

# Fire Causes Heavy Damage To Legion Home At Alberton

Fire caused heavy damage to the Canadian Legion hall at Alberton last evening.

The blaze had gained considerable headway on the ground floor and flames were shooting up the outside of the east wall before the alarm was turned in by Deputy Fire Chief Percy Hardy whose home is situated across the street nearby.

Alberton firemen responded promptly and fought the fire for over an hour before bringing it under control.

The home of Mr. Hunter Weeks, situated to the east of the Legion hall and only fifteen feet away, was in considerable danger and nearly all household goods were removed to safety.

Tighish and O'Leary fire brigade being unable to subdue the flames, Alberton firemen worked in a very efficient manner and were highly commended by their chief, Stephen Burke.

The Legion Home was purchased in 1950 and over the years extensive renovations to the entire building were carried out. Total loss, which included a TV set could not be determined last night. The building was insured.

## Rev. W. I. Green Passed Away At Elmsdale Thursday Evening

On Thursday evening, March 21, at Elmsdale, death came to Rev. W. I. Green, Stanley Bridge, a well known and highly esteemed minister of the United Church of Canada and former missionary to Trinidad. Born at Mount Pleasant in March, 1875, Mr. Green was approaching his eighty-second birthday.

As a boy he lived with Rev. Alexander Stirling in New London and there he attended public school. During these years he was influenced to look forward to full-time service for his Lord in the Christian Ministry. He studied at Prince of Wales College in Charlottetown, taught school for a year at Long River, then went on to Dalhousie University from where he graduated with the degree of Bachelor of Arts. In 1907 he completed his studies in Theology at Pine Hill Divinity Hall and was ordained to the ministry of the Presbyterian Church in Canada.

After serving the congregations of Clyde River and Brookfield, he went as a missionary to Trinidad in 1910 and was stationed on the Couva field, engaging in educational and evangelistic work until he returned to Canada in 1931. He was minister at Oak Hill, N. B. 1931-1938; at Waweg, N. B. 1938-1938; at Murray Harbour 1938-1940 and at Dundas, 1940-1945.

Since his retirement in 1945 he has resided at Stanley Bridge. Early in January he and his wife came to spend the winter months in Elmsdale with their son and daughter-in-law, Rev. and Mrs. Norman R. Green.

Rev. Mr. Green was twice married. His first wife, the former Mary Frances Simmons of Marshfield, passed away in 1915. In 1926 he was married to Isabella Ford of Portneuf, Quebec, who was also a missionary to Trinidad.

Besides his wife, Mr. Green is survived by three sons, Rev. Norman Green of Elmsdale, Surgeon-Commander John Green and Alfred Green, both on the west coast. Another son, George, predeceased him a couple of years ago. There are seven grandchildren and the following brothers and sisters: Angus and Alfred at Graham's Road; Alexander in Falmouth, Mass.; Mrs. G. W. Irvine (Nellie) in Williams-town, Ont.; and Mrs. Violet Halliday in Edam, Sask.

For many years the name of Rev. W. I. Green has been a household word in Presbyterian and United Church homes throughout the Maritimes. He was well known for his work in Trinidad, and in the Canadian pastorate he was known as a true friend and faithful shepherd of his people. Even in the years of his retirement he continued the ministry of visitation to those who were ill. He will be remembered for his good works and kindness and for the great love he had for the little children of the places where he lived. He secured permission from the trustees to erect swings on school playgrounds. This was only one of the ways in which his interest in children found expression.

The funeral service will be conducted by members of the Prince Edward Island Presbytery of the United Church of Canada at New London Church Monday afternoon at 2 o'clock.

## THE WEEK AT S. D. U.

The levelled lines of banks of snow have all but disappeared on our campus and one feels the difference in not having to trek through the inches of snow or even to shovel out traffic lanes or paths. Yet with this passing of winter weather there can be noted a difference greater than this, which is represented in the calmer and freer atmosphere which pervades the class periods as well as the recreational activities. A more natural approach can be noticed when it comes to organizing for recreation and the like, and the quiet season of Lent has not only taken the fidgety qualities out of

some of the individuals whose energies were consumed under the little vexations and humdrum of tedious schedules; but it has even lent itself well to producing a wholesome environment for the work of study. Even the resounding bell echoing through the corridors seems less irksome these bright mornings, and it is found that the window shades go up earlier in the day since more people believe in getting out for Church during the Lenten mornings. The turnouts at Mass recently have been quite encouraging, and the response in the evenings is just as good. The Way of the Cross is now held every Wednesday in Lent, with Benediction and Prayer forming a part of the Lenten program each Friday evening. We notice also that many students make brief visits to the Chapel throughout the day. Most persons find it convenient to make the Stations of the Cross each day after dinner or supper.

They were Alexander McEachern, 25, Joseph Longpre, 22, and Maurice Ryan, 22, all of whom gave their home address as New Waterford, N.S.

Louis Ratte, 36, a hotel keeper at Bale des Sables, Que., told the court he was punched and kicked "at least 50 times" during a robbery in a hotel room March 13.

## Commons Changes Wording of Prayer

OTTAWA (CP) — The Commons agreed Friday to change the wording of its prayer to refer to the Duke of Edinburgh by his new title as a prince of the realm.

The matter was raised earlier this week by Rev. Dan McIvor, Fort William, a United Church minister.

Finance Minister Harris, government House leader, said Friday it had been found it would be necessary to substitute the words "the Prince Philip, Duke of Edinburgh" in the prayer read by the Speaker at the opening of the Commons sitting each day.
