**Christmas Activities at Riverside Hospital**  
 The holiday season was observed in the traditional manner at Riverside Hospital, as patients and staff members joined together in various tree and buildings with very pleasing results.

The festivities began on Saturday and continued through Sunday, with the Young Christian Students of Charlottetown, the Choir of St. Pius X and the Jimmie Power Entertainment Group. The services were distributed by the Rev. Irwin Christian Fellowship of Trinity United Church, the Jimmie Power Entertainment Group and the Salvation Army. A special 247 bags of candy and the Salvation Army who contributed the party.

The patients had a dance at the C. of C. home as guests of the Christmas party. Carousal members of the Kiwanis Club and members of the staff joined in to make it a very enjoyable evening. Treats were passed around and a special Santa Claus visited the party.

One of the highlights of the Season was a Christmas tree in the city by car for over seventy five patients. The tree was sponsored by the Island Division of the Canadian Mental Health Association.

The Christmas tree itself was one of continuous activity, and with Santa Claus joining the honors, Christmas gifts were presented to all patients. This was made possible through the enthusiastic response to a Christmas campaign.

As well there was a tremendous response to our annual Christmas Drive, and from our patients. The following most generous with their gifts to our patients. The following contributions and gifts were gratefully received on behalf of the patients.
