

"Sure Nice To Be Here," Autry Says

"It sure is nice to be here in Charlottetown", were the words of Gene Autry as he stepped from his plane at the airport yesterday afternoon. He is seen, in the picture above, talking to some of the many fans who lined the guard fence to the runway for his arrival.

Reports Cancer Campaign In City Going Well

Mr. W. H. Beaton, General Chairman of the City Cancer Campaign, reports that the campaign so far is going well. At the first turn-in of the general canvass last night the women's division led all others. The leading team was composed of members of Alpha Rebekah Lodge, with Mrs. Robert MacKinnon, captain. This team secured 201 per cent of its objective and the captain and members of the team were each presented with prizes. All the teams on the women's division but one reported and the division obtained 94.9 of its quota. The second highest team was from the Eastern Star, Mrs. Bertram Larkin, captain, with 193 1/2 per cent of its quota. The Pythian Sisters, under Mrs. Lillian Rattenbury, was third highest with 166 1/2 per cent of its objective. Mrs. J. G. Dennis, commander of the women's division, won the prize for the leading divisional commander. The other divisions will be heard from at the final turn-in which is Friday night at 7 o'clock at the Legion Hall.

KEEN COMPETITION ANTICIPATED AT RURAL YOUTH FAIR THIS WEEK

The Rural Youth Fair will get underway at Prince of Wales College tonight with the public speaking finals as an opener. They will be followed by a square dancing competition. Tomorrow morning Hon. C. G. Baker will officially open the fair at the Exhibition Grounds and fifteen minutes later the judging will start. There are large entry lists in nearly all classes, particularly from the various calf clubs. The Holstein class has the largest list with entries from Millovec, O'Leary, Alexandra, Bedeque, East Royalty, Fortune, Gowen Brae, Malpeque, Brookfield, Kensington, Northam, Sherbrooke, Tryon and Freetown. In the Ashire class entries were received from St. Philip, Bear River, Brookfield, East Royalty, Head of Hillsborough, Lower Montague, Milton and St. Georges. There are just two entries in the

Lions Club Holds Dinner Meeting

The regular semi-monthly dinner meeting of the Charlottetown Lions Club was held at the Queen Hotel last evening under the chairmanship of King Lion Jack Steyenson. Special guests included Messrs. Henry G. MacWilliam of the Charlottetown Junior Chamber of Commerce who was the special speaker, John F. C. Rogers, Kamehameha Lions Club, Honolulu, Hawaii, and Robert LeClair, City. As guest speaker, Mr. MacWilliam gave an interesting account of the plans and progress being made on the Welcome Sign project being jointly carried on at the present time by the four City service clubs under the direction of the local Junior Chamber of Commerce. As committee chairman of the project, Mr. MacWilliam said that he has received the fullest co-operation from the City Council, centennial and town planning committees and the local service clubs and felt sure that the final result of the project will be a credit to the community. The proposed Welcome to Charlottetown sign, bearing the City incorporation date, City Seal, the four service clubs crests and other informative data, will be erected on Spring Park playground at the western approach to the City via Elm Avenue. It will be attractively designed and landscaped with ade-

quate lighting facilities. During the course of the meeting plans were finalized for the holding of the Club's annual character night anniversary dinner and dance at the Clover Club the latter part of this month. The meeting was brought to a close with the singing of The Queen led by Tall Twister Lion John VanMaaston.

CHEESE PUZZLE

PALMERSTON, N. Z. — (CP) — New Zealand dairy scientists after long research still don't know what gives cheese its flavor, said Dr. H. R. Whitehead of the Dairy Research Institute. It is possible to distill from cheese the substance which produces the flavor, he told a meeting, but it had been impossible to identify it chemically.
