"BATTLEGROUND" NOW AT
CAPITOL, SUMMERSIDE

A motion picture that every-
one has been waiting for—the
first down-to-earth story of the
G. I. of World War II, sans flag-
waving and mock heroics—has
been brought to the screen in
"Battleground", M-G-M's impres-
sive Dore Schary production, now
showing at the Capitol Theatre.

Taking the members of a squad
in the 101st Airborne Division as
its pivotal characters, "Battleg-
round" gives you the laughs, the
tears, the bravery, the cowardice,
the griping, the bantering, the
boredom and the guts of a cross-
section of American G. I.'s. In the
fateful December of 1944 this squad
of mud-stained, weary, battle-
worn soldiers is awakened from
reports of crumpled Nazi resistance
and dreams of Paris furloughs to
find itself once again on the move
to make a stand against the
Krauts at a French town called
Bastogne.

And here we get a close-up of
some of these bedraggled "Scream-
ing Eagles"—Holley (Van John-
son), carefree six-footer with a
weakness for gals, gags and pur-
loined eggs; Jarves (John Hodi-
lak), cynical small-town reporter
whose own editorials inspired him
to enlist; "Pop" (George Murphy),
thirty-five plus, sweating out his
discharge; Rodriguez (Ricardo
Montalban), courageous California
Mexican; Wolowicz (Bruce Cow-
ling), combat loving squad leader;
"Kip" (Douglas Fowley), typical
"wise guy"; Standifer (Don Tay-
lor), second in command and leery
of inheriting the squad leader's
job; Bettis (Richard Jaeckel), who
has undergone one shelling too
many; Layton (Marshall Thomp-
son), the naive new replacement,
and a number of others.

Pleasant C.W.L. Social Function

Members of Summerside sub-
division, Catholic Women's League
were guests at a very pleasant
social affair on Friday evening at
the home of Loretto which is
composed of wives of Catholic per-
sonnel stationed at R. C. A. F.
Station, Summerside.

Mrs. Harold Moon, president of
the society extended a cordial wel-
come to the Summerside women.

Mrs. Carrol Delaney, president of
Summerside sub-division replied
and gift of dishes was made to
the Society of Loretto to assist
them in furnishing their club
rooms.

A number of games of bingo
were played and a portion of the
evening was devoted to music and
singing. A delicious lunch was
served. A vote of thanks for a
pleasant evening was moved by
Miss Margaret Wedge and seconded
by Mrs. W. J. Sullivan.—S.

Semple-Todd Wedding

Standards of gladioli formed the
floral setting for a pretty Septem-
ber wedding in Trinity United
Church, Summerside, yesterday af-
ternoon at 2 o'clock at which
Catherine Beryl, daughter of Mr. S.
Todd and the late Mr. S. K. Todd,
exchanged marriage vows with
Leigh Arthur Semple, son of Mr.
and Mrs. William Semple of Ken-
sington.

The ceremony was performed by
Rev. K. G. Sullivan, M. A., B.D.
The wedding music was under the
direction of Mrs. Eric Sheen and
Mrs. Bruce MacPherson of Char-
lottetown was soloist, rendering "O
Perfect Love" during the signing
of the register.

Given in marriage by her cousin,
Mr. Bruce MacPherson, the bride
was lovely in her bridal gown of
ivory satin, with fitted bodice
pointed in front and buttoned to
the waist in back. A lace ruffie
outlined the net illusion yoke and
was repeated in the hemline of the
floor-length skirt with its long
flowing train.

A halo of orange blossoms held
in place the veil which fell in soft
folds to the entire length of the
train. White carnations and baby's
breath created her cascade
bouquet.

The honor matron, Mrs. Arnold
Dunning of Somerville, Massachu-
setts, sister of the bride, was
gowned in American Beauty taf-
feta in fitted lines and featuring a
portrait shawl collar. She wore a
matching picture hat and gloves
and carried a basket of sweet peas
and baby's breath.

The bridesmaids, Miss Pauline
Todd of Chalk River, Ontario, sis-
ter of the bride, and Miss June
Semple of Kensington, sister of the
groom, were gowned in ice blue
taffeta, identical in style to that
of the matron of honor. They car-
ried baskets of sweet peas and
baby's breath.

Mr. Albert Tanton of St. Elea-
nor's was groomsmen and the ushers
were Messrs. Darrell MacKen-
zie and William MacEachern of
Charlottetown.

Following the ceremony a re-
ception for 50 guests was held at
the home of the bride. Receiving
with the bride, the bride's
mother wore a dress of hunter
green with grey accessories and a
corsage of pink carnations; the
groom's mother was attired in a
dress of navy blue with pink hat
and corsage of pink delight roses.

The bride's table was centred
with a three-tier wedding cake,
encircled with bouquets of mixed
garden flowers and pink tapers.

Mrs. J. P. MacPherson of Char-
lottetown and Mrs. Colin Bruce of
Montague, aunts of the bride, pre-
sided over the tea urns, while as-
sisting in serving were Mrs. Charles
Hogan, Mrs. Douglas Turner, Mrs.
Leigh Donald, and Mrs. David
Cornish. Mrs. Eric Woodside ushered
the guests.

Mr. and Mrs. Semple left on a
honeymoon trip by automobile to
points of interest in the United
States, the bride travelling in a
suit of laurel green gabardine with
copper accessories and a corsage of
tallman roses. On return they
will reside in Charlottetown where
the groom is on the staff of John-
son and Johnson Drug Company.—S.

SPORT ECHOES

(Continued from page 6)

The House of David, famous
touring ball club, paid Summ-
erside two visits recently. The Amer-
ican team, most of them sheared
of their customary hirsute adorn-
ment, played a smooth brand of
ball while here and more than
satisfied the large crowds which
turned out to watch them. They
swept a doubleheader from the
Cunrutties 3-1 and 3-1 in their first
appearance, and split a double bill
Sunday, losing 6-7 and winning 7-6
in a ten-inning thriller.

Bob St. Pierre, the shut-out king
of the 1950 baseball year in Prince
Edward Island, has left Summ-
erside for his home in Boston and
Bob will be sorely missed in local
circles, both for his wizardry on
the mound and for his friendly
disposition. Still in his teens, Bob
should go far in baseball. Unlike
some ball players who strut like a
turkey cock when they perform
some sparkling baseball feat, Bob
never had to order any larger-size
hats after his triumphs. A modest,
likeable guy was Bob, and we
hope Summerside will see more of
him.

Johnny Finn too, is leaving us,
and may be gone as we write this.
Johnny was quieter than his Yan-
kee mates, but made a lot of
friends among the young people
of Summerside. Johnny was also
a pitcher of parts, and though not
quite ranking with St. Pierre in
effectiveness, was easily one of the
best fingers in the league. A sort
of hard luck pitcher, was Finn
this year, and lost a few ball
games which the brand of pitch-
ing he was dishing out deserved
to win.

A fan writes us asking how it
feels to be on a donkey. That is
a very difficult question to an-
swer. The experience was so
fleeting, so short-lived that we
didn't get a very clear impression.
If the writer had asked how it
feels to have just been on a donkey,
we think we could answer the
question if we were permitted to
use that kind of language. In this
column. As far as we are concern-
ed, Oklahoma can have those
crazy mules and in future we'd
like to use for transportation the
front seat of a Dodge club coupe.

While in Toronto last week, we
saw a four-man softball team called
"The King and His Court." The
King was Ed Feigner and he is
unquestionably the greatest
softball pitcher in the world to-
day. He and his three assistants
tied one of the world's best teams

S' side Planes At Moncton Air Show

MONCTON, N. B., Sept. 4 —
(OP) — Nearly 2,000 spectators
watched between showers today as
the second annual Labor Day air
show was held at Moncton airport.
Threatening weather reduced the
attendance but those present saw
speedy Vampire jet fighters in
formation flying and low-level
sweeps over the airport, aerobatics
by Harvard training planes and
three parachute jumps.

Highlighting the show was a dis-
play of aerobatics by Henry
Rousseau of Quebec City. He per-
formed seemingly impossible aerob-
atics in a light monoplane.

Air Force planes taking part in
the show were from the jet fighter
station at Chatham, and the Air
Navigation School at Summerside,

Returns From Annual Meeting

Councillor J. Lloyd Gorrell ar-
rived home on Friday from attending
the annual meeting of the Feder-
ation of Mayors and Municipalities
held in Saskatoon, Sask. He re-
ports that Mayor Henry Wedge has
been named a member of the na-
tional executive of the Federation
representing Prince Edward Island.

Councillor Gorrell states that it
was a most successful meeting and
he feels that he gained much val-
uable information. He found that
most municipalities have pretty
much the same problems and it
was worth while to learn about
their experiences in trying to solve
them.

As the railway strike was on
when the meetings concluded Coun-
cillor Gorrell, along with many of
the delegates, had quite a time
getting home. A group of the east-
ern representatives chartered a
bus from Saskatoon to Winnipeg
and this part of the trip was fairly
pleasant. From Winnipeg to Tor-
onto, however, on a regular sched-
uled bus which was crowded to the
doors all the way, things were not
so pleasant.

At Toronto his luck turned and
he was able to get a seat on a T.-
C. A. plane to Moncton and he fin-
ished his trip by Maritime Central
Airways. —S

of her kidneys helped to clear away blood
impurities and excess acids. Fatigue,
backache, headache, lack of energy dis-

essential oils and medicinal ingredients
that act directly upon the kidneys—and
help restore their normal action. 144

13 Killed In Airliner Crash

UTICA, N. Y., Sept. 4 — (AP)—
Thirteen dead were counted today
in the crash of a New York-bound
airliner with 23 persons aboard.
State police said seven were in-
jured. One person was unaccounted
for.

Survivors included three crew
members thrown out of the plane
when it made a forced landing on
a farm just west of the Oneida
County airport, near here.

Robinson Airline officials said
the pilot was Capt. Harold Carter.
Others in the crew were a co-pilot
and a steward.

The DC-3 had taken off at 3:00
P.M. E.D.T. and plowed into the
pastureland a minute later.

The big plane burst into flames
as it struck.

What caused the pilot to try to
land was not determined.
