

Fans Have Chance To See Prospective Local Team Play At Forum Tonight

Island hockey followers have a chance tonight at the Forum at 8:15 to see in action the boys who will represent the Province in the Maritimes' most polished hockey circuit, the Big Four. The other three teams are Moncton, Halifax, and Saint John.

Still engaged in whittling down his squad, "Murph" Chamberlain will have a very good idea after tonight of the club's lineup for their first league encounter at Halifax this coming Saturday night. Knowing that the chips are down and that the game means much to all of them, the boys cannot afford any slacking. Either they produce or move on to other hockey homes.

Under such circumstances, the contest will develop some heat; other practices during the week and particularly the full dress rehearsal for the children was given and take frolic, and no quarter asked.

There will be an admission fee for the simple reason that hockey of the calibre being offered in the Big Four costs money, and the fans may as well know at the outset that the Islanders Hockey Club was started not with any optimistic ideas of making money but with the object of giving Islanders good hockey.

The club executive in fact knows that no profit is possible, but on the other hand has the problem on its hands of whether expenses can be met.

Their problem is no simpler because of the limited seating capacity of the Forum. A rink with four to five thousand house room would make financing much easier. In less prosperous days twenty-five hundred people or more have squeezed into the Forum to see the Big Four games of fifteen

or more years ago. Today with money easier, the town's population higher, and better roads leading from the rural sections to Charlottetown, the attendance at games is estimated to increase sharply.

Much depends of course on the quality of the team carrying Charlottetown's hopes. If it is in their fighting, the Forum will not hold the crowds.

Here a word of caution may not be amiss. The other three teams in the league have been several years building their clubs. They have selected, screened, and discarded many players. Charlottetown has the same road to follow, though "Murph" Chamberlain seems to have used excellent judgment in rounding up the material on hand. He has youth, mixed with experience, plenty of weight, loads of color, and is himself a fiery and inspiring leader.

It will be good hockey, the kind we carried for three years in the hungry thirties. If the people who love hockey face up to the costs there is no doubt that in the more prosperous and cheerful fifties Charlottetown can support and enjoy good hockey.

The team could be given no better boost than a big turnout at tonight's game.

Here are how the teams will line up:

Garnet: — Goal—Gordon; defence—Vital, Travis, Hennessey; forwards—J. Horeck, Bathgate, D. Horeck, Gray, Richardson, Sheppard, Rodgers.

Gold: Goal—Mooney; defence—Conway, McLagan, Ready; forwards—Favaro, Trainor, Pawlynsnyu, M. Dowling, Beaudry, Robertson, C. Dowling.

Note: — Frankie Strain will be net custodian for a period with each team.

C. And B. Team Claims Intermediate Ball Title

Summerside Curran and Briggs, Nova Scotia-Prince Edward Island intermediate baseball champions and defending Maritime titlists, arrived home last night from New Brunswick.

The game that was scheduled to be played with Minto Legions, New Brunswick intermediate winners, was rained out yesterday.

Manager Charles Hogan of the Summerside Club said last night that the team had spent Tuesday night at Sussex, N. B., and yesterday he and Bruce MacWilliams, Vice-President of the Club, went up to Minto to try and make new arrangements for the series for the Maritime intermediate title, but the Minto Club felt they would be unable to play Thursday for several reasons. Manager Hogan didn't elaborate on the reasons, but gave the impression that they were of an unresolvable nature.

He stated that "the Minto Club also refused to accept offers to play a sudden death game in Summerside on Sunday." "Consequently," Manager Hogan said last night "as arrangements for the series have fallen through, the Curran and Briggs team are claiming the Maritime intermediate baseball title, which they won last year."

Two newcomers will be full-time referees in the Maritime Senior Hockey League this season, Judge J. E. Hudson, president, announced tonight.

They are Stan Swain of Winnipeg, who has worked in the Western Canada Senior League the last several years, and George Mallinson of Montreal, who worked in the Cape Breton circuit last year after serving in the Quebec senior loop.

THE FORUM

Annual Meeting Of Ch'town Curling Club

Mr. R. S. P. Jardine, Charlottetown, was elected President of the Prince Edward Island Curling Association at the annual meeting held last night at the City Hall.

Local hockey fans will get their last big look at the Chamberlain-coached Islanders hockey team at the Forum tonight, before they swing into action against Halifax Saint Mary's at the Nova Scotia capital on Saturday night in the opening game of the "Big Four" schedule.

Similar to the game held on Tuesday for the kiddies, it will be a Garnet and Gold clash, the present team roster being divided into two teams for the occasion. But there will be much more to it than just an exhibition session for the Club. It will be a test of ability for every player on the ice.

