CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canadian funds unchanged at $1.08. Pound sterling unchanged at $3.02¾.

NEW YORK

NEW YORK (AP) — A rally by steels and strength in Chrysler rescued a faltering stock market Thursday and gave the list its fifth straight daily advance.

The advance put all the popular market averages at record peaks.

The market was mixed at the start, nudged higher but stalled with a slim gain. Steels, accompanied by aluminums, then spurted ahead. Some of the strength spilled over into other sections but the over-all list had many losers.

In the absence of any specific news on steels and aluminums, analysts explained their sudden rise by a rotation of buying interest which has occurred at various times in the past when neglected groups have temporarily carried the ball after the rest of the market has lost steam.

Chrysler's big splurge made it the most active stock on turnover of 467,700 shares. It rose 2⅜ to 50⅝. Traders clambered aboard the Chrysler bandwagon in droves as it topped its previous high for the year—49⅞—and reached 50. At that point there was such a jam-up of buy orders that trading was halted temporarily in order to match orders.

STOP ORDERS BANNED

After the session, the New York Exchange announced it had banned "stop orders" in the stock.

Bettering its record of Wednesday, the Dow Jones industrial average rose 1.99 to 830.17. Standard and Poor's 500-stock index also topped the high made Wednesday, rising .09 to 81.15. The Associated Press average of 60 stocks rose .9 to a new high of 307.4, exceeding its previous closing high of 306.7 made April 17.

Volume was 5,600,000 shares compared with 5,550,000 Wednesday.

Second most active was Texas Gulf Sulphur, off 2¾ at 49½ on 264,900 shares. In early trading it fluctuated between a loss and a gain.

U.S. Steel, the most active in its group, rose 1¼ to 56¼. Gains exceeding a point were made also by Bethlehem, Jones and Laughlin and National. Lukens gained 5⅜ and Youngstown Sheet 2⅝.

GERBER GAINS

Gerber Products proposed a 2-for-1 stock split and gained 1¾.

In the minus column, Sears, Roebuck lost 1¼, Polaroid 2¼, IBM ¾, United Air Lines 1, Merck 2½, Jersey Standard ⅜ and American Telephone ¼.

On the Canadian section gains of ⅜ each were shown by Aluminium Ltd., Hudson Bay Mining and McIntyre Porcupine while Dome Mines added ¼. Canadian Pacific was down ¾, International Nickel ½ and Distillers Seagrams ⅛.

On the American Exchange, the trend was irregularly low in moderate turnover. Massey-Ferguson gained ¾. Canadian Javelin lost ¾, Scurry Rainbow Oil ⅜ and Preston .

Club Travel Planners Elected

OLIVE BRANSCHE

GUNTHER ACTROS

Planning to attend the same drama festival, two clubs are merging for this occasion to charter a **Canadian National** coach. This novel approach to cut expenses was explained by Mrs. Olive Bransche, newly-elected travel convenor for her Ladies' Club, and Mr. Gunther Actros, well-known theatre personality and drama teacher. "Each club had sufficient members . . . about 30 . . . to obtain the CN Party Fares discount of 20%" explained Mrs. Bransche. "Even over and above CN's rock-bottom Red and White fares. But by travelling together, we can charter a CN coach, for even greater savings". Mr. Actros added "Our students could not have afforded the trip by themselves, but the CN Charter Coach Plan gives us our 'own' air-conditioned coach with savings as much as 33% — and places the festival within our means. In fact, we are planning to use the **Canadian National** Group Travel Plans for all future excursions."
