

A Terribly Fatal Fire.

TWENTY-TWO PUPILS AND FIVE SISTERS BURNED TO DEATH.

The burning of St. Joseph's Convent, at Belleville, is one of the most terrible events which has occurred in the State of Illinois for years.

Miss Mary Campbell, of East St. Louis, a teacher, leaped from the third story and died in a few minutes.

Another, name not ascertained, climbed to the roof portico and either fell or was blown off, sustaining fatal injuries.

The following from Belleville, gives further particulars of the burning.

The convent was known as the Institute of the Immaculate Conception, and was conducted by the sisters of Notre Dame.

The human pulse has rather a wide range, but the general average has been put about as follows:—At birth, 140;

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"78 E. 54th St., New York, May 16, 1882. MESSRS. J. C. AYER & CO., Gentlemen:

Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them.

I was also a sufferer from a severe catarrh and external cough; my appetite was poor, and my system a good deal run down.

Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders.

My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared.

My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent.

I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised.

I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. P. WILDS.

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from an impure or corrupted blood and a low state of the system.

IT is a fact worth knowing that Mrs. Sophia Potter's Bone Rheumatic Liniment cannot be excelled for removing pain and soreness.

It is no worthless trash, as some may suppose, simply because they have been imposed upon by others, but is positively the "King of Pain." Sore throat cannot stand before its power.
