MONTREAL

MONTREAL (CP)—A sharp climb by Patricia Silver was the feature Friday on the Montreal and Canadian stock exchanges.

Patricia, which closed Thursday at $1.59, in early dealings Friday jumped as high as $2.95, before falling to a high of $2.05 on 1,000,050 shares.

A spokesman for Patricia Silver Mines Ltd. said the company knows of no developments that would account for the sudden movement in the stock price. He said that the company moved a drill onto its holdings in the Pine Point area of the Northwest Territories earlier this week, but added that no news had been received from the exploration site.

Other speculative and mine issues that had pronounced trend movements were Chemalloy rising 10 cents to $1.45 and Kodiak dropping 10 cents to $2.95.

Among the senior groups only Papers were up as most sections moved fractionally lower at the two exchanges. Declines held a thin edge over advances 82 to 80, as the composite index dropped 0.39 at 163.17.

Industrial volume was 217,400 shares, mines and oils 3,784,000 compared with 178,000 and 1,972,000 Thursday.

Winter Carnival Excitement Holds Sway At University

By WINSTON MacGREGOR

The plans have been made, the schedule set, and the coming week will add the finishing touches as another Winter Carnival at St. Dunstan's becomes a reality. It has been a long and arduous session for those wielding the responsibilities but a really successful carnival will remove all thoughts of the work involved. May this year's carniva, which shapes up to be the best ever, be just that.

HI-LITES

On next Thursday evening a Torchlite Parade begins from Confederation Square to S.D.U. This most colorful spectacle is followed at 7.15 by the official opening.

The Grand Prix which takes auto helldrivers on icy angles around the tricky track will provide thrills for everyone on Friday moning. This event which proved quite popular last year should be even better this year.

Then the evening provides a great attraction when the Clancy Brothers and Tommy Makem perform at the Provincial Vocational Institute. Again, tickets to this performance are available on campus and stores in Charlottetown. Sh! Sh! I hear Carnival passes are selling like wildfire.

Saturday night brings the Carnival ball and the coronation of the chosen candidates as queen of the Carnival. The candidates this year are: Joanne Power, representing the Seniors; Lyris Roberts, Juniors; Donna Murphy, Sophomores; Imelda Murnaghan, Freshmen; Helen MacKenzie, Engineers; and Jean Maas, Nurses.

Sports hold a big spotlight during the Carnival also. On Thursday afternoon the Saints basketball squad faces St. F.X. and on Friday afternoon they face Acadia. Varsity hockey comes to the forefront on Saturday afternoon with the "Saints" facing off against Acadia "Axemen."

MUSTANG

Would you love to hop into a 1966 Ford Mustang and just zoom off? You would? So would I. Of the numbers on the carnival passes one will be chosen is a draw. The person holding the chosen number acquires a Ford Mustang to be his own for a whole week.

This is just one of the extras, however. At the Variety Show on Sunday night, Clancy Brothers albums are given away — free. And with a carnival pass free food can be yours in the Coffee Shop during the hootenanny.

The classes will be competing in events, each of which is worth a certain number of points. Among these are the snow sculpture, carnival queen, Grand Prix, skating and snowshoe races. There's so much more one could say, but so little space, so the news media will fill in the other events.

REVIEW

The proposal defining the powers of the Red and White, the student newspaper, was presented to the Students Council. A committee composed of Lawrence Don Elysyn, Tom McMillan and Richard Trottier who set up to review the matter and report back to the Council.

Word is circulating that the Student Directory which contains all the names and addresses of the students at S.D.U. will be available next week. It is reported that there is an improvement over the previous edition in that this year's edition contains the names of all student organizations and of their executives.

VOTE

The St. Dunstan's Student's Council voted unanimously to take whatever course may be possibel, through the proper channels, to have the regulation "Lights out at midnight" removed. It was learned that a brief was being prepared to submit to the administration on this subject.

Next week will include the first anniversary of the Coffee Shop. The chairman of the Board of Governors, Robert Hickey, reports a very successful year and indications are that more success lies in the future.

For those who are worrying about the weather during Carnival days, we have this piece of advice.

"We hope
But know not whether or not
The weather will be fine.
Weather will come whether or not
It is our big design."
