

FOOD FOR ALL

by Student Services

You are now able to purchase food items at the Dining Hall on a straight cash basis.

With the expected increase in food prices, the concept of providing meal service to Residence Students only could no longer be maintained. It became necessary to make the Dining Hall available to Residence and Non-Residence students alike, as well as to the Staff and Faculty.

In the past, the Dining Hall has been primarily for the use of those Residence Students who live in Marian and Bernadine Halls. Now, however, it is open to all who wish to make use of it.

The University investigated several alternatives so that they would be able to keep the rising cost of pro-

viding meals as low as possible. The most attractive alternative was the Dollar Commitment Plan. This Plan should allow the majority of Students to reduce their out-of-pocket costs for food items.

The Cash Commitment Plan involves, for Residence students only, the use of vouchers redeemable for all items in the Dining Hall. Vouchers are Meal Tickets, marked with a dollar value, and are referred to as Scrip Money. This Scrip Money may be exchanged for food items in the Dining Hall.

Students may pay with cash at any time, of course. The Plan works basically on the principle of any cash cafeteria, where every

item sold has an individual price. This is the most significant difference from the all-you-can-eat system. The latter is most wasteful and will not allow a fair distribution of cost to the individual

student, according to his/her particular requirements and eating preferences. The option of purchasing extra meals at a 15% saving is available to all those who are extremely heavy eaters.

At each meal, a "special" is available. The prices of "specials" are fixed and represent at least a 10% reduction off the normal prices.

Evidently, the university reserves the right to change the hours of operation as well as any other regulation pertaining to the use of the Dining Hall and the Meal Plan.

As before, the food service at the University of Prince Edward Island is operated by Beaver Foods Ltd.

HOURS OF OPERATION:

The Dining Hall will be open during the following hours:

Mon. - Thurs.	7:30 a.m. - 6:30 P.m.
Friday	7:30 a.m. - 6:00 p.m.
Saturday	10:00 a.m. - 6:00 p.m.
Sunday	10:00 a.m. - 6:30 p.m.

A Dining Hall Committee is to be formed in the not too distant future. It will consist of two representatives from each residence and, hopefully, someone from the Student Union. The committee will look for input and feedback on the service, the hours, and the variety of menu.

ADVANTAGES:

- Now, there is a greater menu choice and more variety in the number of selections available at each meal, and there are variable price levels for each menu category, such as entrees, salads, and desserts.
- There is more opportunity to select only those items on the menu that a student wishes to eat, and also pay only for those items. "Part of meals versus the complete meal" concept.
- Extended hours are possible and the Dining Hall can be operated continuously between the regular opening and closing time. Short order service can be provided between the usual meal times for breakfast, lunch and supper.

Full Course Meals will be provided at the following designated times:
