

Sunfest 1991

Whether you are in your first year or fourth year, February 1991 offers the opportunity for **travel**.

Join your friends on your choice of a fun-filled trip to one of our planned destinations or bring us your ideas and we will customize a trip to meet your needs. There is no limit to the number of people that can go. However it is necessary to register your interest **now** so planning can proceed.

Last year's trip to **Jamaica** was enjoyed by all so this year we will repeat this popular destination which combines **sand, surf and sun** with moving to the rhythm of **reggae**. Other ideas include ski holidays in Canada and Europe and a combination ski-Quebec with a week at a sun destination.

Forward your registrations by September 15, 1990 to:
