O. Y. B.—The O. Y. B. concert and pie social at Kingston last night was a "howling success," in fact it was pronounced the best concert ever held in that part of the country. The programme kept the audience in roars of laughter throughout the whole evening. Special mention should be made of Miss Sarah Bridges' solo which brought down the house, and she responded to the encore with a bow. Mr. Tarbush's recitations (encored) Mr. W. E. Craswell's solo, "Bruder Johansing's," Ernest Hodgson's stump speech, and the solo "Just One Girl," the comical sketches, "Managers Trouble," and "Clams" caused roars of laughter, and the audience made the very walls tremble with a thundering applause.

A MIDNIGHT ALARM.

There is no Cause for Alarm when That Croupy Cough is Heard if you have Griffiths' Menthol Linctament Handy. It Relieves Croup in One Minute, you Can Always depend Upon It.

Mrs. Gilroy, 353 Johnston-street, Kingston says: My little boy, aged 3, has been subject to croup during the winter seasons since his birth. We have had doctors' medicine and all other croup remedies for him, but nothing ever gave him such quick relief as Griffiths' Menthol Linctament. It always seems to touch the spot at once. I have always found it superior to any other remedy for Croup and Colds. I believe a bottle should be kept in every home where there are children. All druggists, 25 and 75 cents.

PRESENTATIONS LAST NIGHT.

Lieut. Macdonald Remembered Before Leaving for Africa.

Lieutenant John A. Macdonald, who leaves tonight en route to South Africa, will be escorted to the railway station by the members of the Caledonian Club in plaid and bonnet, headed by the piper of the organization. There will also be a large attendance of militia officers and citizens at the railway station to say an revoir. The send-off will be a royal one. Last evening at 7 45 the members of the Caledonian Club met in their rooms and presented Lieutenant Macdonald with a valuable gold ring. The address spoke in terms of praise of Lieutenant Macdonald, who was about to depart for Africa to battle for the Empire, and expressed the hope that he would return to his native province at an early date safe and sound. The address was read by Mr. John McPhee, president of the club, and was feelingly and fittingly acknowledged by Lieut. Macdonald.

After the presentation short addresses were made by Chief John A. McLaren, Alexander Macdonald, David Small, John S. Macdonald, James McIsaac, John McSwain, John McEachern, Charles McGregor and Donald Nicholson, all of whom spoke in terms of praise of the departing clansman.

From the club room Lieut. Macdonald was escorted to the City Council Chamber where a large number of his fellow officers and a goodly proportion of citizens had assembled to present him with a tangible proof of their esteem. Col. Moore, who presided, made a short speech bearing upon the business which had called them together, and then read an address of congratulation from the officers of the militia forces.

Accompanying the address was a field glass, a wristlet watch, \$24 with which to buy a revolver, and \$50 in cash.

On behalf of the members of the bar and some personal friends of Lieutenant Macdonald, Mr. Arthur Peters presented him with a purse of \$160. In making the presentation Mr. Peters spoke highly of Lieutenant Macdonald, who had studied law in his office, and who was in every way an excellent young man.

Lieut. Macdonald briefly acknowledged both presentations, expressing his thanks for the kindness of the donors and his desire to do all in his power while in South Africa to bring credit to his native province.

Short speeches were made by Mayor Warburton, Col. Dagherty, Lieut. Col. Loogworth, Lieut. Col. McLeod and Mr. John P. Tanton. They all spoke highly of Lieut. Macdonald, and felt sure that he would do his duty in the battle for the Empire.

Before the meeting closed the company joined hands and sang Auld Lang Syne after which the National Anthem was rendered. Cheers for Lieutenant Macdonald and the Queen closed the proceedings.

PERSONAL.

Dr. Honeywell, of Hunter River, is in the city.

Mr. Eneas A. Macdonald crossed to Pictou by the Minto today.

Mr. and Mrs. Wm. Mathews, of Wiltshire, leave this afternoon via Georgetown for St. Vincent, Mian.

It is pleasing to hear that Mr. Aselin, of St. Dunstan's College, who is ill at the Charlottetown Hospital, is improving.

Prof. Miller, in his address to the students of the C. B. C. last night, referred to the association of Mr. J. A. McDonald with the college as lecturer on Commercial Law, and also with Mr. McDonald's departure to South Africa.

