The Panther basketball teams lost to St. F.X. and Dalhousie at home this weekend. The losses brought the women's record to 1-5 and the men's to 2-4.

WOMEN'S BASKETBALL

On Friday, the Lady Panthers played first. The St. F.X. team dominated the first half and were up 44-18 at halftime. Not having the injured Kate Myron in the line-up hurt the Panthers, who were forced to use the majority of the bench throughout the game. UPEI experienced trouble with the St. F.X. full court press, and things

continued to go downhill in the second half. The Ax-Women won the game 75-47. St. F.X.'s Kristen Moore was named the AUAA player of the game.

Sunday, Dalhousie came to Charlottetown and outplayed the Panthers. UPEI trailed the Tigers 47-28 at the half. The situation got worse for the Panthers in the second half. The final score was in favor of Dalhousie, 77-41. The AUAA player of the game was awarded to Angelia Crealock of Dalhousie.

MEN'S BASKETBALL

Against St. F.X., UPEI played well and were only down 43-34 at the half to the CIAU fourth-ranked St. F.X.

men. A weak start to the second half hurt the Panthers who lost, 91-72. Randy Nohr, a fourth-year guard for the Ax-Men picked up the AUAA player of the game.

The weekend's final game appeared to be the first bright point of the Panther basketball weekend. The Panther men played well and ended the first half with a 40-29 lead. The Panthers fell apart midway through the second half. Taking the lead, Dalhousie took advantage of several UPEI missed shots and a technical foul given to Panther coach George Morrison. The Tigers won, 87-75. Dalhousie's Dontae Blaney was named AUAA player of the game.

Panther hockey falls to Acadia

The Panthers were beaten 6-1, Saturday, by Acadia. This is the team's second straight loss, leaving a 1-11 record.

"We had good first and second periods and then we were down by a couple of goals and collapsed in the third," first-year Doug Clarke said.

Steve LeCoure,

fourth-year, scored the lone Panther goal in the first period. It was assisted by Nick Grady, first-year, and Dylan Taylor, third-year.

UPEI was outshot 20-35. Acadia challenged fifth-year goalie Dave Mitchell with 13 shots in period one, while the Panthers managed to get off seven shots. In the second period, UPEI outshot Acadia, 9-8. Acadia had the edge in shots in

period three, 14-4.

Both teams had several power-play chances. In five tries, UPEI failed to capitalize on its power-play opportunities. Acadia tallied a 2-6 power play record for the game.

"There's a lot of potential, but right now we're not getting the results," Clarke said. "There's a good chance we'll have a good second half of the season."

Attention: University of Prince Edward Island Students L'ARCHE The University of the Heart

L'Arche Cape Breton is a community for men and women who are mentally challenged and those who choose to share life with them. We are a community committed to equality, solidarity and simplicity, and since we began in 1823, hundreds of people have come to share this way of life with us.

Most of our volunteers are university students or graduates who have found something lacking in academia. They come to L'Arche from all over the world to discover the importance of relationships, to be pushed to develop their potential, and to discover the beauty of men and women who are mentally challenged.

We are always accepting applications from energetic, open-minded, and committed people. We provide room and board plus a monthly stipend, and will cover your student loan payments as well. There are even programs available for people interested in volunteering overseas, as there are over 100 L'Arche communities through the world.