The meeting last night was presided over by Mr. C. G. "Dick" Hughes, a past president, in the absence of the President, Mr. Fred MacIntyre, Montague.

Mr. R. S. P. Jardine

Provincial Competition
The dates and places of play for provincial trophies was decided as follows:
Garnery Trophy, December 13th at Charlottetown.
British Consols Trophy, February 14th at Charlottetown.
Regal Flour Trophy, February 7th at Alberton.
Physical Fitness Trophy, February 28th at Summerside.
Junior High School Trophy, date to be determined by the Executive, at Charlottetown.

Mr. L. B. MacMillan was re-appointed representative to the Dominion Curling Association, and Dr. E. S. Giddings a delegate to the annual meeting.

Mr. F. R. McLaine was appointed provincial representative to the Dominion Youth Curling Association.

The Secretary-Treasurer, Mr. J. F. MacLeod, read the minutes and financial report of the Association.

Hon. T. A. Campbell submitted comprehensive reports on the fourth annual "Mid-Century" Bonspiel held last February. It was a success financially and from a competitive standpoint one of the best yet staged.

In regard to the provincial play-downs for the British Consols Trophy to be played in February, 1951, it was decided that each of the four clubs be represented by one rink in a double-round robin series of play.

Bonspiel Officers
Officers appointed to conduct the 1951 Confederation Bonspiels are as follows:
Honorary Treasurer, P. W. Turner; Treasurer and Chairman of Finance Committee, Gil Henry; Chairman of Committees; Tro-

nearly did.

If he had started the first game he might have gotten a chance to hurl once more. We know now that this did not fair out but Roberts gave the Yanks all the trouble they wanted before he grooved one to DiMaggio to lose his game and the old nothing-ball artist of the Phils, Jim Konstanty, led a heartbreaker in the opening game of the series 1-0 to Raschi which might have given the Phils an even break in the series' four games.

The Yanks won their thirteenth series in seventeen tries by knocking in the Phils but if the Phils had gotten a few breaks the story of the series might have been different. Perhaps Buck Harris of the American League Washington Senators summed it up when he said the "Yanks would win because they have too many pros on their team."

That was the answer in the short lived series but it was mostly pitching which was the main factor in the Yanks' win. The thought that the Phils young right-hander Robin Roberts might have beaten the Yanks was up-fermost with some fans, and he

Racing Career Of Middleground Appears Over

NEW YORK, Oct. 11—(AP)—The racing career of Middleground appeared ended today after the winner of this year's Kentucky Derby pulled up lame in a work-out at Belmont Park.

"The chances are a thousand to one against him ever racing again," said his saddened trainer, Max Hirsch, as he looked at Middleground lying down in his stall.

Hirsch said X-rays showed two fractures of the ankle bone of the right forefoot.

"We'll probably be able to save him but that's about all," he said. When he recovers, Middleground will be sent to the farm for stud purposes.

Quoit Club

Jim McKay and Raymond Sellick of the Brackley Quoit Club captured top honors in third division play of the Provincial Quoit doubles tournament.

McKay and Sellick defeated V. Newson and G. Pierce of the same Club in straight games of a two-game final match played over the Parkdale Club beds on Tuesday night.

Two New Players Work Out With The Islanders

Two new additions to the Islanders Hockey Club, goalie Hal Gordon and Bob Gray, versatile defencemen and forward with Sydney Millionaires last year, went through their first workouts under coach Murph Chamberlain during practice sessions yesterday.

For the first time on skates this year both boys looked plenty good in their respective positions, and are expected to add considerable strength to the already potent lineup that coach Chamberlain has collected for the opening battle of the "Big Four" against Halifax Saint Mary's this Saturday.

Gordon is 22 years of age, 5 feet 11 inches, and weighs about 147 pounds. Hal was born in Calgary, Alberta, played amateur hockey with New York Rovers for three years and was with Atlantic City Sea Gulls of the United States Amateur Hockey League last season as the property of the New York Rangers.

Gray is a native of Winnipeg, Manitoba, is 22 years old, six feet one inch, weighs 182 pounds. He performed last year with Sydney Millionaires under coach Chamberlain in both defence and forward positions, and was outstanding in the latter position during the Allan Cup playoffs last year. Chamberlain rates him as one of the best on his Club last season. Bob played junior hockey for four years with Saint Michael's, Edmonton, Brandon and Oshawa junior squads and was with Saskatoon Quakers of the Western Canada Senior League two years ago.

The two new players will both see action in the special Garnet and Gold game being staged at the Forum tonight.