Writing from Belmont to a friend (Jan. 2) Mr. Fred McBae says:

"Because of being on the sick list I was not permitted to go out with the flying column to 'Sunnyside' where the enemy was completely surprised, 14 killed and 42 taken prisoners, yesterday. The Boers only fired a few shots and as you know killed two Queenslanders and wounded two others. I have been attending the hospital for some days with a severe sore throat. It is a common complaint here, some dying with it."

The sick man knocking at the door of health, gets in if he knocks the right way, and stays out if he doesn't. There are thousands of ways of getting sick but only one way to get well. Do whatever you will, if you don't put your digestion in good order, and make your blood rich and pure, you will not get well. Rich, pure blood is the only thing that can bring perfect health. Constipation is a disease of the blood. A large part of all diseases are traceable directly to impurities in the blood, and can be cured by eliminating them with Dr. Pierce's Golden Medical Discovery. The first thing it does is to put the whole system into perfect order. It stimulates the appetite, excites a copious secretion of the digestive fluids and promotes assimilation. It searches out disease germs wherever they may be, kills them and forces them out of the system. The "Golden Medical Discovery" has been used with unvarying success for over 30 years.

CLUB SOCIAL.—The Caledonian Club will have their usual social this year. The date has not yet been fixed.

HOCKEY.—The two hottest games of hockey ever played on P. E. Island. Secure your seats early tonight as there will be an immense crowd.

ANOTHER SUBSCRIPTION.—The drivers and firemen on the Island railway are each contributing half a day's pay towards the Canadian Patriotic Fund.

HOCKEY TONIGHT.—The matches tonight will certainly be the most decisive battles ever fought on the hockey ice in Charlottetown. And they begin on time, 8 o'clock.

FLAGS FLYING.—Flags are to-day flying on the railway station and on many of our public buildings, stores and places of business in celebration of the relief of Kimberley.

CALEDONIAN CLUB.—The members of the Caledonian Club in plaid and bonnet will meet at the club rooms at 9 o'clock tonight to escort Clansman Macdonald to the railway station.

ANOTHER CONTRIBUTION.—The Merchants Bank of P. E. Island beg to acknowledge the receipt of \$50 from Sir L. H. Davies as a contribution to the National Patriotic Fund Association.

CARNIVAL AT SUMMERSIDE.—The carnival at Summerside last night was a great success. The attendance of skaters was large, and there was also a large number in the promenade. Choice music was provided.

WORD has been received from Summerside that the hockey special from that town will contain the largest number that ever came from the west to attend a game. Therefore the Crystals will not lack encouragements in the effort to win the Island championship and trophy.

FIRE.—The residence of Mr. John P. Brennan, at Alberton, was destroyed by fire at an early hour this morning. The contents were also destroyed. The fire started in the cellar, and was supposed to be caused by the furnace. The family had a narrow escape. There was some insurance on the house but none on the furniture.

A WARNING.—On the East River ice-road there is an example of great carelessness on the part of somebody. Off Kensington Range between the engineers' huts and about twenty feet from the road is a very dangerous spring-hole about which the ice is weak at present. It seems to have been the negligence of the busher that a few trees were not placed around it. A few trees put there now would prevent the unsuspecting having an accident.

DIED THIS MORNING.—Mr. Oswald Hornsby, who has been very ill for some time past, entered into rest this morning. Mr. Hornsby was a well-known and respected resident of Charlottetown, and his death will be mourned by a wide circle of friends. He was the father of Mr. Oswald A. Hornsby, of the Merchant's Bank of Halifax, New York, Mr. Walter Hornsby, of the staff of the Charlottetown agency of the same bank, and of Mr. Frank J. Hornsby of the firm of Driscoll & Hornsby. To these, as well as to his bereaved widow and the other members of the family, we tender our sympathy.

A SENSATIONAL STORY.—The Summerside correspondent of the Guardian says a somewhat sensational affair is reported to have occurred on Town Road, some two and a half miles from Kensington. A young married couple, living at the home of the husband's father, and not on as good terms as they might be, sat down to breakfast a few days ago. The wife on partaking of her porridge detected a disagreeable taste and threw it out of doors. The dog ate it and died within an hour. The wife took violently sick and a doctor was called in, who administered restoratives and brought her around again. The supposition is that poison had in some manner got into this particular plate, but on whom to lay the blame is a mystery.
