Tignish Carnival To Feature Crowning Of Queen, Feb. 10

TIGNISH — A queen will be crowned at a fancy dress ice carnival, that will be held on the Tignish outdoor skating rink on Saturday, Feb. 10.

This was decided at the regular monthly meeting of the athletic association chaired by the president, David Harper.

Blaise Ellis, Joseph Dorsey, and Gerald McCarthy will coach pee-wee, bantam, midgets and all-star hockey teams.

A new plywood building 22 by 16 feet has been completed with two heated dressing rooms, ticket office and a modern canteen. From this building the skaters emerge onto a large ice surface 185 by 70 feet. The ice surface is well lighted for evening skating. Two new hockey nets have been provided for the nine organized teams.

Another building houses a new water system for flooding the rink in so fine a shape this season has cost the association well over \$600 that was raised by the executive, the finance, and membership committees. Labor in getting the rink and building in readiness was generously donated.

The previous year the association sponsored hockey, sports including transportation and a banquet for the all star teams, and a farewell party for the retiring coach, Gordon Grady.

The committees in charge hope to carry out this work successfully again this year. The financial report given at the monthly meeting by the treasurer, William Pederson was very encouraging, with a cash balance on hand.

National Park Winter Work Projects Near Completion

The winter work projects at the P.E.I. National Park are almost completed, park superintendent Eric Kipping said yesterday.

Some of the projects had to be suspended or reduced due to ice and frozen ground, Mr. Kipping said, but work will be completed by the end of March. Mr. Kipping said that open weather conditions were a tremendous aid to the extensive work slated for the winter. He said that only one afternoon and three hours of another day were lost because of weather conditions. Jobs such as fencing, reforestation and a d shore protection had to be suspended because of ice and frozen ground.

The work slated for this winter included tent site improvements, the construction of a small picnic area near Cavendish, ice extension at the golf course, the clearing of fire trails and a host of smaller projects. One piece of fairly extensive emergency road protection also was undertaken.

UC Married Couples Club Is Organized

BEDEQUE — A number of young married couples from the Bedeque United Church met at the parsonage Monday to consider the possibility of organizing a married couple's club.

The meeting was opened with worship conducted by Mr. and Mrs. Arthur Craig, after which the minister, Rev. R.M. Cameron explained the purpose of the meeting. Mr. Cameron stated that a married couple's club would provide the opportunity for a study of the Christian faith, the meaning of the Christian life and the manner in which the Christian faith may be practiced. Problems relating to the church and home could be discussed at future meetings.

The program is one of worship, study and action and in following this program the members may deepen their faith and enrich their spiritual life and contribute toward the strengthening of the church and community. A filmstrip and recording were presented and an interesting discussion followed.

The group decided to organize and to meet on the first Wednesday of each month with meetings to begin at 8:30 p.m. The next meeting will be held on Wednesday, March 7.

The officers elected were: president, Mr. and Mrs. Arthur Craig; vice-president, Mr. and Mrs. Sidney Green; secretary, Mr. and Mrs. William Callbeck; treasurer, Mr. and Mrs. Harold MacQuarrie and membership convener, Mr. and Mrs. Eldon Wright.
