniere. The other members of the circle wore white suits, which showed off their complexions to advantage. The circle made a splendid appearance. The jokes cracked by the end men were all very good, and most of them had a local application. The solos, quartettes, and instrumental selections given by the minstrels were all well received, and in several instances were encored. The specialty by Messrs. Rogers and Wear seemed to be especially pleasing and captured the house. The make-up of both gentlemen was excellent. Mr. Earle presided at the piano and accompanied the minstrels and other performers. The performance was under the patronage of His Honor the Lieutenant Governor and Mrs. Howan. During the evening His Honor spoke of the splendid performance that had been given, and asked that it be repeated in the near future, the proceeds to go towards the India Famine Fund. The Club agreed to do so, and it was stated that the date of the repeat performance would be announced through the press.

The admission to all parts of the house will be 25 cents. The object is a most deserving one and it is to be hoped there will be a large attendance.

DEAR SIR,—Please very kindly permit your paper, THE EXAMINER, to be the medium by which I may express my sincere thanks to all who aided in making our entertainment at Long Creek, on the evening of the 27th inst., a social and financial success.

I should like to be in a position to name those who took part in the entertainment, as well as others, both Presbyterians and Baptists, who were personally unknown to me—who very kindly supplied (unsolicited, I believe), the means for materially increasing the organ fund of St. Thomas' Church.

I hope every one who assisted in any way may feel assured of the fact that the members of St. Thomas' congregation and I are, and shall always be, very grateful for their generous help.

I am, dear Sir, Ever truly yours, T. J. HARRIS, Rector.
