Kennedy Asks Huge Fund For Land Purchase Plan

WASHINGTON (AP) — President Kennedy has recommended a vast new land purchase program ranging up to $1,000,000,000 to provide more outdoor recreation for Americans. The proposal was part of a broad plan aimed at protecting and expanding natural resources.

In a special conservation message to Congress, Kennedy called for the creation of a land conservation fund to acquire recreational areas across the country.

Administration sources estimated buying would total between $800,000,000 and $1,000,000,000 over the next eight years. Costs would be paid by people who use existing federal parks and outdoor facilities, through admission and other fees; by the diversion of unclaimed motorboat fuel tax rebates from the Highway Trust Fund and by receipts from the sale of surplus federal land.

The president also promised the United States would continue to co-operate with other countries in scientific and research undertakings and share the techniques it develops—techniques such as making salt water fit to drink.

The bidding:

East	South	West	North
Pass	2♣	2♠	Dble
3♦	Dble	Pass	3♥
Pass	3NT	4♦	5♣
Pass	6♣		

Opening lead — three of spades.

This hand was played in the match between Italy and the United States in 1961. The Italian pair, Forquet and Siniscalco, held the North-South cards in the bidding sequence shown. They were playing the Neapolitan system, which may help to account for their bids.

An opening one club bid would have shown at least 17 high-card points (regardless of the club holding). The two club bid by Siniscalco showed a real club suit in a hand of less than 17 points.

North's double of three clubs identified a good hand and South's double of three diamonds showed maximum values for his opening bid. From then on, natural bidding enabled the Italian pair to reach a sound slam contract.

West led a spade and Siniscalco realized that if he took the diamond finesse he would be defeated. West had marked himself by the bidding with the king of diamonds.

Instead, Siniscalco cashed six club tricks and three spades to reduce West's hand to the K-J of hearts and K-10 of diamonds. He then played the ace and another heart and West was forced to lead a diamond into the A-Q, thus giving Siniscalco the contract.

The American North - South pair at the other table reached three notrump on this sequence:

East	South	West	North
Pass	1♣	1♥	2♦
Pass	2♠	Pass	2NT
Pass	3NT		

The two diamond bid was on the fancy side, the purpose being to inhibit a diamond lead against the notrump contract which North planned to undertake. It was successful as far as it went, since East led the queen of hearts, but it was a Pyrrhic victory.

Declarer won the heart and worked out the same endplay to make twelve tricks as had occurred at the first table, but he didn't fare as well because he had not bid the slam.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X E
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
