DAILY CRYPTOQUOTE—Here's how to work it:
L O N G F E L L O W
X Y D L B A A X I

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Old-Fashioned Bean Suppers have been a tradition since Grandma's day...

SATURDAY NIGHT IS HEINZ NIGHT

Grandmothers are not as old-fashioned as they used to be, but many of them still have those old-fashioned bean suppers. They simply empty a can or two of Heinz Beans in a casserole, flip a switch, and in no time the family has that regular old Saturday night treat. The oven-baking has been done for them by the Heinz chefs.

Of course, Saturday night is not the only Heinz night in the week. There are now five kinds of Heinz Oven-Baked Beans, two of Spaghetti and two of Macaroni. If there were nine days in the week, you could have one of Heinz thrifty main course meals for lunch, dinner or late supper each day, and still get plenty of variety. Stock up for rushed meals during these busy shopping days.
