

### Liberal Bid Is Defeated

OTTAWA (CP) — The Progressive Conservative majority Monday defeated a Liberal bid for copies of protests sent to Newfoundland's federal cabinet representative over the government's decision to stop special financial payments to the island province after 1962.

By a vote of 133 to 32 the Commons defeated a motion by J. W. Pickersgill, Liberal MP for the Newfoundland constituency of Bonaville - Twillingate, calling for production of all protests sent to Hon. William J. Brown, minister without portfolio, CCF members sided with the Liberals in the vote.

Prime Minister Diefenbaker opposed the motion on the ground that the normal practice is not to produce such documents where the minister concerned has no departmental responsibility for the matters involved.

The prime minister announced last month that after March 31, 1962, the government plans to make no further payments of special financial assistance to Newfoundland under Article 29 of the terms of the province's 1949 union with Canada.

### SOURIS LINE ROAD

A 4-H Club has been organized at Souris Line Road with a membership of approximately eighteen boys and girls.

The officers of the club are: President—Gerald Clinton; Secretary—Mary McAulay; Treasurer—Joseph McAulay.

The club, which got off to a very good start, is under the leadership of Father John Cash who is doing much to teach the club proper procedure for conducting meetings, how to keep records on their calves, and how to be better citizens—a greater benefit to their community.

The club held its second meeting on March 20. The meeting was called to order by Gerald Clinton. The local leader, Father John Cash, was present. There were nineteen present.

The minutes were adopted as read. Old and new business was discussed. It was moved by Remegis Grant and seconded by Francis McPhee and agreed upon

by all members that the club be called the "Souris Yalks." The four following places were selected for judging classes: Mr. Joseph Grant, Souris River; Mr. George McAulay, St. Cathrines; Mr. Hugh McAulay, Souris Line Road; and Mr. Cyril McDonald, Souris Line Road. The members were assigned a lesson in their Calf Club Manual. It was decided to hold the next meeting on Friday, April 10th, at seven-thirty. It was moved by Ernest McAulay and seconded by Remegis Grant that the meeting be adjourned.

### Britain Wants Torpedoes

By DAVE McINTOSH  
Canadian Press Staff Writer  
OTTAWA (CP)—One of Canada's chief anti-submarine weapons—the Mark 43 acoustic homing torpedo—is going to join the Royal Navy.

It was learned Monday that Canadian Westinghouse Company Limited of Hamilton has received a \$3,000,000 British order for 500 of the torpedoes.

The weapons, in use with the RCN's and RCAF's anti-submarine forces since March, 1957, can search for, detect and attack a sub without external guidance and can be launched from ships, planes or helicopters. In effect, it is an underwater guided missile.

### GOOD BEGINNING

Informants said the British order is regarded by government officials as a start toward bigger sales of Canadian defence equipment to Canada's allies. Though developed by the U.S., the Mark 43 torpedo is manufactured entirely in Canada.
