

They take spotlight

If the poet Byron were introducing The Evening Patriot Gold Cup and Saucer girls he could find no more appropriate words to use than to paraphrase himself and quote from "The Dream" by saying, "And eight were young and eight were beautiful".

The girls: Estelle Coady, Betty Mallett, Gloria Dartie, Jeannette Boudreau, Connie Davies, Marilyn MacDonald, Margie Bearsto and Carol Mackenzie were chosen for their charm and delightful personalities, as among the most attractive in the city.

The Gold Cup and Saucer girls became famous across Canada only a few short months after they were first organized, when they added lured beauty to the tremendous Grey Cup parade in Toronto last November.

These lovely lassies will form the winners circle for the feature race of the week and the girl who has drawn the winning horse will become Miss Gold Cup and Saucer.

MARGIE BEARSTO — This blonde model has no stables that she would care to mention, but does like horseback riding and animals in general.

Her hobbies aside from riding are sewing and gymnastics at the YMCA. Her height is five foot, six-inches with 128 pounds distributed 24-23-36.

Margie is the youngest of the girls at 19 and this is her first year as a Gold Cup and Saucer girl. Her skills are colored purple and white.

She is employed by the Department of Veterans Affairs, Federal Government, and lives at 28 Palmer's Lane, Parkdale, with her parents, Mr. and Mrs. W.E. Bearsto.

Her birthday was August 4th, 19 years ago and since that time she has received her education from Prince of Peace School, Queen Charlotte High School and the Commerce department of Prince of Wales.

BETTY MALLET — A fiery red head and former Sea Queen (1958), of the Summerside Lobster Carnival, Betty is 21, stands five foot, four inches, weighs 116 pounds and keeps her 34-22-35 figure trim by playing golf. She is the daughter of Mr. and Mrs. Henry F. Mallett, Summerside, and is employed with Niagara Falls, Charlottetown.

Miss Mallett is vocalist on key with the "Red Sox Trio", and appeared regularly on the television program, "Broad Melodies", for the past month. She has won awards for a radio drama and golf and is a model in Summerside fashion shows.

Brown eyed Betty was born July 26, 1942, attended St. Mary's Academy, Summerside, and Misicouche High School. She lives at 188 Euston Street in Charlottetown. Her hobbies include golf, harness racing and singing.

Betty will be wearing green and white silks.

CAROL MACKENZIE — A long way from her native home, Vancouver, B.C., but it is a good thing because the Gold Cup and Saucer girls for the past two years would not have been complete without her.

Carol is five foot, seven inches at 128 and is one of the four good looking girls working at Trans Canada Credit in Charlottetown. In her spare time her hobbies include dancing, swimming, bowling, skating and cooking.

She is the daughter of Mr. and Mrs. John A. Mackenzie of St. Peter's Bay. She attended school in this same community. She is not definite in any likes or dislikes, is now 23, born December 19, 1939, in Vancouver. She has dark brown hair and hazel eyes to go with her tricolor silks of red, white and blue.

GLORIA DARTIE — She looks exactly like 35-23-36 is expected to — wonderful. Miss Dartie has an unusual hobby of collecting odd and unusual charms for a charm bracelet. She also likes new and different hair styles as well as new and unusual color in shoes.

Gloria won an "All Across Canada" award for sewing while attending St. Joseph's Convent. She also went to school at Notre Dame Academy. She works at Taylor's Jewellers and lives with her parents at 81 Rochford street. The parents of this 21 year old dark brown eyed brunette are Mr. and Mrs. James P. Dartie.

She is five foot six inches tall and weighs 118 pounds and looks mighty nice in her red and white silks.

Gloria was born August 12, 1941. Her other hobbies include reading, swimming, harness racing, all kinds of sports especially basketball.

She was one of the eight Gold Cup and Saucer girls last year.

CONNIE DAVIES — This brunette is very explicit in her dislikes even if she is only kidding. She admits to being born, dislikes her height, (five foot, 34-22-34, sounds mighty good), and most of all dislikes the silly questions asked by reporters. Apart from that she is very agreeable.

She has no hobbies in particular but loves swimming, riding, dancing and listening to music that remains popular. When she is not at the Bank of Montreal, one must travel way out to East Royalty, turn off the main road, go through a beautiful hardwood grove and
